

## **GENERAL SPECIFICATIONS**

The following specifications are intended to serve as general guidelines to obtain bids on comparable work. It is the intent of these specifications to describe work that we feel best meets our requirements. These specifications are to be considered minimum specifications unless stated otherwise. The work will include all necessary labor and equipment and shall be furnished and delivered complete and ready for immediate use. The work shall be equal to or exceed the following specifications, and shall conform to all safety and OSHA regulations. All items not specifically mentioned which are necessary to provide a complete job shall be included in the bid and shall conform in strength, quality of material, and workmanship to what is usually provided by the manufacturer and generally accepted by industry.

The supplier shall describe in detail those areas where their work does not comply with these specifications. Any alternate material deviating from the specifications must be noted with the bid proposal. Deviations that may or may not be considered informalities in bidding. Deviations that may or may not be accepted by the City shall also be described in detail. Failure to do so may result in disqualification of the bid.

The City reserves the sole discretion in determining the best and most qualified bid. The decision to purchase will be based on price, performance, work history, availability of service, equipment warranty (if any), evaluation of quality, past operating experience and delivery date.

The City of Antigo reserves the right to reject any and all bids, and determine the choice of vendor in the best interests of the City after considering those criteria mentioned in the preceding paragraph.

Should the bidder fail to make delivery as specified on the proposal sheet, there shall be deducted from his contract payment, the sum of one hundred dollars (\$100.00) per day for each calendar day that the delivery is late. This sum shall be considered as fixed, agreed, and liquidated damages due the City of Antigo from the bidder, by reason of inconvenience to the public and City of Antigo. In case of a strike, of which the bidder has no control, the City will waive this liquidation damage for only the actual number of strike days. This shall in no way operate as a waiver on the City of Antigo of any rights under the contract.

**Warranty – One year warranty on material and workmanship.**

## **Insurance**

The Clerk-Treasurer's office shall receive a **Certificate of Insurance listing the City of Antigo as an additional insured.**

The General Liability coverage limits must be at least \$1,000,000 for the following categories: General Aggregate and Each Occurrence.

The Automobile Liability coverage limit must be at least \$1,000,000 in the combined single limit category.

The City requires a \$1,000,000 liability policy plus automobile liability, worker's compensation, and professional liability (as applicable) for any vendor that is doing work for the City. This can include working on vehicles, servicing a building, replacing mats, etc. In addition to the liability limits, the
