3. Pre-Bid/Proposal Meeting

- 3.1 Discussions during the pre-bid/proposal meeting are informal in nature and will not be provided as meeting minutes or included in the solicitation documents. Signatures will be collected prior to the start of the meeting and may continue to be accepted for a period of 5 minutes once the meeting has begun. After the 5 minute grace period, it will be at the sole discretion of the County to allow further signatures from late arrivers. It is the responsibility of the supplier to ensure they have signed the attendance sheet in order to receive credit for attending the meeting; the County assumes no responsibility for the supplier's attendance or directions to the meeting.

4. Communication with County Representatives

- 4.1 Suppliers shall avoid engaging in communication with County staff or elected officials regarding this project, unless directed by the Procurement Agent in charge of this solicitation. Unauthorized contact may disqualify the supplier from further consideration.

5. Proposal Preparation & Submission

- 5.4 Proposals and required forms must be signed by an authorized representative of the supplier.
- 5.5 Information which the supplier desires to present but does not fall within any of the requirements of the solicitation should be inserted at the end of the bid/proposal and designated as "Additional Material".
- 5.6 It is the supplier's responsibility to ensure that the bid/proposal is responsive to all the County's requirements and complete in all aspects.
- 5.7 If physical copies are requested in the solicitation:
- a) The original bid/proposal should be clearly marked "original" and should be unbound, one-sided, 8 1/2" X 11" size. Copies, if applicable, may be bound and double sided; preference is 8 1/2" X 11",

Attn: Procurement – Upper Level Admin Building
Cherokee County Board of Commissioners
1130 Bluffs Pkwy, Canton GA 30114

e) It is the responsibility of the interested party to ensure the timely delivery of the bid or proposal. Please note; improperly addressed bids/proposals risk not being delivered to the Procurement Agent by the submission deadline and late proposals will not be accepted.

5.8 If electronic copies are requested in the solicitation, bids/proposals and all requested documentation to be provided electronically should in the Adobe Portable Document Format (PDF) unless otherwise indicated in these solicitation instructions. Documents provided in response to this solicitation are to be named according to the following naming convention:

a. [Solicitation Number]_[Vendor Name]_[Document Type]
Example: “2017-111_ABC Company_Proposal”

5.9 The bid/proposal, at a minimum, should contain all of the County's standard forms identified in the solicitation and any additional information as listed in the Submittal Instructions above; lack of such required submittals may be reason to deem a bid/proposal “non-responsive”. Such a determination by the County shall not be a cause of action by the bidder/proposer against Cherokee County.

5.10 Suppliers should use the forms requested in the solicitation and either attached hereto or as otherwise identified and provided; alternate forms may not be acceptable.

6. County's Right to Amend and/or Cancel

6.1 The County reserves the right to cancel this solicitation, in whole or in part, at any time prior to award. The issuing of this solicitation by the County is no guarantee that an award will be made.

7. Subcontractors

7.1 Suppliers whose bid/proposal will include the use of subcontractors are required to identify the scope of the project that they intend to subcontract and the subcontractor proposed to perform the work.

8. County Specifications and Supplier Performance

- 8.1 Suppliers are expected to have the professional expertise to offer the products/services that are consistent with the County's solicitation objectives and that are in the best interest of the County. Errors or omissions in the specifications or scope of work that would lead to a lower quality of service or deliverable are to be communicated to the Purchasing Agent as soon as possible to avoid an inferior work product.
- 8.2 Acceptance of designs, plans, and specifications by the County is limited to the function of determining whether there has been compliance with what is required to be produced under this Agreement. The proposing or bidding organization represents, by the submission it provides, that they possess the requisite expertise and experience to perform in accordance with the requirements within this solicitation. The County will not, and need not, inquire into adequacy, fitness, suitability or correctness of supplier's performance. No approval of designs, plans, or specifications by any person, body or agency shall relieve supplier of the responsibility for adequacy, fitness, suitability, and correctness of suppliers' work under professional and industry standards, or for performing services in accordance with sound and accepted professional and industry principals.

9. Use of Brand Names and Substitutions

- 9.1 Brand names or specifications specific to one or multiple manufacturers may have been called out or listed as part of the desired item's description in order to establish an expected level of quality and performance and not to limit competition. Different brands with comparable models or options that meet the same level of quality and performance with those items referenced within the specification are encouraged to submit these items for consideration. In order to allow the County to effectively evaluate all offerings against the actual performance needs, the party proposing alternative brands shall provide a comparison of the features and performance areas as defined in the specification. Such comparison shall clearly indicate the bidder's conformance to the specifications as follows; (a) meets, (b) exceeds, (c) does not meet or (d) meets intent (through alternative design, technology, etc.). Commentary and documentation that clearly demonstrates the level of functionality and quality is required for each comparison point. The County will be solely responsible for making the determination of acceptability of proposed products/items and scoring each item's fitness for the intended purpose.
- 9.2 It is the responsibility of those proposing any product or service to clearly identify what has been proposed on the Bid Form, including the quantity, manufacturer's name, model number, year of manufacturer, as well as a defining any options or upgrades required to meet the specification. Pricing shall reflect what is required to meet the specification. Any options that the bidder believes important for the County to consider shall be clearly identified as an option, indicate the performance change/benefit as well as corresponding pricing adjustments.
- 9.3 See Statement of Work or Solicitation Document regarding the applicability of proposing alternate items.

10. Open Records and Confidential Information

- 10.1 Bids/Proposals submitted in response to this solicitation may be subject to public inspection under the Georgia Open Records Act (O.C.G.A. 50-18-70-77). Any information that is required by the County to be included in the supplier's bid/proposal that constitutes a trade secret, as defined by the Georgia code, must include an affidavit affirmatively declaring that the information constitutes a trade secret. A general indication that the entire contents (or a major portion of the contents) of the bid/proposal is proprietary will not be honored.

11. County Assumes No Contractual Obligation

- 11.1 The County assumes no contractual obligation associated with this solicitation until final award has been approved by the Board of Commissioners and/or County Manager and a fully executed Agreement and/or Purchase Order is provided to the selected supplier. Suppliers or subcontractors performing work prior to the execution of a contract or delivery of a purchase order do so at their own risk.

12. Contractor Responsibility

- 12.1 The supplier is responsible for furnishing and delivery of all Property included in this solicitation, whether or not the supplier is the manufacturer or producer of such Property. Further, the supplier will be the sole point of contact on contractual matters, including payment of charges resulting from the use or purchase of Property.

13. Suppliers Submission Creates a Contractual Obligation

- 13.1 Submission of a response (completed, signed and returned) shall constitute an offer to provide the goods and/or services specified by the Supplier, at the prices stated in the bid/proposal, in accordance with the terms and conditions of the County's Contract and the terms and conditions of this solicitation.
- 13.2 If any exceptions are taken to any part of the solicitation or proposed contract, each exception must be stated in detail and submitted as part of the proposal document. If no exceptions are stated, it is assumed that the supplier fully agrees to the County's Standard Agreement in its entirety. The County reserves the right to reject all exceptions and award the work to a supplier who agrees to the County's terms and conditions without exceptions.

14. Tax Exemption

- 14.1 The County is exempt from the payment of any federal excise or any Georgia sales tax. The price bid/proposal must be net, exclusive of taxes.

15. Classifying Proposals as Responsive and Responsible

- 15.1 The Procurement Agent or designee will determine whether a supplier has met the standards of responsiveness and responsibility. Such determinations may be made at any time during the evaluation process and through negotiation if information surfaces that would result in a determination of non-responsibility. Proposals found nonresponsive will not be considered further.
- 15.2 The County may make such investigations as it deems necessary to determine the ability of each supplier to perform, and the supplier shall furnish to the County all such information and data for this purpose as the County may request.

16. Proposal Withdrawal

- 16.1 Unless otherwise disallowed in the solicitation or on the bid pricing form, suppliers may withdraw their bids/proposals due to unintentional errors. Proposals received prior to the due date and time may be withdrawn through formal request to the Procurement Department and signed by an authorized individual of the bidder/proposer. Once the bids/proposals have been opened, the supplier shall give notice in writing of his claim of right to withdraw his bid/proposal due to an error within two (2) business days after the date of final submission to the County. Bids/proposals may be withdrawn from consideration solely due to a clerical mistake as opposed to a judgment mistake provided that the unintentional arithmetic error or unintentional omission can be clearly shown by objective evidence drawn from inspection of original work papers, documents and material used in the preparation of the bid sought to be withdrawn. The supplier's original work papers shall be the sole acceptable evidence of error and mistake if they elect to withdraw their bid/proposal. If a bid/proposal is withdrawn under the authority of this provision, the lowest remaining responsive bid/proposal may be deemed to be low bid/proposal.
- 16.2 No bidder/proposer who is permitted to withdraw a bid shall, for compensation, supply any material or labor or perform any subcontract or other work agreement for the person or firm to whom the contract is awarded or otherwise benefit, directly or indirectly, from the performance of the project for which the withdrawn bid was submitted.

17. Opportunity for Discussion

- 17.1 Suppliers may also be requested to make an oral presentation and/or product demonstration to clarify their bid/proposal or to further define their offer. In either case, Suppliers should be prepared to send qualified personnel to the County to discuss technical and contractual aspects of the proposal. Oral presentations and product demonstrations, if requested, shall be at the supplier's expense.

18. Acceptance of Lowest Priced Proposal Not Required

18.1 The County shall select the supplier that, in its discretion, offers the most advantageous offer to the County. Selection will be based on the evaluation factors outlined in the solicitation. Submission of the lowest price offers no guarantee that the proposal will be determined the most advantageous.

19. County's Right to Reject Bids/Proposals

19.1 The County reserves the right to reject any or all bids/proposals based upon its interest or investigation or information submitted and to waive irregularities, informalities, or technicalities. The County further reserves the right to make a selection and final award as deemed to be in the best interest of the County.

20. Proposals Become County Property

20.1 All submitted bids/proposals and supporting materials as well as correspondence relating to this solicitation become property of the County when received. Any proprietary information contained in the proposal must be so indicated.

21. Suspension, Debarment and Litigation

21.1 Suppliers are expected to notify the County of any suspension or debarment from performing work for a government entity or any current or pending litigation with a government organization. Suppliers should provide the County with a list of current or past suspensions or debarments along with a description of the facts surrounding the suspension and/or debarment as well as a list of current or pending mediation, arbitration or litigation and the facts surrounding those actions. Please use the form included in this solicitation.

21.2 Suppliers are accountable for selecting and managing appropriate subcontractors. Suppliers presenting bids and proposals that include subcontractors that have been suspended, debarred or are in pending litigation, suspension or debarment or from any governmental entity (local, state and/or federal) may cause the bidding or proposing supplier to be considered non-responsive and/or non-responsible unless the primary supplier as a part of their bid or proposal:

- a) notifies the County that as a part of its bid or proposal it has selected a subcontractor or subcontractor(s) that have been suspended, debarred or are pending litigation from a government entity, or suspension or debarment, and
- b) have included the jurisdiction(s) where the subcontractor has suspended or debarred or is being considered for suspension or debarment or litigation and has included the nature of the circumstances resulting in the suspension or debarment or litigation, and
- c) states a compelling reason for including the subcontractor(s) in their bid or proposal, and

- d) includes measures that the bidding or proposing contractor will take to ensure that the subcontractor(s) will complete the work in a timely manner and within the professional standards of quality and workmanship that are expected in the performance of the work bid or proposed, and
- e) in the sole judgement of the County it considers the situation to be so compelling that it determined to be in the best interest of the County to allow the one- time use of the sub-contractor without prejudice for further consideration on future procurements.

22. Insurance

- 22.1 If insurance is required under the terms of the contract for this project, the County shall be listed as an additional insured on the Certificate of Insurance. The “Certificate Holder” shall be listed as “Cherokee County, Georgia, acting by and through its Board of Commissioners, 1130 Bluffs Pkwy, Canton, GA 30114”.

23. Americans with Disabilities Act Guidelines

- 23.1 Cherokee County adheres to the guidelines set forth in the Americans with Disabilities Act. Bidders should contact the Procurement Agent if they require special arrangements while attending meetings (if any). The County requests at least 48 hours of advance notice prior to each meeting. The Georgia Relay Center at 1-800-255-0056 (TDD Only) or 1-800-255-0135 (Voice) will relay messages, in strict confidence, for the speech and hearing impaired.

24. Local Preference

- 24.1 In addition to the state purchasing preferences mandated by O.C.G.A. § 36-84-1, Cherokee County-based businesses may be awarded a contract as the lowest responsive and responsible bidder under the circumstances specified in the Cherokee County Procurement Ordinance Sec. 2-121 – Cherokee County-based preference.

25. Procurement Ordinance and Current Documents and Forms:

- 25.1 All solicitations shall be in accordance with the County Procurement Ordinance. The Procurement Ordinance and the most current versions of approved forms and documents can be found on the County’s web site using the link to the Procurement Department.

APPENDIX “H” Requirements

PERFORMANCE AND LABOR & MATERIAL PAYMENT BONDS REQUIREMENTS

When Contractor submits Appendix “I” below, it is these requirements that they are indicating that will meet should they be awarded the project defined in this solicitation.

PERFORMANCE AND LABOR & MATERIALS PAYMENT BOND: The Contractor shall upon award furnish to Cherokee County **Performance and Labor & Material Payment Bonds** to Cherokee County Board of Commissioners, the Undersigned's surety identified above and the Undersigned agrees that upon receipt of Cherokee County Board of Commissioners Notice of Award, the Contractor will, within ten (10) days of receipt of the Notice of Award with accompanying Agreement and requirements for bonds and insurance, execute the formal Contract, and will deliver all required Bonds for the faithful performance of this Contract and such other required information, representations and insurance certificates and policies. The Undersigned further agrees that if he fails or neglects to appear or execute or deliver within the specified time to execute the Contract of which this Proposal, the Bidding Documents and the Contract Documents are a part, the Undersigned will be considered as having abandoned the Contract, and Cherokee County Board of Commissioners shall proceed to take action to review and recommend the next responsive and responsible Bid.

Requirements of this section pertain to the furnishing of valid Performance and Labor & Material Payment Bonds, each in the amount of 100% of the contract sum of the Construction Agreement between Cherokee County and the Contractor for the scope of this Bid and contract.

No contract for work to be performed for Cherokee County by the Contractor under this Bid shall be valid for any purpose unless the Contractor shall first have provided to Cherokee County the required project insurance and the Performance and Labor & Materials Payment Bond with good and sufficient surety payable to, in favor of and for the protection of Cherokee County, and must be accompanied by a letter stating the bonding company's current rating for verification prior to acceptance by Cherokee County, before execution of the contract by Cherokee County.

Surety companies executing Bonds must appear on the Treasury Department's most current list (Circular 570 as amended) and be authorized to transact business as a surety in Georgia, and shall have an A.M. Best minimum rating of “A” with a financial size of VII “7” or better. Attestation for the corporation must be by the corporate officer; for a partnership by another partner; and for an individual by a notary with the corporate seal.

The Performance and Labor & Materials Payment Bonds shall be provided only on the forms required herein of these Bidding Documents, as set forth by the Construction Agreement. No other forms shall be acceptable by Cherokee County. Failure of the Contractor to provide the required bonds in the manner and form prescribed, and within the time required, may form the basis for Cherokee County to determine that the Contractor has failed to comply with contracting conditions and to determine the Bid Proposal offer from the Contractor to be non-responsive and void, therein allowing Cherokee County to select another Contractor.

Each Bidding contractor interested in doing business with Cherokee County is advised to carefully review the Construction Agreement, and its attachments and Exhibits to prepare itself for the prompt execution of the Construction Agreement upon presentation for execution by Cherokee County in its Notice of Award, and the Contractor shall have executed and included with his Bid the Certification of Review and Acceptance of the Construction Agreement.

APPENDIX “I” Requirements

BID BOND REQUIREMENTS

THE BIDDER IS REQUIRED TO SUBMIT WITH ITS BID PROPOSAL A BID BOND, in an amount not less than five percent (5%) of the total submitted Bid. Its submission is mandatory, and is separate and apart from any requirements or acceptance of Performance and Labor & Material Payment Bond.

In order for the Bid Proposal offer to be acceptable to Cherokee County, Georgia, the Bid Proposal must also be accompanied by a signed form stating that should Cherokee County accept your Bid Proposal, Performance and Labor & Material Payment Bonds (each in an amount equal to 100% of the contract sum) shall be furnished, and that the Bidder will promptly furnish said Bonds upon written receipt of the written Notice of Award by Cherokee County.

No Bid or Bid Proposal shall be considered or determined valid and responsive by Cherokee County unless said Bid Bond form is properly signed by an authorized representative of the firm submitting the Bid Proposal offer, and is included with your Bid Proposal offer, and that the Bid or Bid Proposal is on forms required by Cherokee County.

THE REQUIRED BID BOND FORM is American Institute of Architects (AIA) form A310, most current Edition.
