### Question and Answers:

1. Q- After reviewing the recent APS RFQs I noticed that **RFQ 20-050** under Scope of Work lists both **Jackson MS Classroom Block** and **Sandia Base ES Replacement School Building** but there is a separate **RFQ 049** for just **Sandia Base Replacement School**. I wanted to confirm if this is correct?  
A- APS has issued two separate RFQs.  
RFQ 20-049 RRR is for Architectural Services – Sandia Base ES Replacement School Building  
RFQ 20-050 RRR is for Architectural Services – Jackson MS classroom block
