**City of Knoxville
Request for Proposals
Pharmacy Benefit Manager**

I. Statement of Intent

The City of Knoxville is requesting proposals from responsible firms or teams to provide pharmacy benefits to all eligible City of Knoxville employees, retirees and dependents. The desired term of the contract is for three (3) years with two (2) options to renew for an additional 1-year term. The enclosed specifications are the basis for proposals for services effective January 1, 2019.

NOTE: The City has a separate administrative agreement with BlueCross BlueShield of Tennessee to administer the City’s self-funded prescription medical plan. That contract is in force through December 31, 2018. We are currently evaluating proposals for the medical plan. If you proposed for the medical plan, your pricing for Pharmacy Benefit Manager should stand-alone. For more information regarding the Medical ASO RFP, please visit www.knoxvilletn.gov/bids website.

II. RFP Time Line

Availability of RFP July 5, 2018

Deadline for questions to be submitted in writing to the
Purchasing Agent July 19, 2018

Proposals Due Date July 26, 2018

This timetable is for the information of submitting entities. These dates are subject to change. **However, in no event shall the deadline for submission of the proposals be changed except by written modification from the City of Knoxville Purchasing Division.**

III. Background

General: The City’s medical and pharmacy benefit management plan is self-funded and has been since January 1, 2008. The City currently utilizes BCBST for Administrative Services and OptumRx for Pharmacy Benefit Management. The City moved to OptumRx on January 1, 2015. Prior to that, the City was with Humana from 2012 until 2015 with an Average Script Price arrangement.

Benefit Plan Eligibility

Employees: All active, regular (not temporary) employees who work at least 30 hours per week as well as members of the City Council (who work 20 hours per week) and the City Judge (who works 25 hours per week) are eligible for coverage under the medical & pharmacy plan. As of February 2018, the City has a total of 1,383 covered, with 90 being retirees and 1,293 active

employees. As of February, the City has a total of 3,072 members with 2,929 active members and 143 members who are retirees.

New employees have a 60-day waiting period and must enroll during the waiting period with coverage effective on the 1st of the month following 60 days of continuous employment. Coverage terminates on the last day of the month.

Current Medical & Rx Employee Contributions:

See Exhibit B – 2018 Guide to Your Benefits, specifically page 7. At this point, the City does not anticipate significant changes to the employee contribution strategy with the exception of the required change in the event two networks are no longer offered.

Retirees: City retirees (who meet the age and years of service requirement under the City's pension plan) and their dependents are eligible to continue coverage on the City of Knoxville's medical plan until they become Medicare eligible. Once a retiree becomes Medicare eligible, the retiree coverage ends, however, any covered dependents will be offered the option to continue coverage through COBRA for up to 36 months.

Retirees pay 60% of the total monthly premium, which is deducted from their pension check on an after-tax basis.

NOTE: The City has one retiree over normal Medicare entitlement age due to his/her inability to qualify for Medicare. This is the only post Medicare retirement age retiree eligible for coverage.

Dependents:

- The employee's current legal spouse defined by the Employer, which may include a Domestic Partner; or
- A dependent child, up to age 26, who is the employee's or employee's spouse's or qualified domestic partner's natural child, legally adopted child (including children placed for adoption), step-child, or child for whom the employee or employee's spouse is the legal guardian or legal custodian, or a child of the employee or employee's spouse or qualified domestic partner for whom a Qualified Medical Child Support Order has been issued;
- An incapacitated child of the employee or the employee's spouse or qualified domestic partner

NOTE: The City added coverage for Domestic Partners on January 1, 2014. We currently have 10 employees who cover a Domestic Partner on their medical coverage, 4 of which are considered tax dependents. The other 6 are paying for the DP coverage on an after-tax basis.

CURRENT PLANS

The City offers 4 different CDHP plans. The plans are illustrated in Exhibit B – 2018 Guide to Your Benefits. OptumRx currently provides PBM services. The prescription drug copayments in effect for the 2018 plan year are listed in Exhibit B – 2018 Guide to Your Benefits. The prescription drug plans are the same for all four options.

All active and retired employees are offered the same medical plan offerings.

Stop Loss Coverage:

The City has aggregate and specific stop loss coverage insured by BlueRe. The stop loss coverage is marketed annually. For reference purposes, the current specific stop loss policy has a \$250,000 specific deductible with a \$100,000 aggregating specific deductible. Aggregate coverage covers medical claims only at 125% of expected claims and includes both Medical and Prescription Drugs.

Onsite Medical Clinic:

The City of Knoxville has provided an onsite medical clinic since 2007. The Health, Education & Wellness Center (“The Center”) operates in several different capacities for the City:

- 1) Occupational health /worker’s comp injuries
- 2) Job-required Physicals
- 3) Wellness related services
- 4) Acute care

Prior to November, 2016, the clinic was operated by Summit Medical Group. On November 1, 2016, Premise Health became the new vendor. Some medications are given at The Center and these are not run through the pharmacy plan. There is no cost to the participant for these medications.

Leave Provisions *(All leave provisions are governed by the City’s Administrative Rules, which are subject to change).*

Military Leave

Coverage terminates at the end of the month following 12 months of consecutive military leave. COBRA / USERRA are offered.

Family Medical Leave – Not due to a work related injury to Employee

Coverage terminates at the end of the month during which the twelve (12) weeks of FMLA leave is exhausted and COBRA coverage is offered. If the employee has paid leave available at the end of the 12 week FMLA period, the City will contribute the employer contributions toward coverage until the day that paid leave is exhausted or if paid leave remains, twelve (12) weeks following the last day of FMLA leave, whichever comes first. Once the City’s contributions end, the employee will be charged the 102% COBRA rates (which can be paid through payroll deduction as long as the employee continues to receive paid leave from the City) for as long as the employee is eligible for COBRA continuation.

Family Medical Leave – Due to a work related injury to employee

Coverage terminates at the end of the month during which the twelve (12) weeks of FMLA leave is exhausted and COBRA coverage is offered. If the employee is receiving STTD, the City will contribute the employer contributions toward COBRA coverage until the date that STTD ends or if STTD continues, until twelve (12) weeks after FMLA ends, whichever comes first. Once the City’s contributions end, the employee will be charged the 102% COBRA rates (can be paid through payroll or TTD deduction as long as the employee is receiving a check) for as long as

the employee is eligible for COBRA continuation.

Extended paid leave not subject to family medical leave

Coverage terminates on the date that paid leave ends or at the end of twelve (12) weeks of paid leave, whichever comes first. If the employee has paid leave available at the end of the initial twelve (12) weeks of paid leave, the City will contribute the employer contributions toward coverage until the earlier of the date that paid leave is exhausted or until twenty-four (24) weeks of total paid leave. Once the City's contributions end, the employee will be charged the 102% COBRA rates (which can be paid through payroll deduction as long as the employee continues to receive paid leave from the City) for as long as the employee is eligible for COBRA continuation.

A 3 year contract term with two 1-year options to renew is requested with the administrative fee(s) and pricing indicated for each year.

Proposing firms agree to provide the level and type of services described in all sections of this RFP. In addition to services addressed in Submission Form S-2, the provider agrees to the services and standards listed hereunder in Scope of Service. The Contractor shall not charge more for providing such data than the Contractor's actual cost. Contractor shall not use claims data for any purpose except administration of the City's medical plan without the written consent of the City.

VI. Contract Requirements

Submitting entities, if selected, must be willing to sign a contract with the City which will include certain provisions, among which are the following:

- 6.1 **Contract Documents.** The contract shall consist of (1) the RFP; (2) the proposal submitted by the contractor to this RFP; and (3) the contract. The indemnification and hold harmless provisions of this Agreement shall survive termination of the Agreement.

6.7 Termination. The City may terminate this Agreement at any time, with or without cause, by written notice of termination to the Contractor.

If the City terminates this Agreement, and such termination is not a result of a default by the Contractor, the Contractor shall be entitled to receive as its sole and exclusive remedy the following amounts from the City, and the City shall have no further or other obligations to the Contractor: the amount due to the Contractor for work executed through the date of termination, not including any future fees, profits, or other compensation or payments which the Contractor would have been entitled to receive if this Agreement had not been terminated.

The City may, by written notice of default to the Contractor, terminate the whole or any part of this Agreement if the Contractor fails to perform any provisions of this Agreement and does not cure such failure within a period of ten (10) days (or such longer period as the Purchasing Agent may authorize in writing) after receipt of said notice from the Purchasing Agent specifying such failure. If this Agreement is terminated in whole or in part for default, the City may procure, upon such terms and in such manner as the Purchasing Agent may deem appropriate, supplies or services similar to those terminated.

IMPORTANT NOTE: A minimum of one of the submitted proposals must bear an original signature, signed in ink (duplicated signatures substituted for original ink signatures may result in rejection of the proposals). This document is the official, original submission; the required copies may have copied signatures. The signature must be entered above the typed or printed name and title of the signer. All proposals must be signed by an officer of the company authorized to bind the firm to a contract.

Late proposals will not be considered. Proposals that arrive late due to the fault of United States Postal Service, United Parcel Service, DHL, FEDEX, any delivery/courier service, or any other carrier of any sort are still considered late and shall not be accepted by the City. Firms and/or teams responding to this Request for Proposals shall be available for interviews with the Evaluation Committee. Discussions may be conducted with responsible submitting entities for purposes of clarification to assure full understanding of and conformance to the RFP requirements. Selection shall be based on the firms' qualifications applicable to the scope and nature of the services to be performed per this request for proposals. DIVERSITY BUSINESS ENTERPRISE (DBE) PROGRAM

The City of Knoxville strongly encourages prime contractors to employ diverse businesses in the fulfillment of contracts/projects for the City of Knoxville.

The City of Knoxville's Fiscal Year 2017 goal is to conduct 3.33% of its business with minority-owned businesses, 9.21% of its business with woman-owned businesses, and 45.5% with small businesses.

As such, the City encourages prime contractors to seek out and consider competitive sub-bids and quotations from diverse businesses.

For DBE tracking purposes, the City requests that prime contractors who are bidding, proposing, or submitting statements of qualifications record whether or not they plan to employ DBE's as sub-contractors or consultants.
