

Request for Bids

Sealed bids will be received at the City of Goodlettsville, 105 South Main Street, Goodlettsville, Tennessee 37072, attention Charlie Ballard, until 2:00 p.m. CST, on Thursday, June 25, 2015, for the following:

Drainage Repair

A mandatory site inspection must be completed by June 16, 2015, prior to bid. Contact Public Works at (615) 859-2740, option 0, to schedule. Bids submitted by person(s) or company(ies) without completing the mandatory pre-bid site inspection will be rejected.

All bids must be signed by person or persons authorized to execute the contract or service. Along with the bid, please submit a Certificate of Insurance.

Additional information is available online at www.cityofgoodlettsville.org.

Any firm attempting to influence the selection process by contacting an elected official or employee of the City of Goodlettsville shall be disqualified from this process. The City reserves the right to reject any and all submittals. The City may reject any or all of the submittals on any basis and without disclosure of a reason. The failure to make such a disclosure shall not result in accrual of any right, claim, or cause of action by any unsuccessful bidder against the City Goodlettsville.

The City shall not accept a proposal from a contractor or firm who is in default on the payment of taxes, licenses, or other outstanding monies due the City. Therefore, this bid request is void as to any person or business in default on said payments. The individual or firm awarded this project, if the City so chooses to award this project, must obtain and retain throughout the life of the project current licenses within the City, State, and other jurisdictions as required.

The City of Goodlettsville does not discriminate on the basis of age, race, sex, color, national origin, religion or disability in admission to, access to, or operation of its programs, services or activities, nor does it discriminate in its hiring, employment or purchasing practices. Contact the city manager at (615) 851-2200 with questions, concerns, complaints and with requests for ADA accommodations. Interested certified Disadvantaged Business Enterprise (DBE) firms as well as other minority-owned and women-owned firms are encouraged to respond.

Drainage Repair Specifications:

Concrete drainage structure options as outlined in the following TDOT document:
<http://www.tdot.state.tn.us/materials/fieldops/sop/5-3PrecastDrainageStructureVers1-07-11.PDF>
