**Specifications
Concrete Sidewalk Grinding
The City of Chattanooga**

The City of Chattanooga is requesting bids for concrete grinding of sidewalks in various locations across the City.

Description

This special provision describes grinding concrete sidewalks to remove trip hazards.

Materials

Perform grinding using dry, vertical carbide grinding equipment that will leave a non-slip surface. Grinding can also be performed by saw cutting with flush mounted diamond-tipped blades capable of horizontal cutting to remove the concrete completely to all edges of the walk.

Construction

Perform grinding so that the sidewalk surface has essentially the same or slightly rougher texture adjacent to either side of the joint or crack. Ground surfaces will not be smooth or polished and have a coefficient of friction of not less than 0.30.

Perform grinding so that the finished grind has a rectangular appearance consisting of a straight back line with no stray grinding marks. The adjacent concrete will remain untouched by the grinding process without scars or damage.

To finished slope will be a maximum of 8:1 per attached details.

The City will provide a list of the job site addresses.

Measurement

The City will measure grinding by the number of lineal foot. Each unit shall consist of a grind to the entire width of the sidewalk up to a maximum of five (5) feet across and up to a maximum of two (2) inches high. Grinds over five (5) feet shall be paid at the lineal foot.

Affirmative Action Plan

The City of Chattanooga is an equal opportunity employer and during the performance of this Contract, the Contractor agrees to abide by the equal opportunity goals of the City of Chattanooga as follows:

1. The Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, national origin, or handicap. The Contractor will take affirmative action to ensure that applicants are employed, and the employees are treated during employment without regard to their race, color, religion, sex, national origin, or handicap. Such action shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay, or other forms of compensation, and selection for training, including apprenticeship. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.
2. The Contractor will, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, or handicap.
3. The Contractor will send to each labor union or representative of workers with which he/she has a collective bargaining agreement or other contract or understanding, a notice advising the said labor union or workers' representatives of the Contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
4. In all construction contracts or subcontracts in excess of \$10,000 to be performed for the City of Chattanooga, any contractor and/or subcontractor is further required to file in duplicate within ten (10) days of being notified that it is the lowest responsible bidder, an affirmative action plan with the EEO Director of the City of Chattanooga. This plan shall state the Contractor's goals for minority and women utilization as a percentage of the work force on this project.
5. This Plan or any attachments thereto shall further provide a list of all employees annotated by job function, race, and sex who are expected to be utilized on this project. This plan or attachment thereto shall further describe the methods by which the Contractor or Subcontractor will utilize to make good faith efforts at providing employment opportunities for minorities and women.

During the term of this contract, the Contractor upon request of the City, will make available for inspection by the City of Chattanooga copies of payroll records, personnel documents and similar records or documents that may be used to verify the Contractor's compliance with these Equal Opportunity provisions.

6. The Contractor will include the portion of the sentence immediately preceding paragraph 1 and the provisions of paragraphs 1 through 6 in every subcontract so that such provisions will be requested of each subcontractor. The Contractor agrees to notify the City of Chattanooga of any subcontractor who refuses or fails to comply with these equal opportunity provisions.
