

CITY OF KINGMAN

PERMITTING, PLANNING, AND LICENSING SOFTWARE

FIN24-005

RESPONSES TO PROPOSER QUESTIONS

14. Question: Item 1, page 11 of the RFP "Community Risk Reduction management system capable of tracking activities, generating reports and data specific to educational activities."

- a. Is this specific to tracking activities of the Kingman Fire Department or does this need span across the City?**

Answer: Educational activities are specific to the Kingman Fire Department.

15. Question: Page 28 mentions a bond requirement: "The successful Proposer will be required to draft the final Contract document, provide proof of bond and/or Certificates of Insurance within twelve (12) calendar days from contract award notification date (July 18, 2024 proposer notification date)."

- a. Can you detail the actual bond requirement?**
b. Can the bond requirement be waved? If so, how would a vendor accomplish this waiver?

Answer: Only the Certificate of Insurance requirement will apply to this procurement.
