Lighted Guardrails For the Holmberg Bridge

Contract No. R-14-012-203

City of Chattanooga, Tennessee

April 2019

Section 1

Introduction

**REQUEST FOR PROPOSALS
LIGHTED GUARDRAILS FOR THE HOLMBERG BRIDGE
CONTRACT NO. R-14-012-203
CITY OF CHATTANOOGA, TENNESSEE
(April, 2019)**

1.0 INTRODUCTION

1.1 BACKGROUND

A. GENERAL

The City of Chattanooga (City) is issuing this Request for Proposals (RFP) to solicit proposals from qualified individuals or firms for the purpose of selecting a Vendor from those who submit Letters of Interest with which to negotiate an Agreement for the design and installation of guardrail mounted lights on the Holmberg Bridge in Chattanooga, Tennessee.

1.2 PURPOSE OF RFP

A. GENERAL

This RFP results from the City's desire to select a Vendor to design, fabricate, and install lighted guardrails on the Holmberg Bridge.

B. OBJECTIVE OF RFP

The Holmberg Bridge was installed in 2005. It connects the City's Art District with the Walnut Street Bridge. Originally designed as concrete and steel structure with glass panels used as a walking surface, it has been a destination attraction for the Chattanooga Downtown area. Lighting for the bridge has, in the past, been provided by florescent lighting installed beneath the center of the walking surface, which would shine through the glass panels to light up the entire walking surface. However, the glass panels proved to be problematic given the open traffic environment of downtown. Most glass surfaces designed to be walked on have limited and very restrictive use. As an example, the West Grand Canyon Skywalk required shoe coverings and permits only pedestrians to access the skywalk. The Holmberg

Bridge, on the other hand, was open to all types of pedestrian and similar traffic, including bicycles, roller blades, and runners. The glass panels could not handle the impacts from such a diversity of uses, and would occasionally break, sometimes at the rate of several each year.

In an effort to combat the continuing breakage, the city recently replaced the glass panels with stainless steel metal grates. While this has eliminated the glass breakage problem, the stainless steel grates do not transmit light in the same manner that the glass panels did. The result is that the florescent lights beneath the bridge no longer light up the upper surface, but only light the bottom of the bridge. Pedestrians traveling on the bridge after sunset are left walking along a darkened pathway.

In an effort to provide an acceptable level of light along the bridge, while not getting into a situation where large spotlights or streetlights are installed in a partially residential area, the city would like to have lighted guardrails installed along both sides of the Holmberg Bridge. As an additional option, the City would also like to get a proposal on installing similar guardrails or handrails on the adjacent concrete ramp section that leads to end of the Walnut Street Bridge. Details and dimensions on the existing guardrails, bridge, and ramp section are included in Section 5 below. In addition, the entire set of plans related to the original construction of the Holmberg Bridge is available on request.

The preferred approach to lighting the bridge would be to replace the top 3" stainless steel tube with a lighted stainless-steel tube, keeping the existing posts and cables. Proposals may present alternatives to this approach, is sufficient reasons are given for the variations.

Any new stainless steel tube should be Type 304 stainless with a #4 satin finish. The lighting system should be LED with a color temperature in the 3000K-3500K range. The light beam from the rail lights should be 30-45 degrees and asymmetrically directed toward the center of the bridge. Stamped engineering drawings will be required for the new rail system(s) before construction can begin.

Instructions for RFP

2.0 INSTRUCTIONS FOR RFP

2.1 GENERAL

Three (3) bound copies, one (1) unbound original copy, and an electronic copy in Word or PDF format of the RFP shall be submitted. The RFP will be limited to 25 pages excluding the resumes of key project personnel requested.

All RFPs shall be submitted in a sealed envelope or box marked "Guardrail Lighting for the Holmberg Bridge, CONTRACT NO. R-14-012-203, City of Chattanooga, Tennessee." The original and copies of the RFP shall be indexed with tabs for each section of the RFP.

All RFPs shall be submitted no later than **4:00 p.m. EDT, on Friday, June 14, 2019** to the attention of:

City of Chattanooga
Purchasing Department
101 E. 11th Street, Suite G13
Chattanooga, TN 37402
bidinfo@chattanooga.gov
Phone: (423) 643-7230
FAX: (423) 643-7244

NOTE: RFP responses shall address only the information requested in the RFP. The City is not interested in "fluff or filler." It is interested in the resumes of the people that will be working on the project and descriptions of similar projects that they have worked on singularly or together. Resumes of others who will not be working on the project or project descriptions that are not recent or not relevant to the RFP are not wanted.

2.2 RFP WITHDRAWAL PROCEDURE

RFPs may be withdrawn up until the date and time set above for opening of RFPs. Any RFP not so withdrawn shall, upon opening, constitute an irrevocable offer for a period of ninety (90) days to provide the services set forth in the RFP or until one of the RFPs has been accepted and a contract has been executed between the City and the successful RFP submitter.

2.3 RESERVATION OF CITY RIGHTS

- A. The City reserves the right to request clarification of information submitted and to request additional information of one (1) or more RFPs.

- B. The City reserves the right to negotiate the Agreement/Contract for Maintenance/Repair/Updates of the Fountains at Coolidge Park with the next most qualified finalist if the successful finalist does not execute an Agreement/Contract within five (5) days after submission of an Agreement to such offeror. The City reserves the right to negotiate all elements of work that comprise the selected RFP.
- C. The City reserves the right, after opening the RFPs or at any other point during the selection process, to reject any or all RFPs, modify or postpone the proposed project, evaluate any alternatives offered or accept the RFP that, in the City's sole judgment, is in its best interest.
- D. The City reserves the right to terminate the Agreement if the Vendor fails to commence the work described herein upon giving the Vendor a 30 (thirty) day written Notice of Intent.

2.4 **PRE- RFP CONFERENCE** – A Pre-RFP Conference will be held on Wednesday, May 22, 2019 at 1:00pm, at the Holmberg Bridge, located in front of the Humber Museum at 10 Bluff View Ave, Chattanooga, TN 37403.

2.5 **FACILITY VISIT** – The Pre-RFP Conference will be held at the Holmberg Bridge. Since the Holmberg Bridge is open and accessible to the public, anyone is free to make additional visits as desired.

2.6 **ADDITIONAL REQUESTS FOR INFORMATION**

Any additional requests for information must be directed in writing to the City by **4:00 p.m. EDT, on Friday, March 31, 2019**. The requests will be addressed to the fullest extent possible by the City in writing and sent to each responder to the RFQ by **end of day on Friday, June 7, 2019**. The City's preferred method of communication is via e-mail. After that time, no further requests for information will be received or responded to.

Requests for information or clarification shall be sent to:

City of Chattanooga
Purchasing Department
101 E. 11th Street, Suite G13
Chattanooga, TN 37402
bidinfo@chattanooga.gov
Phone: (423) 643-7230
FAX: (423) 643-7244

The City specifically requests that any contact concerning this RFP be made exclusively with the **City of Chattanooga Purchasing Department** until selection has been completed. Failure to honor this request will be negatively viewed in the selection process.

2.7 **Affirmative Action Plan**

The City is an equal opportunity employer and during the performance of this Contract, the Vendor agrees to abide by the equal opportunity goals of the City of Chattanooga as follows:

1. The Vendor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, national origin, or handicap. The Vendor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, national origin, or handicap. Such action shall include, but not be limited to, the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training including apprenticeship. The Vendor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.
2. The Vendor will, in all solicitations or advertisements for employees placed by or on behalf of the Vendor; state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, or handicap.
3. The Vendor will send to each labor union or representative of workers with which he/she has a collective bargaining agreement or other contract or understanding, a notice advising said labor union or workers' representatives of the Vendor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
4. In all construction contracts or subcontracts in excess of \$10,000 to be performed for the City, any Vendor and/or subcontractor is further required to file in duplicate within ten (10) days of being notified that it is the lowest responsible bidder, an affirmative action plan with the EEO Director of the City of Chattanooga. This plan shall state the Vendor's goals for minority and women utilization as a percentage of the work force on this project.
5. This Plan or any attachments thereto, shall further provide a list of all employees annotated by job function, race, and sex who are expected to be utilized on this project, and shall further describe the methods by which the Vendor and/or subcontractor will utilize to make good faith efforts at providing employment opportunities for minorities and women.

During the term of this contract, the Vendor upon request of the City will make available for inspection by the City copies of all payroll records, personnel documents, and similar records or documents that may be used to verify the Vendor's compliance with these Equal Opportunity provisions.

Section 3

RFP Contents

3.1 GENERAL INFORMATION

The Proposal shall provide the following general information:

- A. Identify the name, address, telephone, and facsimile numbers of the Vendor and the principal contact person.
- B. Identify the type of firm or organization (corporation, partnership, joint venture, etc.) and describe the entity that will serve as the contracting party.
- C. Submit a project organization chart.
- D. RFP shall identify the portions of the work that will be undertaken directly by the Vendor and what portions of the work will be subcontracted. At a minimum, RFPs must identify the lead parties that will undertake the various roles for the various phases.
- E. Describe the proposed contractual relationships between the Vendor and all major partners and subcontractors relative to the various phases of the project.
- F. Describe the history of the relationships among the Project Team members, including a description of past working relationships.
- G. Provide the history, ownership, organization, and background of the Vendor. If the Vendor is a joint venture, the required information must be submitted for each member of the joint venture firm. Include the following:
 - 1. Names of partners, and company officers who own 10 percent or more of the shares;
 - 2. If the Vendor or joint venture is a subsidiary of a parent company, state when the subsidiary was formed and its place in the corporate structure of the parent company. If a subsidiary is newly created for the purposes of responding to this RFP, the reasons for this action must be fully disclosed; and
 - 3. Identify any lawsuits or litigation, permit violations, and/or contract disputes for other projects by the Vendor.
- H. Provide a proposed plan of updates to achieve the desired level of illumination along the bridge. The plan may include additional optional upgrades that the Vendor feels may enhance the appearance, operation, or appeal of the fountain; however those additional options should be priced separately to allow the City to make fair comparisons based on the base request.

- I. An Opinion of Probable Cost (OPC) shall be provided along with the hourly rates and charges. At the minimum the Vendor shall provide pricing for the base request of providing a solution to lighting of the bridge using guardrail illumination, including mobilization, fabrication, and installation of the lighting system.
- J. The Vendor shall provide a proposed schedule to complete all the work in one project. Then provide the estimated days for each sub-component if broken into multiple projects.
- K. Vendor shall provide initial training of all improvements and PLC controls.
- L. Warranties, upgrades, and services shall be for a period of one year, with options to extend if available.

3.2 QUALIFICATIONS AND EXPERIENCE

The Vendor shall provide the following regarding technical qualifications and experience dealing with the design, fabrication and installation of guardrail lighting systems.

A. General Experience

Provide a summary of the experience of the Vendor Project Team working together for the design, construction, and installation of guardrail lighting systems.

B. Project Team Members Experience

Provide resumes of the Vendor Project Team including the Project Manager and all key technical personnel that will be used for the Maintenance/Repair/Updates for the Lighted Guardrail for the Holmberg Bridge and/or other projects as applicable to this RFP. Resumes should include information on registrations, affiliations and certifications of each team member.

C. Previous Experience With Similar Projects

Provide a list of ten (10) to fifteen (15) lighted guardrail or similar type project(s) the Vendor's Project Team has worked on together or singularly within the past five years. Include name of each project, description of each project, location of each project, dates and times work was performed, and name, address and phone number of owner and/or contact person.

3.3 PROPOSAL SCOPES OF WORK

A. General Scope of Work

1. The Vendor shall describe in detail its overall approach that will be used by its Project Team to perform the scope of work described herein for the Lighted Guardrail for the Holmberg Bridge project.
2. The Vendor shall provide all labor, benefits, equipment, materials, fuel, utilities, insurance, out-of-pocket expenses, and other related services required in connection with the Lighted Guardrail for the Holmberg Bridge project.

3. The Vendor shall obtain all necessary permits and approvals from all federal, state, and local regulatory agencies related to the Lighted Guardrail for the Holmberg Bridge project. Furnish copies of all required permits and approvals to the City.
4. The Vendor shall provide and submit reports and certifications as required by all applicable Federal and/or State regulations in regards to the construction of the Lighted Guardrail for the Holmberg Bridge project. Furnish a copy of all required reports to the City in a timely manner.
5. The Vendor shall coordinate its work with the City of Chattanooga Parks Maintenance Division for the construction project.
6. The Vendor shall conduct the work for the Lighted Guardrail for the Holmberg Bridge project in compliance with all applicable federal, state, and local laws, regulations, permits, and approvals.
7. The Vendor shall provide adequate supervision and technical and managerial oversight of the Vendor's employees, subcontractors, and agents.

B. Specific Scope of Work

1. Work with the City Parks Maintenance personnel to implement the installation plan submitted by the Vendor.

3.4 City Supplied Services

The City will provide the following as apart of the project:

- A. The City will provide a project manager as the single point of contact, who will be the responsible party for the City.

3.4 Financial Resources

The Vendor shall provide documentation that the firm is of sound financial standing and has the financial ability to work in the capacity of Vendor for the duration of this project.

3.6 Terms and Conditions

The terms and conditions shall be those addressed in the City standard construction specifications, unless otherwise listed below, to include the supplemental section provided by Appendix A.

- A. Except for information and data that is protected under law as confidential, all reports, permits, applications, etc. filed in connection with the work will be available for public inspection.
- B. Representatives of the City shall have access at reasonable times to the site(s) of the Vendor operations for the purposes of conducting inspections, or reviewing or copying records related to the construction of the Lighted Guardrail for the Holmberg Bridge project.

- C. All records and documentation pertaining to the Vendor shall be maintained for a period of five (5) years following expiration or termination of the Agreement.
- D. Audit Provisions
1. The City or its assignee may audit all financial and related records (including digital) associated with the terms of the contract or agreement including timesheets, reimbursable out of pocket expenses, materials, goods, and/or equipment claimed by the Vendor. The City may further audit any Vendor records to conduct performance audits (to identify waste and abuse or to determine efficiency and effectiveness of the contract or agreement) or to identify conflicts of interest.
 2. The Vendor shall at all times during the term of the contract or agreement and for a period of five (5) years after the end of the contract, keep and maintain records of the work performed pursuant to this Contract or Agreement. This shall include proper records of quotations, contracts, correspondence, invoices, vouchers, timesheets, and other documents that support actions taken by the Vendor. Documents shall be maintained by the Vendor necessary to clearly reflect all work and actions taken. All such records shall be maintained in accordance with generally accepted accounting principles. The Vendor shall at its own expense make such records available for inspection and audit (including copies and extracts of records as required) by the City at all reasonable times and without prior notice.
 3. The obligations of this Section shall be explicitly included in any subcontracts or agreements formed between the Vendor and any subcontractors or suppliers of goods or services to the extent that those subcontracts or agreements relate to fulfillment of the Vendor's obligations to the City.
 4. Costs of any audits conducted under the authority of this section and not addressed elsewhere will be borne by the City unless the audit identifies significant findings that would benefit the City. The Vendor shall reimburse the City for the total costs of an audit that identifies significant findings that would benefit the City.
 5. This Section shall not be construed to limit, revoke, or abridge any other rights, powers, or obligations relating to audit which the City may have by Federal, State, or Municipal law, whether those rights, powers, or obligations are express or implied.

3.7 ALTERNATE APPROACHES (Not Required)

3.8 LENGTH OF CONTRACT

The length of the contract shall be as determined by the time required for the installation of the proposed repairs and updates. It is the desire of the City that the installations may be performed in no more than six weeks if possible.

The Holmberg Bridge is a vital part of the pedestrian infrastructure of the downtown Chattanooga area. As such, the bridge should remain open to pedestrian traffic at all times. Installation of parts and materials related to the project must be performed while keeping at least one half of the bridge open to traffic at all times.

Section 4

Review and Evaluation of RFPs

4.0 REVIEW AND EVALUATION OF RFPs

4.1 REVIEW COMMITTEE

A review committee consisting of individuals selected by the City shall receive and review all RFPs submitted. The City, in its sole judgment, shall decide if an RFP is viable.

4.2 FORMAL PRESENTATIONS

After reviewing each RFP submittal, the City may prepare a short list of up to three (3) qualified firms for formal presentations. The City reserves the right to invite more or less than this number if the quality of the RFPs so merits, or not to prepare a short list and require formal presentations.

4.3 SELECTION CRITERIA

Selection of Vendor for formal presentations and the one (1) contract/agreement negotiation will be based on an objective evaluation of the following criteria:

A. Cost Criteria – 30 Points

Evaluation of the Cost of the Proposed Maintenance/Repairs/Updates

B. Experience and Qualifications – 35 points

Identify key professionals on the project team, including any subcontractors. Explain their project role, relevant qualifications and experience that demonstrate ability, capacity, skill, and number of years' experience in providing the required services particular for a project of similar size, scope, and complexity. Similar scope and complexity includes but is not limited to installation, repair, or maintenance of architectural fountains, interactive fountains, and computerized controlled fountains.

Provide relevant past project experience that demonstrates the specific information for at least five jobs of similar size, scope and complexity performed by Prime and each firm on the project team within the past five (5) years. Must provide specific information and show examples of experience of similar size, scope, and complexity. The determination of a project as being of similar size, scope, and complexity, is at the sole discretion of the City of Chattanooga. Past project experience should reflect work performed by the proposing firm and not just by current employees who previously performed work while employed by another firm.

All project information should include the following:

- Project name, geographical location and prime consultant
- Owner/Client for which performed
- Dates of project
- Brief description of project showing how it is similar in scope to this request
- Owner/Client reference contact person, name, number, and email address
- Dollar value of contract
- Dollar value of total construction
- Schedule Duration (Include Original Schedule and Actual Completed Schedule)
- Photos or graphics images that effectively highlight relevance to this project
- If applicable, a description of unusual or unexpected challenges that were faced during construction and how these challenges were overcome
- The City of Chattanooga reserves the right to check any or all references for projects submitted.

Provide the name and relevant experience of the proposed full-time on-site project Manager.

For each proposed team member answer the following:

Claims and Suits

- Has your organization ever failed to complete any work awarded to it?
- Are there any judgments, claims, arbitration proceedings or suits pending or outstanding against you organization of its officers?
- Has your organization filed any law suits or requested arbitration with regard to construction contract within the last five years?
- Has your firm been assessed liquidated damages on any project in the past 5 years? Provide explanation.

Workload

- List the major construction projects your organization has in progress, listing the name of the project, value, percent complete, and anticipated completion date.
- State average annual dollar amount of construction work performed during the past five (5) years.

Safety

- Current Safety Rating
- List any major safety related incidences or violations in the past two (2) years
- State company policy for dealing with subcontractors who fail to follow safety procedures on-site.
- List any safety defects of components installed that occurred during the warranty period. Provide the owners name and location, type of injury, outcome of claim, and resolution to component.

C. Schedule / Project Approach – 35 points

Provide a detailed narrative demonstrating your understanding of the project on how you will accomplish the stated Scope of Work. Describe in detail how this specific job will be approached, including major tasks and sub-tasks to be accomplished. Identify any issues you would anticipate with this type of project, and provide countermeasures you would employ to minimize and overcome those issues.

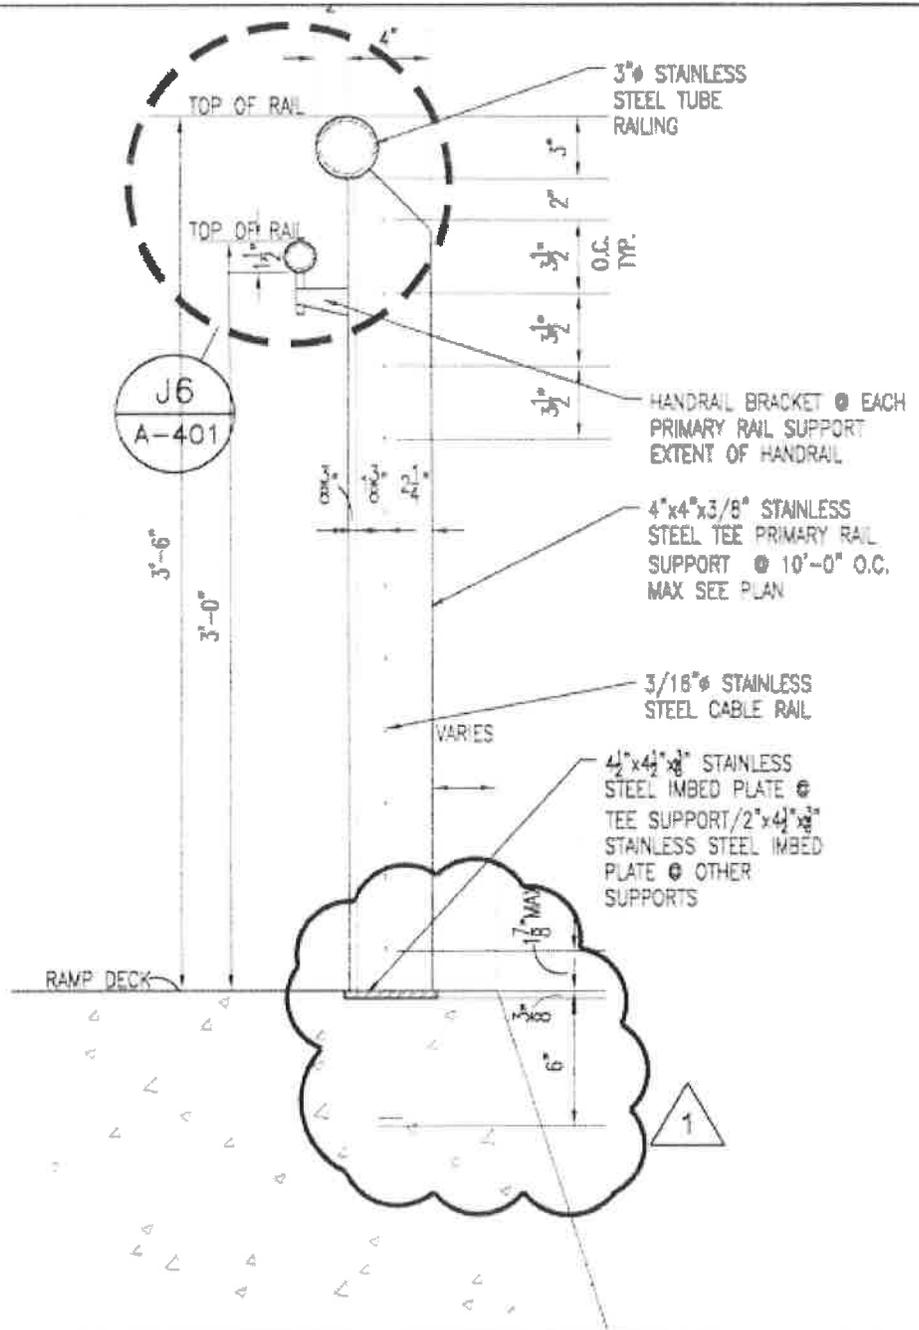

Describe in detail the role each contract team firm will play in completing the scope of work. An organization chart should be provided to demonstrate team relationships.

Provide any additional information that communicates how you intend to achieve the required outcomes and how your team may bring any unique insight or creative measures to successfully complete the projects on time and on budget.

Include a detailed project schedule for completion of the project. Include in the schedule all tasks, subtasks, and major milestones which you believe to be critical to the completion of the project.

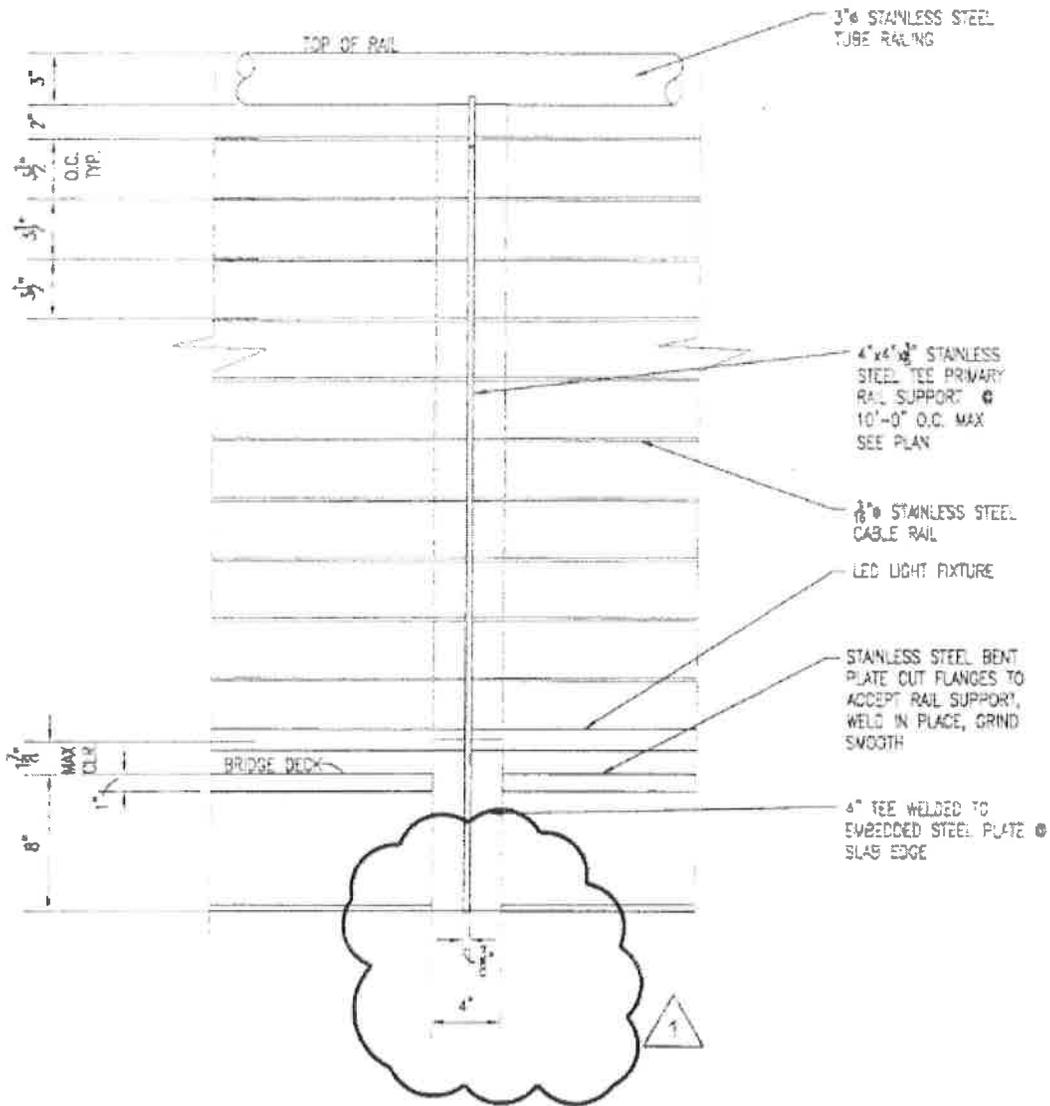

4.4 SELECTION OF FINALIST

After the review of the RFPs by the Review Committee and possibly formal presentations, the City may, at its sole option, elect to reject all Proposals or elect to pursue the project further. In the event that the City decides to pursue the project further, the City will select the highest ranked finalist to negotiate an Agreement
