This scope reduction will be enacted only if it is in the best interest of the City and constitutes no guarantee of scope.

The City also reserves the right to add to the contract any future work or purchased goods, with the agreement of the supplier, at prices offered in this awarded response. This option will be enacted during the contract or within six months subsequent to the end of the contract, if in the best interest of the City and with the agreement of both parties.

3.3.2. RESPONSES

In responding to a RFP, ALL item numbers with appropriate formatting must show some type of acknowledgment in order for the response to be properly evaluated. Failure to respond to all specification criteria items when requested may be deemed as sufficient reason to reject a submission. If response forms are not provided for all specification

detail items, any non-compliance must be clearly marked, detailed and included with the response submittal. Any items not identified shall be deemed as in compliance. Suppliers must: 1) complete any/all required forms; 2) indicate any disagreement on each mandatory requirement and, if requested, provide additional information on how the specifications will be exceeded or not met; and 3) provide complete and detailed responses to any and all non-mandatory requirement that can be fulfilled.

3.3.10. MINIMUM ACCEPTANCE PERIOD

Responses shall be valid and may not be withdrawn for a minimum period of 90 days from the date specified for receipt. Suppliers will be asked for an 'expiration date' for their response, when exceptions are appropriate. This does not impact the contract price once awarded.

If the Supplier neglects, fails or refuses to complete the work within the mutually agreed time specified, the City may impose liquidated damages for each day of non-compliance past the scheduled completion date. SUPPLIER REGISTRATION

Supplier Registration with the City Of Griffin consists of the following:

The City of Griffin now has online self-service registration, via Vendor Registry. In order to be registered as a City of Griffin supplier, you must access the registration via the City's site. This will give you the opportunity to keep your information accurate and current. It also permits unlimited NIGP commodity codes, allowing for notifications based on your specific business criteria. In addition to the visibility to the City, this service will allow for other agencies in our area to have visibility of your company and it will allow you to have visibility of opportunities from other agencies in our area. There is no charge for this basic service, but you do have the option to automatically expand your visibility to other areas for a small fee to Vendor Registry at any time.

TO REGISTER:

- ✓ Please visit our website at www.cityofgriffin.com
- ✓ Select "Resources"
- ✓ Select "Register my Business with the City"
- ✓ Complete your registration by following the instructions provided
 - Two documents (forms included below) will be required to be **uploaded online** before your registration is complete. They are:
 - **Supplier Affidavit** – This document is also referred to as the E-Verify affidavit and has been updated to reflect new laws that have recently gone into effect. An E-Verify (EV) number is REQUIRED by the State of Georgia (OCGA § 13-10-91) if you provide labor or services to the City that is valued in excess of \$2,499.99. In addition to the EV number and signature, the affidavit must be notarized. If you are a sole proprietor or your company provides only products, simply initial the statement that applies to your situation and sign. **There is no need to notarize the affidavit unless you provide your EV number.**
 - **W-9** – This document supplies the Employer Identification Number (EIN) or the Social Security (SS) number of the supplier.

Note: *If you have problems getting registered, Vendor Registry is available to answer questions and help get you registered; they can be reached toll-free at (865) 777-4337. The City is also available to help.*

If you are registered on Vendor Registry with another agency other than City of Griffin, you can 'piggyback' off of your existing profile to create a profile for Griffin. Contact Vendor Registry or our Procurement office for help in creating this new record.
