SECTION 2 - INSTRUCTIONS

1) COMMUNICATIONS

In an effort to create a more competitive and unbiased procurement process, the County has established a single point of contact throughout the procurement process. From the issue date of this RFP, until a successful Offeror(s) is selected, all requests for clarification or additional information regarding this RFP or contacts with County personnel concerning this RFP or the evaluation process must be solely to the Purchasing Contact (or his designee) listed on the cover page of this RFP.

The Offeror, including any person affiliated with or in any way related to the Offeror, is strictly prohibited from any contact with members of the Board of County Commission or County staff on any matter having to do in any respect with this RFP other than outlined herein. Questions and requests for information regarding this RFP, site visits or other requirements shall be presented to the County as prescribed in this RFP. Failure by any Offeror to adhere to this prohibition may, at the sole discretion of the County, result in disqualification and rejection of any proposal. Offerors shall have no claim against the County for failure to obtain information made available by the County which the Offeror could have remedied through the exercise of due diligence.

2) PRE-RESPONSE INFORMATION AND QUESTIONS

Each response that is timely received will be evaluated on its merit and completeness of all requested information. In preparing responses, Offerors are advised to rely only upon the contents of this RFP, its accompanying documents and any written clarifications or addenda issued by the County. If an Offeror finds a discrepancy, error, or omission in the RFP package, or requires any written addendum thereto, the Offeror is requested to notify the Purchasing Contact noted on the cover of this RFP, so that written clarification may be sent to all prospective Offerors. All questions must be submitted in writing to the Purchasing Contact only before the Pre-Response Question Deadline indicated on the front of this document.

The County is not responsible for any oral instructions.

3) RFP MODIFICATIONS

Clarifications, modifications, or amendments may be made to the RFP at any time prior to the Response Deadline at the discretion of the County. Potential Offerors must return the **mandatory** "Notice of Intent to Propose" Form (Appendix A) in order to submit a proposal. This form may be hand-delivered, returned by facsimile, electronic mail, registered mail, certified mail, or any other type of carrier by the deadline stated. This is to ensure your firm is placed on the Procurement Distribution List to be notified of any change or amendments to the RFP documents, and written answers to inquiries.

4) PRE-PROPOSAL CONFERENCE

The date, time and location of the meeting (if any) are indicated on the Sequence of Events (page 2) this RFP. All Offerors are strongly encouraged to attend any scheduled meetings.

5) RESPONSE SUBMISSION

- a. Responses must be prepared in the manner and detail specified in this RFP. Responses must be submitted and addressed to the Purchasing Contact listed on the cover page of this document on or before the date and time indicated as the deadline. It is each Offeror's responsibility to ensure that the Purchasing Contact receives its response prior to the deadline. This responsibility rests entirely with the Offeror, regardless of delays. Responses will be accepted at any time during the normal course of business only, said hours being 8:00 a.m. to 5:00 p.m. local time, Monday through Friday, except for legal holidays.
- b. Responses received after the above deadline will not be accepted. The County's Purchasing Contact timestamp shall be the official time. The opening and receipt of an emailed Response does not constitute the County's acceptance of the Offeror as a responsive and responsible Offeror.
- c. Submission of a Response establishes a conclusive presumption that the Offeror is thoroughly familiar with the RFP and specifications and terms of the Sample Contract, and the County's Procurement Policy and that the Offeror understands and agrees to abide by each and all of the stipulations and requirements contained therein.
- d. All prices and notations if applicable must be typed or printed in ink. No erasures are permitted. Mistakes may be crossed out and the person(s) signing the Response must initial corrections in ink. Responses sent by telegraph, facsimile, or electronic mail will not be considered.
- e. All costs incurred in the preparation and presentations of the Response, as well as any resulting contract, are the Offeror's sole responsibility; no such costs will be reimbursed to any Offeror. All documentation submitted with the Response will become the property of the County.
- f. Responses are subject to public disclosure after the award in accordance with state law under the Freedom of Information Act (FOIA).

6) RESPONSE SIGNATURES

An authorized official must sign the Responses. Each signature represents binding commitment upon the Offeror to provide the goods and/or services offered to the County if the Offeror is determined to be the most responsive and responsible Offeror.

7) CONTRACT AWARD

The County reserves the right to withdraw the RFP, to award to one Offeror, to any combination of Offerors, by item, group of items, or total RFP. The County may waive informalities if it is in the County's interest. The award shall be made to the responsive and responsible Offeror whose proposal is the most advantageous to the County taking into consideration the evaluation factors set forth in the RFP. Qualifications-based proposals are based on Offerors' qualifications to perform the required scope of work. Responses will be evaluated and assigned scores. The Offeror(s) to whom the recommendation to award is made will be notified at the earliest possible date. The County will then negotiate a contract with the top ranked Offeror for a firm fixed price agreeable to both parties.

Award of this RFP is contingent upon the availability of funds, within the sole discretion of the County. Acceptance of the Offeror's RFP does not constitute a binding contract. There is no contract until the County's policies have been fulfilled. The County is not liable for performance costs until the successful Offeror has been given a fully executed contract. Failure to accept the terms and conditions of the County's Standard Contract may deem the Offeror non-responsive.

8) RESPONSE MODIFICATIONS

Clarifications, modifications, or amendments to any Response that has been submitted, but prior to the Response Deadline Date, may be made only within the discretion and written approval of the Chief Procurement Officer.

9) DUPLICATE RESPONSES

No more than one (1) Response from any Offeror, including its subsidiaries, affiliated companies and franchisees will be considered by the County. In the event multiple Responses are submitted in violation of this provision, the County will have the right to determine which Response will be considered, or at its sole option, reject all such multiple Responses.

10) WITHDRAWAL

Responses may only be withdrawn by written notice prior to the Deadline date set for the opening of Response. No Response may be withdrawn after the deadline for submission.

11) REJECTION

The County reserves the right to reject any or all Responses, or to accept or reject any Response in part, and to waive any minor informality or irregularity in Responses received, if it is determined by the Chief Procurement Officer or designee that the best interest of the County will be served by doing so. The County may reject any Response from any person, firm or corporation in arrears or in default to the County on any contract, debt, or other obligation, or if the Offeror is debarred by the County from consideration for a contract award, or if Offeror has committed a violation of the ethics or anti-kickback provisions of the County's Procurement Policy which resulted in a termination of a contract or other material sanction within the two (2) years immediately preceding the date of issuance of this document.

12) PROCUREMENT POLICY

Procurement for the County will be handled in a manner providing fair opportunity to all businesses. This will be accomplished without abrogation or sacrifice of quality and as determined to be in the best interest of the County. The Chief Procurement Officer has the vested authority to execute all County contracts, subject to Board approval where required.

13) COMPLIANCE WITH LAWS

The Offeror must comply with all federal, state, and local laws and policies. The laws of the State of New Mexico shall govern this procurement and any agreement with Offerors that may result. In submitting a proposal, the Offeror represents that the Offeror has familiarized himself with the nature and extent of the RFP dealing with federal, state, and local requirements that are part of this RFP. The successful Offeror(s) shall perform work under the resultant Contract in strict accordance with the latest version of all State and local codes, ordinances, and regulations governing the work involved. All materials and labor necessary to comply with the rules, regulations and ordinances shall be provided by the successful Offeror(s). In the event of a conflict between various codes and standards, the more stringent shall apply.

14) CONFIDENTIALITY

It is understood by the Offeror and the County, that the County is a New Mexico local public body and, as such, is subject to the provisions of the New Mexico Inspection of Public Records Act, Section 14-2-1 through 14-2-12 NMSA 1978 and the Public Records Act, Chapter 14 Article 3 NMSA 1978. In the event Offeror has responded to a County RFP and marked all or any part of the information submitted as "Confidential Information" or as "Proprietary Information," the County agrees to notify Offeror of any third-party request for any rates, terms, compensation amounts, or other information documented in the Purchase Order, Agreement, or Contract. To the extent Offeror provides the County with written direction to withhold such requested Confidential Information or Proprietary Information and litigation results, Offeror agrees that the action would be brought in a New Mexico court of competent jurisdiction under New Mexico law. Offeror, being aware of said facts, agrees to provide legal counsel on

behalf of the County in any such litigation and shall bear the complete cost of litigation, including attorney fees and court costs. If Offeror fails or refuses to provide legal counsel at its expense within ten (10) calendar days after written notification, as aforesaid, such failure may result in the County agreeing to release the Purchase Order, Agreement, or Contract or any portion thereof which is relevant to the denied request. Confidential data are normally restricted to confidential financial information concerning the Offeror's organization and data that qualifies as a trade secret in accordance with the Uniform Trade Secrets Act, §57-3A-1 to §57-3A-7 NMSA, 1978.

15) NON-DISCRIMINATION

The County will not contract with any person or firm that discriminates against employees or applicants for employment because of any factor not related to job performance. The Offeror must comply with all federal, state and local laws and policies that prohibit discrimination in employment contracts. The Offeror must include in its subcontracts provisions that prohibit subcontractors from discriminating in their employment practices.

16) NO RESPONSE

Businesses who receive this RFP but who do not submit a Response should return a notice stating the reason(s) for not responding. Failure to return this may result in removal of the business' name from all Bidders/Offerors lists.

17) CONTRACT NEGOTIATION

All Responses must be firm for at least 120 days from the due date of the Response. If, for any reason, a contract is not executed with the selected Offeror within 30 days after notice of recommended award, then the County may recommend the next most responsive and responsible Offeror. There is no contract until the County's policies have been fulfilled.

18) DISQUALIFICATION OF OFFERORS

Any one or more of the following causes may be considered sufficient for the disqualification of an Offeror and the rejection of the Response:

- a. Evidence of collusion among Offerors.
- b. Lack of competency as revealed by either financial, experience, or equipment statements.
- c. Lack of responsibility as shown by past work.
- d. Uncompleted work under other contracts which, in the judgment of the County, might hinder or prevent the prompt completion of additional work if awarded.

19) DISCUSSIONS

Discussions may be conducted with responsible Offerors, in order to clarify and assure full understanding of, and conformance to, the solicitation requirements. Discussions may be conducted with Offerors who submit Responses determined to be reasonably susceptible of being elected for award, but Responses may be accepted without such discussions. Offerors shall be accorded fair and equal treatment with respect to any opportunity for discussions and revisions of Responses. Such revisions may be permitted after submission and prior to award for the purpose of obtaining best and final offers. If during discussions there is a need for any substantial clarification of or change in the RFP, the RFP shall be amended to incorporate such clarification or change. The Offeror shall reduce any substantial oral clarification of a Response to writing.

20) SUBCONTRACTORS

In an effort to promote supplier diversity, the County encourages Offerors to identify and include qualified disadvantaged businesses as subcontractors when proposing to provide products and services to the County. The Contract will not be assignable to any other business entity without the County's approval.

21) OFFEROR RESPONSIBILITIES

The Offeror must be capable of providing all services as described under SECTION 3 and to maintain those capabilities until notification of the fact that their Response was unsuccessful. Exclusion of any service for this Response may serve as cause for rejection. The Successful Offeror must remain capable of providing all services as described under SECTION 3 and must maintain those capabilities until the agreement is successfully finished. The successful Offeror will be responsible for all services in this Response whether they are provided or performed by the Successful Offeror or Subcontractor(s). The County will consider the Successful Offeror to be the sole point of contact with regard to contractual matters, including payment of any and all charges resulting from the cost of any contract. The Successful Offeror must identify all Subcontractors and the Services they provide. The Successful Offeror is responsible for all payments and liabilities of all Subcontractor(s). The County reserves the right to approve or reject, in writing, any proposed Subcontractor. If the County rejects any proposed Subcontractor in writing, the Successful Offeror shall be responsible to assume the proposed Subcontractor's responsibilities. The Successful Offeror may propose another Subcontractor if it does not jeopardize the effectiveness or efficiency of the contract. Nothing contained in the Response or in the contract shall create or be construed as creating any contractual relationship between any Subcontractor and the County.

22) COUNTY PARTICIPATION

The County will provide appropriate personnel support for implementation of these agreements. The Offeror's Response should identify any County Full-Time Employees required and tasks to be performed by County personnel. For the purpose of contract

administration, the County will designate a person to serve as County Contract Manager. The County Contract Manager will serve as the primary liaison between the County and the Successful Offeror and will coordinate overall management and administration of the contract for the County.

23) DISCLOSURE OF CONTENTS

All information provided in the response shall be held in confidence and shall not be revealed or discussed with competitors, until after award of the contract except as provided by law or court decision. All material submitted with the Response becomes the property of the County and may be returned only at the County's option.

Offerors must make no other distribution of their Responses other than authorized by this RFP. An Offeror who shares cost information contained in its Response with other County personnel or competing Offeror personnel shall be subject to disqualification. Offerors shall not be provided any information about other Responses or prices or where the Offeror stands in relation to others at any time during the evaluation process. Any request for such information by an Offeror, its subcontractor or an affiliated party may be viewed as a compromise to the evaluation process and the requesting Offeror may be eliminated from further consideration.

24) PROPOSAL EVALUATION AND PRESENTATIONS

An evaluation committee will perform the evaluation of proposals. Points will be allocated by each member. Each member's point totals will be translated into a numeric ranking of all proposals. The individual member rankings will be totaled together to determine the overall ranking of proposals.

It is at the discretion of the Evaluation Committee to hold interviews with the three highest-ranked proposals. The Evaluation Committee may award the selection based on the results of the ranking without interviews. If fewer than three proposals are received the Evaluation Committee may recommend an award to the Governing Body for approval or direct that the RFP be reissued.

During this time, the County may initiate discussions with Offerors who submit responsive, or potentially responsive, proposals for the purpose of clarifying aspects of the proposals, but proposals may be accepted and evaluated without such discussion. Discussions SHALL NOT be initiated by the Offerors.

25) PROTESTS

Any protest by an Offeror must be timely and in conformance with Section 13-1-172 NMSA 1978 and applicable procurement regulations. Protests must be written and must include the name and address of the protestor and the RFP number. It must also contain a statement of grounds for protest including appropriate supporting exhibits, and it must specify the ruling requested from the County. The protest must be delivered to the County Manager's Office, Chief Procurement Officer, 1400 Highway 180 East, Silver City, New Mexico 88061 within twenty-four (24) hours after the facts or occurrences giving rise thereto, but in no case later than fifteen (15) calendar days after the facts or occurrences giving rise thereto. Protests received after the fifteen (15) day period deadline will not be accepted.

In the event of a timely protest under this section, the County shall not proceed further with procurement unless the Chief Procurement Officer makes a determination that the award of Agreement is necessary to protect substantial interests of the Contracting Agency (13-1-173 NMSA 1978). The Chief Procurement Officer or designee shall have the authority to take any action reasonably necessary to resolve a protest of an aggrieved Offeror concerning procurement. The Chief Procurement Officer or designee shall promptly issue a determination relating to the protest. The aggrieved Offeror has the right to judicial review of the determination pursuant to 13-1-183 NMSA 1978.

26) OFFEROR QUALIFICATIONS

The Evaluation Committee may make such investigations as necessary to determine the ability of the Offeror to adhere to the requirements specified within this RFP. The Evaluation Committee will reject the proposal of any Offeror who is not a responsible Offeror or fails to submit a responsive offer as defined in Sections 13-1-83 and 13-1-85 NMSA 1978.

27) RIGHT TO WAIVE MINOR IRREGULARITIES

The Evaluation Committee reserves the right to waive minor irregularities. The Evaluation Committee also reserves the right to waive mandatory requirements provided that all of the otherwise responsive proposals failed to meet the mandatory requirements and/or doing so does not otherwise materially affect the procurement. This right is at the sole discretion of the Evaluation Committee.

28) CHANGE IN CONTRACTOR REPRESENTATIVES

The knowledge and information of a contractor is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

The Offeror agrees that, if awarded a contract resulting from this solicitation, it will incorporate this provision for certification without modification in all lower tier subcontracts. The Contractor may rely on the certification of a prospective subcontractor that it is not a firm from a foreign country included on the list of countries that discriminate against U.S. firms as published by USTR, unless the Offeror has knowledge that the certification is erroneous.

This certification is a material representation of fact upon which reliance was placed when making an award. If it is later determined that the Contractor or subcontractor knowingly rendered an erroneous certification, the Federal Aviation Administration (FAA) may direct through the Owner cancellation of the contract or subcontract for default at no cost to the Owner or the FAA.
