INTRODUCTION

A. PURPOSE OF THIS REQUEST FOR PROPOSALS

The purpose of the Request for Proposal (RFP) is to solicit sealed proposals to establish a contract through competitive negotiations for the procurement of direct youth services/Restorative Justice Program for the FY22-FY24. The contract term will be three years, one year with three one-year renewals. Actual contract date will be dependent upon the City of Raton obtaining approval from CYFD to subcontract these services.

B. BACKGROUND INFORMATION

The City of Raton is the fiscal agent for the grant funding received from CYFD. The goal of the grant is to improve the Juvenile Justice System and decrease the incidences of juvenile delinquency in the community while increasing the emphasis on prevention and early intervention in juvenile justice services. The objective is to provide a continuum of cost-effective services and temporary, non-secure alternatives to detention in the City of Raton, Colfax County and Union County for youth who have been arrested or referred to the juvenile probation office. To meet this objective, the City of Raton employs a part-time Continuum Coordinator and has a Community Advisory Board who oversee the programs. The City of Raton, contingent upon CYFD funding, agrees to Sub-Contract with a Sub-Contractor to provide the direct youth services through the Restorative Justice Program.

“Restorative Justice is a Program to address the needs and roles of victims of crime, offenders, and communities, rather than the legalistic system that holds offenders purely in relation to violation of the state and law. Restorative Justice will also allow program services to Public Schools in Colfax and Union Counties with a Referral completed for the need of a Restorative Justice Circle as referred on the Referral.

Victim needs include a sense of increased involvement and empowerment with the criminal justice process, including learning the facts contributing (to) the crime and allowing healing through the telling of their story.

Offender needs center around having the offender empathize with the victim and take responsibility for their actions. The community is involved as a 'secondary victim' and is encouraged to have their voices heard, while also contributing to how a safer, healthier community can be achieved.

Restorative justice has three pillars: (1) focusing the harm and resulting needs primarily of the victim, but also the community and offender, (2) the obligations of the offender or referral to repair the harm as best as possible, and (3) the engagement or participation of all these stakeholders in the justice process.”

C. SCOPE OF PROCURMENT

Minimum proposed services should include:

- The Sub-Contractor will work with the Continuum Coordinator who is independent from the Sub-Contractor and hired by the City of Raton to ensure compliance with all program requirements and to coordinate with the Sub-Contractor's Restorative Justice Facilitator(s).

- The total amount of the monies payable to the Sub-Contractor under this agreement shall not exceed Restorative Justice in the amount of \$19,800.00 per FY22, FY23, FY24 a total of \$59,400.00. The local matching funds may consist of money, land, equipment, of in-kind services to be reported to the Continuum Coordinator every month with monthly invoicing by the Subcontractor. The Agency discourages exceptions from the contract terms and conditions. Such exceptions may cause a proposal to be rejected as nonresponsive when, in the sole judgment of the Agency (and its evaluation team), the proposal appears to be conditioned on the exception, or correction of what is deemed to be a deficiency, or an unacceptable exception is proposed which would require a substantial proposal rewrite to correct.

Should an Offeror object to any of the terms and conditions as set forth in the RFP strongly enough to propose alternate terms and conditions despite the above, the Offeror must propose specific alternative language. The Agency may or may not accept the alternative language. General references to the Offeror's terms and conditions or attempts at complete substitutions are not acceptable to the Agency and will result in disqualification of the Offeror's proposal.

Offerors must submit with the proposal a complete set of any additional terms and conditions they expect to have included in a contract negotiated with the Agency.

16. Contract Deviations

18. Right to Waive Minor Irregularities

The Evaluation Committee reserves the right to waive minor irregularities.
