**COLD BEVERAGE VENDING SERVICES
FOR
LOS LUNAS SCHOOL DISTRICT
RFP NO. 2019-002-HR
RFP Amendment No. 2
January 14, 2019**

The above referenced RFP is amended as follows:

1. **Appendix B. Price Agreement-page 24**
Section E. Exceptions

Now Reads:

E. Exceptions: A Non-profit organization called “Food Services Association” exists to provide catering services for Los Lunas School functions such as year-end retirement recognition, honor society banquet, etc. This organization is exempt from this contract. LLS Student Nutrition is also exempt from this contract, as well as School Club Organizations, however, LLS reserves the right to extend the sale of products at the agreed pricing (case pricing, etc) to these organizations should they desire to do so. **The exclusive portion of the contract will be for beverage vending machines only.**

2. Questions and Answers:

1. Do Booster Clubs have equipment needs? Do they sell out of coolers and if so, what size? Do any clubs use fountain machines? Is there an equipment count?

There are currently 20 Soda, 13 Water and 4 Water/Juice/sports drink vending machines in the district for a total of 37. There are coolers being utilized at Los Lunas High School (5 large and 4 small), Valencia High School (2 large) and Valencia Middle School (1 large). The district no longer utilizes fountain machines and the booster clubs are not in need of any additional equipment.

2. Will booster clubs and other district organizations be required to purchase from the awarded vendor?

This was previously answered in Amendment No. 1 but has now been revised. Please see above amendment to Appendix B.

No, booster clubs and other district organizations will not be required to purchase from awarded vendor due to many donations for concessions and fundraisers coming from parents. It would be very difficult to enforce, however, according to the amendment, "LLS reserves the right to extend the sale of products at the agreed pricing (case pricing, etc) to these organizations should they desire to do so." The exclusive portion of the contract will be for beverage vending machines only.

3. Is it possible to extend the deadline for the submittal of the RFP for one month?

No, the District will not be extending the deadline for the RFP submittal due to the District's schedule.
