

MEIGS COUNTY EMERGENCY SERVICES "SEALED BID" SPECIFICATIONS

Equipment specifications attached.

Bids are required to be broken down by item, description, and cost.

All associated cost should be included such as maintenance, set-up, training, and freight/shipping if applicable.

Government purchasing policies and protocols require Purchase Orders with funds to be encumbered for purchases. If freight/shipping will be applicable, it must be included in the bid. This amount can be listed as "estimated" or "subject to change."

Include estimated time of shipping/delivery.

For questions pertaining to the equipment specifications, please contact Tony Finnell at 423-718-2443.

For questions pertaining to the bidding process, please contact Lesley Lyle at 423-334-5846.
