

RFP 2308 Wireless Access Point Upgrade

ADDENDUM 1 November 30th, 2022

This addendum is to post the following updates:

Additional details about what this bid pricing should reflect:

1. The bid pricing should include a price per 10 ft. Cable wire pulls to the Access Point. Also, the cost per Access point to stage, physically install, patch, test, and configure. The cost of the equipment Fortinet equipment should not be included because it will be purchased using the SC State Contract pricing.
