

**Addendum #1** – Response to questions and clarifications to bidding documents from the mandatory December 11, 2019 ACM Removal Bid Walk-through conducted at Stony Point South Elementary School.

Below are questions that have been asked and other important clarifications to bidding documents.

**Stony Point South School Addendum #1:**

Q: Option Bid 1 Work Area #2 – Exterior Facia and Soffit's:  
Clarification on scope of work?

A: Abatement will include the removal of all exterior fascia and soffit up to the roof level including like material at entrances to building and the upper portion of the multipurpose room. This includes removal of wood framing behind fascia as well.

The roof metal drip edge flashing is to remain in place and must be maintained in good condition or replaced by the abatement contractor.

Removal of the exterior facia and soffit to be coordinated with JE Dunn, who will be installing the new facia and soffit. This will require pre-task planning on site by all parties prior to any abatement of the fascia and soffit.

Q: Has the bid due date changed from December 20, 2019?

A: Yes – Bids will be due:

Bid Due Date: January 2, 2020 @ 2:00 PM  
Kansas City, Kansas Public Schools  
Attention: Wayne Carrell  
2010 N. 59<sup>th</sup> Street, Room 300  
Kansas City, KS 66104
