## **SECTION 2.0: Introduction**

### **VILLAGE OF PALMETTO BAY (“Village”)**

#### **Village of Palmetto Bay – Farmer's Market (the “Project”)**

The Village would like to extend to its residents the benefit of having a place to go on the weekend and be able to buy fresh organic fruits and vegetables, see beautiful artisan crafts to purchase. The Village has provided a farmer's market for its residence for the past eight (8) years and would like to continue extending this service. This service is important to maintain social gatherings for the Village residents and community.

The Company shall need to operate, manage and hire the farmer's market vendors and be willing to market and advertise to promote the success of their operation. The market will operate at Coral Reef Park (CRP):

CRP is Palmetto Bay's signature park located at 7895 SW 152<sup>nd</sup> Street, Palmetto Bay, Florida 33157. The property encompasses an amazing fifty-four (54) acres of green open spaces and a pineland preserve area. The park is bisected by the c-100 canal, which divides most of the active amenities from passive areas of the park. CRP's west side offers opportunities for tennis, racquetball, baseball, football, soccer, beach volleyball, an innovative playground area, and lush tree canopies. The lush tree canopy continues to the east side, providing natural shade to walkers and joggers utilizing the interior pathways. A meditation garden/gazebo and large pavilion are the perfect locations for relaxing picnicking or the hosting of private gatherings. CRP also serves as the venue for various cultural events, from art shows to concerts to movies. The Village introduced its farmer's market back in 2016 and has had success and good feedback from the residents and park patrons. As the Contract with the current Company is coming to an end, the Village would like to invite any Companies that are interested in fully managing the farmer's market so the Village can continue extending the opportunity to its residents.

No change shall be made to the "List of Subcontractors" after submission of the Bid, unless agreed to in writing by the Village. The Village may make a determination regarding the responsibility and qualifications of each Subcontractor. To demonstrate qualifications to perform the Work, each Subcontractor must be prepared to submit, within five (5) days of Village's request, written evidence of the types set forth in the Request for Letter of Interest, such as financial data, previous experience, licensing, certification, and evidence of authority to conduct business in the Village. ### General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

**Future developments.** The IRS has created a page on [www.irs.gov/w9](http://www.irs.gov/w9) for information about Form W-9, at [www.irs.gov/w9](http://www.irs.gov/w9). Information about any future developments affecting Form W-9 (such as legislation enacted after we release it) will be posted on that page.

#### Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, payments made to you in settlement of payment card and third party network transactions, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the

withholding tax on foreign partners' share of effectively connected income, and

4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct.

**Note.** If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

**Definition of a U.S. person.** For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

**Special rules for partnerships.** Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

They also recognize the expense and difficulties involved in a legal or arbitration proceeding. The Company acknowledges and agrees that the actual damages which the Village will suffer in the event of delay in achieving Substantial Completion or Final Completion of the Work are difficult, if not impossible, to determine and that the liquidated damages described are a fair and reasonable estimate of the delay damages which the Village is expected to suffer in the event of such delay. Accordingly, as actual damages cannot be ascertained, the Parties agree that as liquidated damages for delay, but not as a penalty, the Company shall pay the Village the amount of One Thousand and 00/100 Dollars (\$1,000.00) for each day after the time specified in the Documents for Substantial Completion until the Work is substantially complete.

One Percent (1%) of the Contract amount shall represent the consideration to be provided for this Indemnification. Nothing contained herein

shall be deemed a waiver of Sovereign Immunity provided to the Village by Section 768.28, Florida Statutes. The Village shall not be liable for any damages or claims of any type including but not limited to lost profits, special damages, consequential damages, punitive damages or business interruption on account of the Village's decision to terminate this Contract.
