3. **Seal-Flex CR-5** (Pre-Approved Equivalent – May 28, 2019)
4. **Hellas V300 epiQ Tracks System** (Pre-Approved Equivalent – May 29, 2019)
5. **Synthetic Surface – Stobitan SW** (Pre-Approved Equivalent – May 31, 2019)
6. **Synthetic Surface – Stobitan SC** (Pre-Approved Equivalent – May 31, 2019)

Additional clarification:

- Construction start date will commence as soon as possible after Board of Education approval of the bid. The Board of Education meeting is June 20, 2019. Construction may commence on June 21, 2019 with notice to proceed
- Substantial completion date is August 9, 2019 which does not have to include final striping, but does need to be able to take foot traffic after final surface application.
