This amount is a maximum and not a guarantee that the work assigned to be performed by Contractor under this Agreement shall equal the amount stated herein. The parties do not intend for the Contractor to continue to provide services without compensation when the total compensation amount is reached. Contractor is responsible for notifying the County when the services provided under this Agreement reach the total compensation amount. In no event will the Contractor be paid for services provided in excess of the total compensation amount without this Agreement being amended in writing prior to those services in excess of the total compensation amount being provided.

B. Payment is subject to availability of funds pursuant to the Appropriations Paragraph set forth below and to any negotiations between the parties from year to year pursuant to Paragraph 1, Scope of Work. All invoices **MUST BE** received by the County no later than fifteen (15) days after the termination of the Fiscal Year in which the services were delivered. Invoices received after such date **WILL NOT BE PAID**.

C. Contractor must submit a detailed statement accounting for all services performed and expenses incurred. If the County finds that the services are not acceptable, within thirty days after the date of receipt of written notice from the Contractor that payment is requested, it shall

In addition, if any third party obtains a judgment against the County of Valencia based upon the contractor's trade secret infringement relating to any product or service provided under this agreement, the contractor agrees to reimburse the County of Valencia for all costs, attorneys' fees and the amount of the judgment.
