

## Addendum # 2 - 19-106 Sports Field Maintenance Service

The School District administration have been meeting to discuss implications of the COVID-19 virus and potential impacts to the school district. Our response and guidelines to our internal team are in line with those published by DHEC.

As more public events are cancelled, we are recognizing the importance of limiting unnecessary exposure. As such, it is prudent we limit outside traffic in and out of the office to only what is necessary. To that end:

1. Proposals maybe received on or before March 25<sup>th</sup>, 2020, 10am. Proposals dropped off will be time stamped by the district receptionist. We are preferring online biding on Vendor Registry, click link. Registration is required for vendor registry.

2. The Bid opening will be video and posted on the district website (No Public Bid Opening)
