INVITATION

The City of Springfield Public Works Department is requesting bids for the furnishing and installation of a **Portable Hydraulic Post Driver and Puller System for the Public Works Department.**

CONDITIONS

Bidder proposes to furnish, deliver and install any and all of the supplies, services, and/or other commodities named in the Invitation, for which bidder has set prices in offering.

All products, materials, supplies and equipment offered and furnished must be new, of current manufacturer production, and must have been formally announced by the manufacturer as being commercially available as of the date of the bid opening.

Bidder guarantees and certifies that all items included in the bid meet or exceed any and all specification covering such items and agrees that if awarded a purchase order as a result of this bid, to deliver such items and services which meet or exceed the specifications.

Bidder must submit with their bid a thorough and concise Manufacturer's Warranty on the proposed equipment, printed specifications literature on the items they propose to furnish. The Bidder shall list on a separate sheet of paper any variations from, or exceptions to, the conditions and specifications of this bid. This page shall be labeled "Exception(s) to bid Conditions and Specifications," and must be attached to the bid.

Bidder shall supply one (1) service and repair manual with each applicable unit.

Bid prices must include delivery of all materials, F.O.B. to the City of Springfield Public Works Department, 2809 Clinard Drive, Springfield, Tennessee 37172 and all labor, equipment and materials to install in the service truck.

The City desires delivery and installation to be completed within 45 days from date of purchase order. Bidder agrees delivery will be completed _____ days from the date of purchase order.

Awards will be made to the lowest responsible Bidder. The quality of the items to be supplied, their conformity with the specifications, their suitability to requirements, delivery terms and guarantee clauses will be taken into consideration.

It is the policy of the City of Springfield not to discriminate on the basis of race, color, national origin, age, sex or disability in its hiring practices, or in admission to, access to, or operation of its programs, services and activities and in federal or state sponsored programs, pursuant to Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d). With regard to all aspects of the contract, contractor certifies and warrants it will comply with this policy. Any person who believes they have been discriminated against should contact Regina Holt, Title VI Coordinator, at Springfield City Hall.

Any questions may be addressed to Allan S. Ellis, PE, Director of Public Works or Jason Baggett, Public Works Operations Superintendent 615-384-2746. Office hours are Monday thru Friday, 7:30 AM to 4:30 PM.

The City reserves the right to reject any or all bids, to waive any informality in bids, to accept in whole or in part such bid or bids as may be deemed in the best interest of the City.

SPOECIFICATIONS

HYDRAULIC POST DRIVER AND PULLER SYSTEM

SCOPE: This specification describes a premium hydraulic post driver and puller system. This system is capable of installing and removing post for the highway marking system in the City of Springfield.

GENERAL: All equipment furnished shall be new, unused and of the manufacturer's current production design. Bidder must accurately complete this specification sheet and include it as a portion of the bid response. Failure to accurately complete and submit this form shall be grounds for rejection. Bidder shall complete every space, in the specification's bidder's proposal column, with a check mark to indicate if the item being bid is exactly as specified. Any deviation shall be listed on a separate sheet. All items listed in the manufacturer's literature as standard equipment shall be furnished. The equipment shall conform to ANSI Safety Standards.

EXCEPTIONS TO SPECIFICATIONS: Any variations from the requirements of this specification and/or specifications made part of the bid invitation must be noted on a separate sheet of paper and submitted with your bid. Failure on the part of the bidder to comply with any and all requirements and conditions of this shall subject the bid to rejection. If no exceptions or deviations are shown, the bidder will be required to furnish material exactly as specified or provide a list of exceptions. The burden of proof for compliance with this specification shall be the responsibility of the vendor. Bidder will be responsible for supplying a unit that meets the below listed requirements.

DELIVERY: The system shall be delivered F.O.B to City of Springfield Public Works, Springfield, TN within delivery period as designated by the contractual document.

HYDRAULIC POWER PACK

GENERAL: New and Unused Hydraulic power pack gasoline powered designed to operate all Accessories in the post puller and driver system with low cost and durability. Power pack will be body mounted on a chassis provided by the City of Springfield Street Department.

Detailed Specifications:

IRAN DIVESTMENT ACT NOTICE

Tenn. Code Ann. § 12-12-106 requires the chief procurement officer to publish, using credible information freely available to the public, a list of persons it determines engage in investment activities in Iran, as described in § 12-12-105.

For these purposes, the State intends to use the attached list of “Entities determined to be non-responsive bidders/offers pursuant to the New York State Iran Divestment Act of 2012.”

While inclusion on this list would make a person ineligible to contract with the state of Tennessee, if a person ceases its engagement in investment activities in Iran, it may be removed from the list.

If you feel as though you have been erroneously included on this list please contact the Central Procurement Office at CPO.Website@tn.gov.

List Date: July 27, 2018
