**NOTICE OF REQUIREMENT FOR  
FCPS GOALS TO CREATE EQUAL OPPORTUNITIES AND  
MINORITY, WOMEN AND VETERAN-OWNED BUSINESS (MWVBE)  
CONTRACT PARTICIPATION**

The mission of the Fayette County Public Schools (FCPS) is to create a collaborative community that ensures all students achieve at high levels and graduate prepared to excel in a global society. FCPS values diversity, inclusion and equity. As one of the largest employers in Fayette County, we know the impact of how we spend the money entrusted to us by taxpayers has a far reaching effect in the greater economic development of the entire community. As a result, the Fayette County School Board (Board) has set a goal that not less than ten percent (10%) of the total value of this contract be subcontracted to MWVBES. The goal for the utilization of certified MWVBES as subcontractors are recommended goals. All bids and requests for proposals will be reviewed in detail by the Office of Economic Development prior to awards being submitted to the Board for approval. Bidders who fail to meet such goals will be expected to provide written explanations to the Manager of Economic Development of efforts they have made to accomplish the recommended goals and the extent to which they are successful in accomplishing the recommended goals will be a consideration in the procurement selection process.

FCPS reserves the right to work with the most responsible and responsive bidder. That means that the district may need to move to the next lowest bidder in the event that the proposed winning bidder is unwilling and unable to demonstrate documented good faith efforts to comply with these requirements.

For assistance in locating capable MWBE subcontractors, contact Marilyn Clark, Manager of Economic Development at the address listed below:

- 5) Certification: FCPS strongly prefers to work with certified MWVBEs. For projects over \$20,000 certification is required for minority, women or veteran owned companies. We accept certifications from third-party certifying agencies like the Tri-State Minority Supplier Development Council (TSMSSDC); Women's Business Enterprise National Council (WBENC); National Women's Business Owners Council (NWBOC); Kentucky Minority and Women Business Enterprise Certification (KY MWVBE); and any of various certification from the Small Business Administration (SBA). FCPS will rely on certifying agencies to verify certification of any businesses claiming to be certified.

### **B. GENERAL**

- 1) FCPS requests all potential contractors to make a concerted effort to include MBE, WBE and VBE businesses as subcontractors or suppliers in their bids.
- 2) Toward that end, FCPS has established 12% of total procurement costs as a Goal for participation of MWVBEs on this contract.
- 3) **It is therefore a request of each Bidder to include in its bid, the same goal (12%) for MWVBE participation and other requirements as outlined in this section.**

- 2) Replacement of a MWVBE subcontractor or supplier listed in the original submittal must be requested in writing and must be accompanied by documentation of Good Faith

Efforts to replace the subcontractor / supplier with another M WBE Firm; this is subject to approval by FCPS. (See FCPS MWVBE Substitution Form)

- 3) For assistance in identifying qualified, certified MWVBE businesses to solicit for potential contracting opportunities, bidders may contact:
  - a) The FCPS Purchasing Department and/or the Office of Economic Development at 859-381-4100.

#### **D. OBLIGATION OF BIDDER FOR GOOD FAITH EFFORTS**

- 1) **The bidder shall make a Good Faith Effort to achieve the Participation Goal for MWVBE subcontractors/suppliers. The failure to meet the goal shall not necessarily be cause for disqualification of the bidder; however, bidders not meeting the goal are required to furnish with their bids written documentation of their Good Faith Efforts to do so.**
- 2) Award of Contract shall be conditioned upon satisfaction of the requirements set forth herein.
- 3) The Form of Proposal (Bid Documents) includes the forms set out below. These forms must be completed and submitted with Bid Documents:
  - a. Workforce Analysis Report: FCPS values diversity and inclusion. We strive to work with companies that share our values. Please share the diversity of your workforce in this form.
  - b. Current/Past MWVBE Contract Participation Form: This form will be used to capture your company's percentage of spend with MWVBES on current or past projects.
  - c. MWVBE Solicitation Report: This report verifies that your company contacted MWVBES in a timely manner to submit quotes for this contract.
  - d. MWVBE Participation Form: This report verifies the MWVBE subcontractors and material suppliers to be utilized on this project.
  - e. MWVBE Subcontractor Utilization Form: This form is intended to capture the MWVBE subcontractor's and material supplier's understanding of the work/material to be performed and the price as agreed with the Bidder/Contractor. This form must be completed and signed by the Bidder/Contractor AND the MWVBE subcontractor or material supplier.
  - f. Affidavit of MWVBE Subcontractor Payments Form: If awarded this contract, the prime contractor is obligated to submit a notarized report of all payments made to any MWVBE subcontractors or suppliers working on this project. Reports are due on a monthly basis to be sent to the Manager of Economic Development and Supplier Diversity.

- g. MWVBE Subcontractor Substitution Form: If a MWVBE contractor selected for this project is not able to meet the obligations as assigned, the prime contractor is obligated to replace that MWVBE subcontractor through the Good Faith Efforts steps outlined in this document and to secure another MWVBE contractor with like skills at a comparable contract price. All required forms and documentation for this substitution should be returned to the Manager of Economic Development and Supplier Diversity.
- h. Waiver Form: Contact the Purchasing Department or the Manager of Economic Development and Supplier Diversity to discuss bids you believe have no opportunity for the utilization of any subcontractors.

**4) Failure to submit this information as requested may be cause for rejection of bid.**

**Sole Source**

It is agreed that identified sole source expenditures shall also be excluded from the aggregate total of all sums paid in connection with implementation of the contract, and therefore, shall not be subject to the MWVBE goals. All designations as a sole source expenditure must be supported by data that indicates that only one company can perform the services. The following are examples of basis for sole source expenditures:

- a. The supplies or services to be acquired are unique to the contractor.
- b. Time is of the essence and only one known source can meet the FCPS's needs within the required timeframe.
- c. Data is unavailable for competitive procurement.
- d. It is necessary that the item being acquired from the one source be compatible and interchangeable with existing equipment.

**Excluded Expenditure**

FCPS and its contractors shall use good faith efforts as set forth herein in order to progress towards the achievements of the MWVBE goals, but FCPS shall not be required to pay any amounts in excess of the lowest responsible and responsive price or best evaluated bid to procure any goods or services, or to delay design, development or construction activities in order to progress towards the achievement of the MWVBE goals.

FCPS agrees the bid requirements shall obligate a contractor to agree to execute a contract by which it is contractually obligated to use good faith efforts as set forth herein, and that for a bid or price to be responsible and responsive, it must have been prepared by a contractor that agrees to be so contractually obligated. In the event that the lowest price or best evaluated bid is not responsible and responsive because the contractor does not agree to be contractually obligated to use good faith efforts as set forth herein, then that bid will be considered non-responsive and FCPS shall re-bid that contract or select the next lowest responsive price or best evaluated bid, if permitted by applicable law.

FCPS Manager of Economic Development will be made aware of participation goals of the lowest bidder on all projects. The Manager of Economic Development shall be entitled to review any and all bids and requests for proposals to examine whether they are responsible and responsive with regard to good faith efforts as set forth herein. However, but there shall be no obligation on FCPS

to delay the project pending such review, and any if any contractor that becomes contractually obligated to use good faith efforts as provided herein is ultimately determined to have not used such good faith efforts, the remedies of FCPS shall be set forth in this Agreement with respect to such contractor.

**Certification**

FCPS strongly prefers to work with certified MWVBES. We accept certifications from third-party certifying agencies like the Tri-State Minority Supplier Development Council (TSMSSDC); Women's Business Enterprise Nation Council (WBENC); National Women's Business Owners Council (NWBOC); Kentucky Minority and Women Business Enterprise Certification (KY MWVBE); and any of various certification from the Small Business Administration (SBA). FCPS will rely on certifying agencies to verify certification of any businesses claiming to be certified.
