All of the items described in this section are **service levels** and/or terms and conditions that JCSS expects to be satisfied by the selected supplier. Each supplier must indicate its willingness and ability to satisfy these requirements in the supplier's submitted response.

Unless otherwise specified, references to brand name or trade name/mark products are intended to be descriptive, but not restrictive, and are used to indicate the quality and characteristics of products that may be offered. Other products may be considered for award if such products are clearly identified and are determined by JCSS to meet its needs in all respects. Each supplier's response must indicate the brand name and model or series number of the product offered and include such specifications, catalog pages, or other data that will provide an adequate basis for determining the quality and functional capabilities of the product offered.

6. Cost/Pricing

Each supplier is required to submit pricing utilizing the quote sheet that is included in the eRFQ.

6.1 General Pricing Rules

By submitting a response, the supplier agrees that it has read, understood, and will abide by the following instructions/rules:

1. The submitted pricing must include all costs of performing pursuant to the resulting contract; and
2. Bids containing a minimum order/ship quantity or dollar value, unless otherwise called for in the eRFQ, will be treated as non-responsive and may not be considered for award; and
3. The supplier is required to provide net prices. In the event there is discrepancy between a supplier's unit price and extended price, the unit price shall govern.

4. In the event there is a discrepancy between (1) the supplier's pricing as quoted on an uploaded, detailed cost sheet such as an Excel Worksheet (if any) and (2) the supplier's pricing as quoted by the supplier in one or more single line entries in other portion, the former shall govern; and
5. The prices quoted and listed in the response shall be firm throughout the term of the resulting contract, unless otherwise noted in the eRFQ or contract; and
6. Any cash discount offered to JCSS must be clearly identified in the supplier's response. In the event JCSS is entitled to a cash discount, the period of computation will commence on the date of delivery, or receipt of a correctly computed invoice indicating the discount, whichever occurs later; and
7. Unless otherwise specified in any terms and conditions attached to the eRFQ, all product deliveries will be F.O.B. destination and all shipping charges must be included in the quoted cost; and
8. Unless expressly permitted by the eRFQ, responses containing provisions for late or interest charges cannot be awarded a contract. Suppliers must "strike through" any such provisions in printed forms and initial such revisions prior to submitting a response to JCSS; and
9. Responses containing prepayment and/or progress payment requirements may be determined non-responsive unless otherwise permitted by the eRFQ; and
10. Unless permitted by the eRFQ, responses requiring payment from JCSS in less than thirty (30) days will be considered non-responsive; and
11. JCSS is exempt from certain taxes and no provision for such taxes should be included in the supplier's response.
12. Quantities/amounts shown in the eRFQ are estimates. Suppliers are advised that the actual number purchased/required may vary from those in the eRFQ, depending upon the needs of JCSS and the availability of funds.

6.2 Cost Structure and Additional Instructions

JCSS's intent is to structure the cost format in order to facilitate comparison among all suppliers and foster competition to obtain the best market pricing. Consequently, JCSS requires that each supplier's cost be structured as directed in the eRFQ. Additional alternative cost structures will not be considered. Each supplier is hereby advised that failure to comply with the eRFQ instructions, submission of an incomplete offer, or submission of an offer in a different format than the one requested may result in the rejection of the supplier's response.

Enter all information directly into the cost sheet(s). Enter numbers on each cost sheet in "number" (two-place decimal), not "currency" or other format unless otherwise stated. That is, omit dollar signs, commas, and any other non-essential symbols. (e.g., \$7.90 should be entered as 7.90) Prices must be in US Dollars. Enter "n/a" to indicate not available or "0" if there is no charge. Cells left blank will be interpreted as "no offer".

7. Evaluation and Award

All timely responses will be evaluated in accordance with the following steps. The objective of the evaluation process is to identify the most competitive bid. Once the evaluation process has been completed, the apparent successful supplier(s) will be required to enter into discussions with JCSS to resolve any exceptions to JCSS's contract. JCSS will announce the results of the eRFQ as described further in Section 6.8 "Public Award Announcement."

7.1. Administrative/Preliminary Review

First, the responses will be reviewed by the Issuing Officer to determine compliance with the following requirements:

1. Response was submitted by deadline
2. Response is complete and contains all required documents

7.2. Evaluating Cost

JCSS may utilize lowest cost, lowest total cost, and total cost of ownership (TCO) or greatest savings to determine the most competitive pricing. Submitted pricing may be evaluated/scored on an overall basis or at the category/subcategory/line level (as applicable) relative to other responses/bids.

7.3. Public Award Announcement

The preliminary results of the evaluation will be announced through the public posting of a Notice of Intent to Award (in the event the value of the contract(s) is estimated to be \$100,000 or more in the first year) to the Georgia Procurement Registry. The Notice of Intent to Award (“NOIA”) is not notice of an actual contract award; instead, the NOIA is notice of the JCSS’s expected contract award(s) pending resolution of the formal protest complaint process. The NOIA (if any) will identify the apparent successful supplier(s), unsuccessful supplier(s), and the reasons why any unsuccessful suppliers were not selected for contract award. **NO SUPPLIER SHOULD ASSUME PERSONAL NOTICE OF THE NOTICE OF INTENT TO AWARD (“NOIA”) WILL BE PROVIDED BY THE JCSS. INSTEAD, ALL SUPPLIERS SHOULD FREQUENTLY CHECK THE GEORGIA PROCUREMENT REGISTRY FOR NOTICE OF THE NOIA.**

The Notice of Award (“NOA”) is JCSS’s public notice of actual contract award(s). The NOA will be publicly posted to the Georgia Procurement Registry.

8. Contract Terms and Conditions

The contract that JCSS expects to award as a result of this eRFQ will be based upon the eRFQ, the successful supplier’s final response as accepted by JCSS and the contract terms and conditions, which terms and conditions can be downloaded from the Sourcing Event. The “successful supplier’s final response as accepted by JCSS shall mean: the response submitted by the awarded supplier, written clarifications, and any other terms deemed necessary by JCSS, except that no objection or amendment by a supplier to the eRFQ requirements or the contract terms and conditions shall be incorporated by reference into the contract unless JCSS has explicitly accepted the supplier’s objection or amendment in writing.

Please review JCSS’s contract terms and conditions prior to submitting a response to this eRFQ. Suppliers should plan on the contract terms and conditions contained in this eRFQ being included in any award as a result of this eRFQ. Therefore, all costs associated with complying with these requirements should be included in any pricing quoted by the suppliers. The contract terms and conditions may be supplemented or revised before contract execution and are provided to enable suppliers to better evaluate the costs associated with the eRFQ and the potential resulting contract.

Exception to Contract

By submitting a response, each supplier acknowledges its acceptance of the eRFQ specifications and the contract terms and conditions without change except as otherwise expressly stated in the submitted proposal. **If a supplier takes exception to a contract provision, the supplier must state the reason for the exception and state the specific contract language it proposes to include in place of the provision.** Any exceptions to the contract must be uploaded and submitted as an attachment to the supplier’s response. Proposed exceptions must not conflict with or attempt to preempt mandatory requirements specified in the eRFQ.

In the event the supplier is selected for potential award, the supplier will be required to enter into discussions with JCSS to resolve any contractual differences before an award is made. These discussions are to be finalized and all exceptions resolved within the period of time identified in the schedule of events. Failure to resolve any contractual issues will lead to rejection of the supplier’s response. JCSS reserves the right to proceed to discussions with the next best ranked supplier.

JCSS reserves the right to modify the contract to be consistent with the apparent successful offer, and to negotiate other modifications with the apparent successful supplier. Exceptions that materially change the terms or the requirements of the eRFQ may be deemed non-responsive by JCSS, in its sole discretion, and rejected. Contract exceptions which grant the supplier an impermissible competitive advantage, as determined by JCSS, in

its sole discretion, will be rejected. If there is any question whether a particular contract exception would be permissible, the supplier is strongly encouraged to inquire via written question submitted to the Issuing Officer prior to the deadline for submitting written questions as defined by the Schedule of Events.

9. Compliance

Final inspection of all products/services for acceptance or rejection will be made by JCSS. Final inspection resulting in acceptance or rejection of the product/services will be made as soon as practicable, but failure to inspect shall not be construed as a waiver by JCSS of its rights to reject such products/services or to claim reimbursement or damages for such products/services which are later found to be defective, not in conformance with the required specifications or not to perform as claimed by the supplier.

10. Rights and Remedies

10.1 As permitted by law, in lieu of canceling the purchase order, the JCSS may levy a charge if the successful supplier fails to deliver the item(s). Such charge is not a penalty, rather it is the agreed upon liquidated damages representing the estimated damages that will be incurred by the JCSS because of the supplier's failure to deliver the item(s) as required.

JCSS does not waive any of its rights under contract law. Supplier acknowledges and agrees that if the supplier breaches this agreement, then JCSS may cover such goods by contracting the goods in substitution for those due from the seller. JCSS may recover from the supplier as damages the difference between the cost of cover and the contract price together with any incidental or consequential damages. Failure of the JCSS to effect cover does not bar it from any other remedy. In such circumstances that JCSS is not able cover or choose not to cover the goods purchased under this solicitation, then the supplier acknowledges and agreed that JCSS can recover the difference between the market price of the goods at the time JCSS learned of the breach the contract price of the goods, including any incidental and consequential damages. If JCSS has accepted non-conforming goods purchased under this solicitation, then supplier acknowledges and agrees that JCSS can recover the value of the goods promised by the supplier and the value of the non-conforming goods provided. The foregoing remedies are not exclusive of any other remedies permitted to the JCSS under Georgia law. Supplier acknowledges and agrees that JCSS is owed its reasonable attorney's fees and costs incurred with the exercise of its rights in connection with the foregoing remedies.

Partial completion on a purchase order will not exempt a supplier from this charge. JCSS further has the right after assessing such charge, after the continuing failure of the supplier to complete, to terminate the purchase order.

10.2 Warranty and Support Requirements- The JCSS is not waiving, amending, or abridging any warranty rights/contractual rights provided to the JCSS under state or federal law. The JCSS is not bound by any terms or conditions in any supplier's contract, packaging, invoices, service catalogue, brochure, technical data sheet or other document which attempts to impose any conditions that waive, amend, abridge, abrogate, conflict with or are in addition to JCSS's contractual rights as provided under state or federal law. In addition to the foregoing warranty and contractual rights of the JCSS, the Supplier further warrants and agrees as follows:

10.2.1 Any good(s) purchased under this contract will be defect free in materials and workmanship and be of the quality, size and dimensions ordered. The packaging, packing, marking, and shipping of such goods will conform to the requirements of the eRFQ and as set forth in the supplier's response. This express warranty shall not be waived by reason of acceptance of the goods or payment thereof by JCSS.

Supplier further agrees to indemnify JCSS against damages of any sort resulting from faulty workmanship or materials by Supplier while performing any warranty or guaranty work hereunder (or by any third party performing such work for and on behalf of Supplier). Any goods or parts hereof, corrected or furnished in replacement under this clause, shall also be subject to the terms of this clause to the same extent as goods initially delivered.

- 10.2.3 For Goods: Supplier is fully aware of JCSS's business requirements and intended uses of the product(s) and warrants that the product(s) shall be fit for such intended use.
- 10.2.4 JCSS shall give written notice to the Supplier of any breach of warranties in this section and such notice shall contain information concerning the deficiencies found, the location of the nonconforming good(s), and the quality involved, including JCSS's notification of the remedy for non-conforming or defective good(s).

11. Termination

To terminate the agreement pursuant to O.C.G.A § 20-2-506, JCSS must give notice to the supplier at least thirty (30) days prior to the end of each calendar year during the term of this Agreement.

Further and pursuant to O.C.G.A §20-2-506, in the event appropriated funds are determined no longer to exist or to be insufficient for purposes of fulfilling JCSS's obligation hereunder, JCSS may terminate this Agreement by providing thirty (30) days written notice of termination to the supplier. Notice of termination shall include a certification by JCSS of the unavailability or insufficiency of funding, and such certification shall constitute an agreement by JCSS not to replace the services covered hereunder in whole or in part with any service obtained from a provided other than the supplier before the earlier of the end of the calendar year following the year in which the notification of such certification is received by the supplier or the date this Agreement expires on its own terms, whichever first occurs.
