DATE: July 24, 2018
TO: Interested Firms
FROM: Alan Weaver, CPPO, Sr. Procurement Specialist
SUBJECT: Request for Qualifications 33458, Addendum 1
Design, Permitting, Bidding Services, and Construction Administration for the Little Orange
Creek Aquifer Recharge Project,

Please be advised of the following changes to the subject Request for Qualifications:

1. The time and date for the submittal of responses remains the same: 2:00 p.m., August 10, 2018.
2. On the title page, last sentence in the second paragraph, and on page 7, under paragraph 7. BUDGET, delete the first sentence, "The estimated budget for this project is \$100,000."; and replace it with the following sentence:

"The District expects the cost of this work to exceed \$150,000; however, no official estimate has been prepared."

3. On page 43, under Section C – Scope, Add the following task:

"TASK 4: CONSTRUCTION SERVICES

The detailed scope of this task will be developed in concert with the recharge well and conveyance system(s) components going to bid and moving into construction. The Successful Respondent will be responsible to provide engineering and geological services during construction of the aquifer recharge well and associated systems. These services may include, but are not limited to, the following;

- Assist with pre-construction meetings, well drilling contractor and District staff;
- Coordinate with District staff to maintain on-site construction observation during daily drilling operations except for borehole reaming;
- Provide District with weekly construction progress reports and meetings, as needed;
- Provide review of well construction specifications and prepare design clarifications, as needed;
- Answer requests for information by the well construction contractor;
- Facilitate inspections for certification of substantial completion and final completion of construction;
- Support the development and review of as-built record drawings;
- Prepare well testing procedures and review well performance testing documentation.

NOTE: Please acknowledge receipt of this Addendum in your submittal.

If you have any questions regarding this addendum, contact Alan Weaver at (386) 329-4271 or via email at aweaver@sjrwmd.com.
