1. All terms, conditions and dates remain the same as posted in the RFQ document.

Below are questions submitted via email within the approved time allotted.

**Question:** Could you please advise which insurance products would be included in this process (health, dental, vision, life, disability, retirement, etc.)?

**Answer:** All but retirement, Dawson County's medical and dental plans are both insured. Current supplemental health plans offered are, but not limited to, voluntary life, short term and long term disability, cancer, accident, critical illness, hospital, specific health event, all paid by the insured County employee.

**Question:** Will any of the benefits be employer paid or voluntary only for employees?

**Answer:** There is a mix of both, Dawson County's medical and dental plans are both insured. Current supplemental health plans offered are, but not limited to, voluntary life, short term and long term disability, cancer, accident, critical illness, hospital, specific health event, all paid by the insured County employee.

**Question:** Should Section 125 and Flexible Spending Plans be included?

**Answer:** Yes
