ii. Subcontracts

The Responder shall not subcontract work without the prior written consent of the County, and any such subcontract entered without consent of the County shall be null and void. If the Responder proposes to subcontract any of the work hereunder, it shall submit to the County the name of each proposed subcontractor, with the proposed scope of work which its subcontractor is to undertake. The County shall have the right to reject any subcontractor which it considers unable or unsuitable to satisfactorily perform its duties. The Responder shall not enter into any cost reimbursable agreements with any proposed subcontractor without the County's prior written authorization. Notwithstanding any consent by the County to a proposed subcontract, the Responder shall remain responsible for all subcontracted work and services. The Responder agrees it shall be as fully responsible to the County for the acts and omission of its subcontractors, their agents, representatives, and persons either directly or indirectly employed by them, as it is for the acts and omissions of persons directly employed by the Responder. Neither this provision, the Agreement, the County's authorization of the Responder's agreement with a subcontractor, the County's inspection of a subcontractor's facilities or work, or any other action taken by the County in relation to a subcontractor shall create any contractual relationship between any subcontractor and the County. The Responder shall include in each of its subcontracts a provision embodying the substance of this provision and shall exhibit a copy thereof to the County before commencement of any work by a subcontractor. The Responder's violation of this provision shall be grounds for the County's termination of the Responder's Agreement for default, without notice or opportunity for cure. In addition, the Responder shall indemnify and hold the County harmless from and against any claims (threatened, alleged, or actual) made by any subcontractor of the Responder (of any tier) for compensation, damages, or otherwise, including any cost incurred by the County to investigate, defend, or settle any such claim.

iii. Indemnification

The Responder shall indemnify, defend and hold harmless the County, its employees, elected officials, agents, attorneys, and officers, each from and against all loss, damage,

claims, and actions, and all expenses, including, but not limited to, attorney's fees and costs, incidental to such claims or actions, including but not limited to liability as a result of injury to or death of any person, based upon or arising out of damage to property or injuries to persons or other tortious acts caused or contributed to by the Responder or anyone acting under its direction or control or in its behalf in the course of its performance under the Agreement to be entered hereunder, and directly or indirectly caused, in whole or in part, by acts or omissions, negligence or otherwise, of the Responder or an agent of the Responder or an employee of any one of them, regardless of the negligence of the County or its employees, be it active or passive, except where such loss, cost, damage, claim, expense, or liability arises from the sole gross negligence or willful misconduct of the County. Upon request of the County, Responder shall, at no cost or expense to the County, defend any suit asserting a claim for any loss, damage or liability specified above, and Responder shall pay any cost and attorneys' fees that may be incurred by the County in connection with any such claim or suit or in enforcing the indemnity granted above. The terms of the indemnification of the County in the Agreement shall survive the termination of the Agreement.

- iv. Severability  
If any term or provision of any Agreement resulting from this competitive selection process shall be found to be illegal or unenforceable, notwithstanding any such illegality or unenforceability, the remainder of said Agreement shall remain in full force and effect, and such term or provision shall be deemed to be deleted and severable therefrom.
  - v. E-Verify  
The successful Responder, upon entering into an Agreement with the County, shall, unless specifically waived by the County, utilize the U.S. Department of Homeland Security's E-Verify system to verify the employment eligibility of all new employees hired during the term of the Agreement and shall expressly require any subcontractors performing work or providing services pursuant to the Agreement to likewise utilize the U.S. Department of Homeland Security's E-Verify system to verify the employment eligibility of all new employees hired by the subcontractor during the Agreement term.
  - vi. In particular, and not by way of limitation, the successful Responder shall verify that they understand, and agree to comply with, Section 20.055(5), Florida Statutes.
  - vii. The successful Responder may have to agree in the Agreement to honor and abide by the terms of a third party funding agreement with the State of Florida or other third party funding source, if applicable.
- t) **FAILURE TO SUBMIT RESPONSE**  
Recipients of this solicitation not responding with a response should return the "No Response Form" attached as Exhibit D hereto.

The ownership by one person of shares constituting a controlling interest in another person, or a pooling of equipment or income among persons when not for fair market value under an arm's length agreement, shall be a prima facie case that one person controls another person. A person who knowingly enters into a joint venture with a person who has been convicted of a public entity crime in Florida during the preceding 36 months shall be considered an affiliate.
5. I understand that a "person" as defined in §287.133(1)(e), Florida Statutes, means any natural person or entity organized under the laws of any state or of the United States with the legal power

The term "person" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity.

6. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement. (Please indicate which one of the following statements applies).

\_\_\_\_\_ Neither the entity submitting this sworn statement, nor any officers, directors, executives, partners, shareholders, employees, members, or agents who are active in management of the entity, nor any affiliate of the entity have been charged with and convicted of a public entity crime within the period of thirty-six (36) full calendar months prior to the execution of this Affidavit.

\_\_\_\_\_ The entity submitting this sworn statement, or one or more of the officers, directors, executives, partners, shareholders, employees, members, or agents who are active in management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime within the period of thirty-six (36) full calendar months prior to the execution of this Affidavit.

\_\_\_\_\_ The entity submitting this sworn statement, or one or more of the officers, directors, executives, partners, shareholders, employees, members, or agents who are active in management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime within the period of thirty-six (36) full calendar months prior to the execution of this Affidavit. However, there has been a subsequent proceeding before a Hearing Officer of the State of Florida, Division of Administrative Hearings and the final Order entered by the Hearing Officer determined that it was not in the public interest to place the entity submitting this sworn statement on the convicted vendor list (Attach a copy of the final order).

I understand that the submission of this form to the County identified in Paragraph 1 above is for the County only, and that this form is valid through December 31 of the calendar year in which it is filed.
