Service

1. Include a price for pre-delivery configuration, shipping to 201 E. Tyler St. Dalton GA 30720.
2. Include a wireless design
3. Include a price for installation of access points with documentation of Network drops that were used when patching in, above ceiling and on walls.
4. Include any mounting hardware needed to make sure AP's that are installed on grid hang level and flush to the grid or tile.
5. If installed in tile, the weight of the AP must be supported by the grid and a safety wire attached to the mounting bracket.
6. Include two Wireless surveys.
 - a. First survey will be to provide configuration recommendations after the initial installation.
 - b. Second to be done after the recommended changes have been made to verify coverage and performance is as expected.

Other Costs

1. Include any shipping cost.
2. Include any project management costs associated with this project.
3. Travel Expenses
4. Any other hardware or expenses may be included as optional items.

Hardware Requirements

1. All hardware must be new and can not be pre-owned, Repaired, or recertified.
2. Support contracts must be through Hardware manufacture and not a 3rd party.
