PURPOSE OF THIS REQUEST FOR PROPOSAL

The purpose of the Request for Proposal (RFP) is to solicit sealed proposals to establish a contract through competitive negotiations for the procurement of legal services.

Scope of Services

Albuquerque Public Schools (APS) is seeking responses to this request for proposal (RFP) from qualified attorneys, external to the District, to perform legal services on behalf of APS upon request.

Services to be provided:

The range of activities conducted by the school district is large and complex. APS does not have an internal staff at the present time. The successful firms(s) must be available and prepared to be contacted daily on a significant number of unrelated issues in a wide variety of areas. A prompt and timely response whether verbal or by written opinion is essential. Counsel will be expected to advise appropriate APS personnel as to potential problem areas, the impact of new legislation or any similar issue that may require attention.

In capacity as counsel to the Board of Education, the successful firm(s) will advise on various open-meeting matters. Public Board meetings are regularly scheduled on the first and third Wednesday of each month with other meetings held as necessary. Attendance may or may not be required. Such issues as the superintendent's contract negotiations, matters involving the State Department of Education and the State School Board are typical. Appearances before legislative committees, lobbying or involvement with other legislative and intergovernmental relations may also be required. It is preferred that at least one attorney within the firm be assigned as the primary contact. Other attorneys may be involved as back up or representing specific expertise as necessary, but at least one person will be the primary contact with overall knowledge of the status of all APS matters. In the event that multiple awards are made, it will be imperative that the various firms interface as necessary with no conflict of interest. This analysis shall provide the initial evaluation of the case, including a brief synopsis of the facts to include any exposure in the case, identification of strengths and weaknesses, damages, plaintiff's injuries and similar. Counsel shall also provide an initial impression of liability and identify the pertinent statutes and the case law expected to affect the outcome of the litigation including any precedent setting issue.

Counsel shall identify any additional information or documentation needed to disprove the plaintiff's claims or to establish defense. Depending upon the nature of the case, such information gathering shall be done by the APS' Staff and/or their designated claim representative whenever possible. Counsel shall identify the anticipated course of action and the prospect for success including the timing of discovery, filing of motions, negotiations or other objections. APS must be cognizant of the facts or elements that must be proven or disproved and the advantage to be gained by use of such tactics.

Counsel will provide and estimate of the anticipated cost of each significant aspect of the litigation including pleading, discovery, pre-trial conferences, arbitration, trial and/or other identified stage. This will also include a breakdown of fees and expenses reasonably or customarily expected to be incurred, the number of hours expected to be expended together with the hourly contract rates for each partner, associate or paralegal assigned.

APS or its designated representatives will be consulted prior to the engagement of any expert witness or authority. Reimbursement for fees and costs of such experts is subject to APS prior approval. Monthly or quarterly meeting will be held with the assigned law firm for the purpose of reviewing and updating all pending legal actions.

The estimate of trial expenses must be realistic so as to allow the school district to provide for anticipated expenses, accurately evaluate settlement offers and to avoid incurring excessive defense costs.

Counsel shall promptly provide copies of all correspondence and pleadings to APS or its designated representatives and will keep APS fully advised of the progress in each case. Evaluations will be prepared as deemed necessary to disclose any changes in applicable statutes or case law, increase or decrease in costs and the potential liability and settlement value of the case. Within ninety (90) days following the termination of each lawsuit or other course of action such as arbitration or mediation, APS will review each file to determine compliance within these guidelines, strategy and budget development of the case. If appropriate, a meeting will be arranged to discuss perceived problems and/or ways to improve the defense of APS claims.

Counsel shall not settle any lawsuit or make any settlement offer in any amount without prior authorization of APS. All settlement offers will be communicated to APS whether the offers are verbal or written.

At the conclusion of all trials or legal action of consequence, a brief summary trial report shall be directed to APS outlining the trial results as well as any appellate activity that might be anticipated from the plaintiff or considered advisable on the part of APS.
