

**CITY OF KNOXVILLE
INVITATION TO BID**

Collision Repair Services for Light Vehicles (Under One Ton)

Sealed bids, invited by the City of Knoxville, will be received by the Purchasing Agent of the City of Knoxville, in Room 667-674, City County Building; 400 Main Avenue; Knoxville, Tennessee, until 11:00:00 a.m. (Eastern Time) on January 15, 2019, at which time they will be opened and publicly read aloud and a contract awarded as soon thereafter as practicable.

The City of Knoxville's Fleet Services desires to enter into a contract with up to five (5) contractors for the repair of body damage, painting, and collision repairs for vehicles and equipment weighing less than one ton. Historically, Fleet Services has had over 75 work orders annually, totaling over \$80,000 in repairs. The contract term shall be for one year with two one-year optional renewals based upon the approval of both parties.

The selected bidder shall agree to the following terms and conditions:

Priority Repairs: The Contractor will be expected to give City vehicles and equipment priority for repairs. The City reserves the right to remove vehicles or equipment from Contractor if Contractor fails to begin work on the damaged vehicle within two work days of receipt of the vehicle from the City. Additionally, the City reserves the right to remove the vehicle from the Contractor's possession if the Contractor does not complete the work within the time allotted, as specified in the appraisal. The City will, of course, pay the Contractor for the work done prior to the City's removal of the vehicle in these instances.

Estimator Service: The contractor will accept repair estimates from the City's contracted repair estimating service. Estimates will include parts (based on OEM), number of estimated hours and applicable EPA surcharges and disposal fees.

Quotes for Parts and Labor: When requested, contractor must provide parts and labor costs to the City via email or facsimile on the same business day requested, with costs based upon estimator estimates.

Pricing: The bid submission will include pricing for labor/hour and markup for OEM parts. The bid price for labor/hour shall include Contractor overhead charges, and the City will not accept any additional overhead costs.

Supplemental Charges: Contractor may submit supplemental estimates for repairs not noted by the estimator; however, in cases where the Contractor submits a supplemental estimate for repairs to the City, the City reserves the right to send the estimator back to re-inspect the vehicle being repaired. Contractor shall not commence supplemental repairs without prior approval of Fleet management. The City reserves the right to suspend or/terminate the contract with contractors who have a history of excessive supplemental estimates.

OEM Parts: Parts provided will be OEM replacement parts of the latest model and design. The City reserves the right to supply parts which they have on hand.

OEM Paint: Paint must be OEM or equivalent.

Decals: When appropriate, City-supplied decals shall be used.

Pick-up and Delivery: Contractor shall be responsible for pick-up and delivery of vehicles to be repaired. Contractor must pick up damaged vehicles within a 24-hour (business days only) period from the time of City notification and must return vehicles to the City within 24 hours of completion of work.

Secure Storage: Contractor must provide secure storage for all City vehicles in its possession.

Quality Control: The City reserves the right to inspect repairs upon return by the Contractor to ensure proper standards of quality have been met. The City shall be the sole judge as to whether proper quality standards have been met. If a vehicle does not meet the proper standards of quality, the City reserves the right to send the vehicle back to the contractor for the additional work needed to meet said quality and (in these instances), the Contractor will assume 100% responsibility for the labor charges associated with this corrective action.

Warranty: Successful bidder must supply the City with a copy of the standard manufacturer's warranty for OEM replacement parts used in any work order completed for the City.
