Conditions:

If any of the equipment bid varies from the specifications, such variations must be submitted in writing and included with the bid package.

The City of Kingman reserves the right to waive minor variations if, in the opinion of the City of Kingman, the basic unit meets the general intent of these specifications.

The complete equipment/material bid shall not include a major component that is a prototype nature or has not been in production a sufficient length of time to demonstrate reliability.

The City of Kingman may cancel the solicitation or reject any and all offers when the cancellation or rejection is in the best interest of the City.

Substitution for Specifications:

City of Kingman

310 NORTH FOURTH STREET • KINGMAN • ARIZONA • 86401 • 928.753.5561
WWW.CITYOFKINGMAN.COM

Whenever in the specifications any materials or process is indicated or specified by patent or proprietary name and/or by name of manufacturer, such specifications shall be deemed to be used for the purpose of facilitating descriptions of the material and/or process desired and shall be deemed to be followed with the words “or equivalent.” The bidder may offer any material(s) or process(es) which shall be equal in every respect to that so indicated or specified provided, however, that if the material(s), process(es) or article(s) delivered by the bidder must furnish the material(s), process(es) or article(s) specified, or one that, in the opinion of the City of Kingman, is equal.

Exceptions to Specifications:

The fact that manufacturers choose not to produce equipment or materials to meet these specifications will not be considered sufficient cause to adjudge these specifications as restrictive. Bidders shall offer the equipment that comes closest to meeting these specifications. The bidder shall note where deviations from specifications are necessary.

Warranty:

Bidder shall state on the Bid Sheet the conditions and durations of the warranty being offered and include pertinent information in detail on an attachment to the bid. For bidding purposes, only standard warranty coverages will be considered. Additional warranty coverages may be offered at the time of the bid, but will not be considered as part of the bid and shall not be included in any bid prices.
