

Bid Specifications

The scope of work shall consist of supplying a minimum of one (1) of the specified equipment to Daphne Utilities. Selection criteria will not be solely based on price. Daphne Utilities will consider a variety of factors such as fuel, options, reliability, availability, etc. to select brands that meet our needs. The following specifications are meant to be general guidelines for submissions. **If you have equipment that meets most of the specifications, submit the equipment for consideration.**

Tracked Lift

| | | |
|------------|-----------------------------------|----------------------------|
| ENGINE | Power Option | Gas or Diesel Dual Fuel |
| PLATFORM | Max Platform Height | 40' 0" |
| | Max Horizontal Reach | 32 |
