It is mutually agreed that the Bidder has made the examinations, investigations and test required herein and has made provisions as to the cost in his bid.
3. **MATERIALS:** Unless otherwise stated, all materials shall be new and both workmanship and materials shall be of good quality.
4. **CORRECTION OF WORK AFTER FINAL PAYMENT:** Final payment shall not relieve the vendor of responsibility for faulty materials or workmanship and the vendor shall promptly remedy any defects due thereto.
5. **PERFORMANCE OF CONTRACT:** The vendor shall comply with all laws, ordinances, rules regulations and specifications that have a bearing on this contract.
6. **OPERATIONAL INSTRUCTION:** The bidder shall supply with their bid the latest printed specifications and advertising literature on the unit (s) they propose to furnish.
7. **STATE OF DELIVERY:** All goods shall be delivered completely serviced and ready for use.
8. **DELIVERY/COMPLETION DATE:** Time of proposed delivery of completion of work must be stated in definite terms. Time is of the essence in the placing of this order and the City of Aztec reserves the right to cancel all items not shipped or work not completed within the period agreed to by the vendor. In case of default of the successful bidder, City of Aztec may procure the items from other sources and hold the bidder

responsible for any excess cost occasioned thereby.

9. **DELIVERY:** All materials will be delivered F.O.B. 201 Navajo Dam Road or 900 S. Oliver, Aztec, New Mexico 87410, unless otherwise stated in specifications, Monday through Friday, 8 AM to 4 PM.

The City of Aztec reserves the right to waive any formality or informality in the process of awarding this bid.
13. **CANCELLATION:** The City may cancel the contract with the vendor at any time for vendor poor performance or vendor breach of contract. Cancellation shall not release the vendor from legal remedies available to the City.
14. **PAYMENT:** Original invoices must be presented for payment in accordance with instructions contained on the Purchase Order including reference to Purchase Order number and submitted to the correct address for processing.
15. **PROTEST:** Any protest concerning the award of a contract shall be decided by the Procurement Specialist. Protests shall be made in writing to the Purchasing Office and shall be filed within three (3) business days of final approval and acceptance of the bid by the City Commission. 16. **RESERVATION OF RIGHTS:** The City of Aztec reserves the right to reject any or all bids failing to meet the City's specifications or requirements and to waive technicalities. If in the City of Aztec's opinion, the lowest bid is not the most responsible bid, considering value received for monies expended, the right is reserved to make awards as determined solely by the judgment of the City of Aztec. In determining the lowest responsible bidder, the City shall take into consideration the qualities of the articles supplied, their conformity with the specifications, and their suitability to the requirements of the City and the delivery terms. Intangible factors, such as the Bidder's reputation and past performance, will also be weighed.

The Bidder's failure to meet the mandatory requirements of the ITB will result in the disqualification of the bid from further consideration.

17. **TERMINATION, CANCELLATION AND DAMAGES:** This contract may be terminated upon mutual agreement of both parties.

If the City terminates this Contract because of

the Contractor's breach, the City shall have the right to purchase items or services elsewhere and to charge the Contractor with any additional cost incurred, including but not limited to the cost of cover, incidental and consequential damages and the cost of re-bidding. The City may offset these additional costs against any sums otherwise due to the Contractor under this bid or any unrelated contract.

If the City of Aztec fails to appropriate funds to enable continued payment of multi-year Contracts the City may cancel, without termination charges provided Contractor received at least thirty (30) days prior written notice of termination.

18. **TRANSFER OF OWNERSHIP OR ASSIGNMENT:** The terms and conditions of this contract shall be binding upon and shall ensure to the benefit of the parties hereto and their respective successors and assigns. ***END OF SPECIAL CONDITIONS*****III. INSTRUCTIONS TO BIDDERS****ON-LINE NOTIFICATION OF SPECIFICATIONS:**

This document is available over the Internet at [www.aztecnm.gov](http://www.aztecnm.gov), Vendor Registry, as well as from the contact listed in this document. Adobe Acrobat® Reader is required to view electronic documents on-line. If you do not have Adobe Acrobat® Reader, you may download it for free from Adobe at [www.adobe.com/products/acrobat/readstep.html](http://www.adobe.com/products/acrobat/readstep.html)

The City is not responsible for errors and omissions occurring in the transmission or downloading of any specifications from this website. In the event of any discrepancy between information on this website and the hard copy specifications, the terms of the hard copy specification will control.

**ALTERNATE/ EQUAL BIDS:**

The specifications cannot cover precisely, all minute details of the items required. Therefore, for purposes of establishing a standard of quality, the items listed in the specification may state brand names, manufacturer's models, numbers, et cetera. The City of Aztec, for cost effective measures, standardizes on specific items; those bids will contain the language "NO SUBSTITUTIONS," and any alternative will not be considered. A generic or alternate brand product of equal specifications may be proposed

as an alternative for the item identified unless "NO SUBSTITUTIONS" is indicated. However, in bidding the alternate item, the bidder must also attach manufacturer's printed specifications and literature.

Bidders submitting alternate items, of equal specifications, may be requested to provide samples of the item they intend to supply for testing. The Purchasing Agent of City of Aztec shall be the sole judge to determine whether the alternate item is actually equal to the item identified in the specifications and the Purchasing Agent's decision will be final and binding.

The City recognizes the expertise provided by many bidders and encourages creativity in bidding. Alternates may be considered if the bid submitted clearly indicates what will be furnished and how it will benefit the City. Alternates will be compared to the lowest responsive, responsible bid as specified.

**INTERPRETATION OF CONTRACT DOCUMENTS:**

If a potential Bidder is uncertain as to the meaning of any part of the specifications or this ITB, the bidder is expected to contact the Purchasing Agent no less than seven (7) days prior to bid opening date.

**PREPARATION OF BIDS:**

The Bidder shall return bid on the attached bid forms. It must be returned with all pages intact. Please make and retain a copy of the signed bid for your records. Unless otherwise stated, all blank spaces on the bid page or pages, applicable to the subject specification, shall be correctly filled in. Either a unit price or a lump sum price, or both as the case may be, shall be stated for each and every item, either typed in or printed in ink, in figures, and if required in words. Bidder shall acknowledge receipt of each addendum issued in the space provided on the bid form.

When a bid consists of a number of items, prices must be submitted for all items unless otherwise directed in the Special Conditions.

Where unit prices are to be bid, and/or where bids are to be made on more than one item, the Bidder shall extend the unit price(s) bid in the places provided on the pricing pages for the approximate quantities, shall compute the total amount of the

bid and shall indicate same on the proposal pricing page. The Bidder must bid in accordance with the unit(s) of measure called for unless deviation procedure is followed. All extensions and total sums are subject to verification by the City and the correct extensions and sums will be used in the comparison of bids. If a discrepancy exists between the unit prices and totals, the unit prices shall prevail. If a discrepancy exists between the total base bid and the true sum of the individual bid items, the true sum shall prevail.

Where unit prices are requested, the quantities stated are approximate only but will be used to determine bid award. The quantities for all items on which bids are to be received on a unit price basis, will not be used in establishing final payment due the Contractor. Bids will be compared on the basis of number of units stated in the Bid Pricing Section. Contract payment for unit price items will be based on the actual number of units delivered.

In certain cases, amounts are to be shown in both words and figures. When discrepancies occur between the "Written in Words" and the "In Figures" amounts for the total lump sum bid amount, the "Written in Words" shall govern.

Bidders are warned against making any erasures or alterations of any kind, and bids that contain omissions, erasures, conditions, or alterations may be rejected. The bidder must fill in all blanks. Use "N/A" or "None" where applicable.

Pursuant to Section 13-1-108 NMSA 1978, the total amount of the bid shall exclude the applicable state gross receipts tax or applicable local option tax. The OWNER will pay for any taxes due on the Contract and will pay any increase in applicable which become effective after the date the Contract is entered into in addition to the Bid total.

Taxes shall be shown as a separate amount in each billing or request for payment made under contract and shall separately identify each tax being billed.

If the Bidder is a corporation, the President shall execute the bid. In the event that the bid is executed by other than the President, a certified copy of that section of the corporate bylaws or other authorization by the corporation, which permits the person to execute the offer for the corporation, shall be submitted.

If the Bidder is a partnership, all partners shall execute the bid, unless one partner has been authorized to sign for the partnership, in which case, evidence of such authority satisfactory to the Procurement Manager shall be submitted.

If the Bidder is a sole proprietor, the owner shall execute the bid.

A "Partnership" or "Sole Proprietor" operating under an Assumed Name shall be registered with the State of New Mexico.

## **RESIDENT CONTRACTOR PREFERENCE**

NM Resident, Resident Veteran, and Resident Native American Vendor Preference: Preference will only be applied to those Bidders who have been issued a certification number from the State of NM Taxation & Revenue Department and return a copy of their certificate with their quote. Veterans Preference and Resident Preference are separate and are not cumulative.

## **SUBMISSION OF BIDS:**

The City of Aztec reserves the right to accept or reject any or all Bids.

The City of Aztec will reject any bids not submitted by the date and time in the invitation.

## **WITHDRAWAL OF BIDS**

Any Bid may be withdrawn prior to the scheduled time for the opening of Bids or authorized postponement thereof. Any Bid received after the time and date specified shall not be considered. No Bidder may withdraw a bid after the Bid opening until the time for award stipulated below has expired.
