2.0.12 DISCLOSURE OF CONFLICTS OF INTEREST OR UNFAIR COMPETITIVE ADVANTAGE (FEB 2015):

You warrant and represent that your offer identifies and explains any unfair competitive advantage you may have in competing for the proposed contract and any actual or potential conflicts of interest that may arise from your participation in this competition or your receipt of an award. The two underlying principles are:

- a) Preventing the existence of conflicting roles that might bias a contractor's judgment, and
- b) Preventing an unfair competitive advantage. If you have an unfair competitive advantage or a conflict of interest, the District may withhold award. Before withholding award on these grounds, an offeror will be notified of the concerns and provided a reasonable opportunity to respond. Efforts to avoid or mitigate such concerns, including restrictions on future activities, may be considered. Without limiting the foregoing, you represent that your offer identifies any services that relate

to either this solicitation or the work and that has already been performed by you, a proposed subcontractor, or an affiliated business of either.

#### 2.0.13 DEADLINE FOR SUBMISSION:

Any offer received after the Procurement Officer of the governmental body or his designee has declared that the time set for opening has arrived, shall be rejected unless the offer has been delivered to the designated purchasing mail room at 2900 Mink Point Blvd, which services that purchasing office prior to the bid opening (R.19-445.2070(H)).

Offeror, by submitting an Offer, represents that it has read and understands the Solicitation and that its Offer is made in compliance with the Solicitation. Offerors are expected to examine the Solicitation thoroughly and should request an explanation of any ambiguities, discrepancies, errors, omissions, or conflicting statements in the Solicitation. Failure to do so will be at the Offeror's risk. All ambiguities, discrepancies, errors, omissions, or conflicting statements in the Solicitation shall be interpreted to require the better quality or greater quantity of work and/or materials, unless otherwise directed by amendment. Offeror assumes responsibility for any patent ambiguity in the Solicitation that Offeror does not bring to BCSD's attention.

#### 2.0.16 ETHICS CERTIFICATE (MAY 2008):

By submitting an Offer, the offeror certifies that the offeror has and will comply with, and has not, and will not, induce a person to violate Title 8, Chapter 13 of the South Carolina Code of Laws, as amended (ethics act). The following statutes require special attention:

- a) Section 8-13-700, regarding use of official position for financial gain;
- b) Section 8-13-705, regarding gifts to influence action of public official;
- c) Section 8-13-720, regarding offering money for advice or assistance of public official;
- d) Sections 8-13-755 and 8-13-760, regarding restriction on employment by former public official;

The District may rescind any contract and recover all amounts expended as a result of any action taken in violation of this provision. If contractor participates, directly or indirectly, in the evaluation or award of public contracts, including without limitation, change orders or task orders regarding a public contract, contractor shall, if required by law to file such a statement, provide the statement required by Section 8-13-1150 to the procurement officer at the same time the law requires the statement to be filed.

#### 2.0.17 OMIT TAXES FROM PRICE (JAN 2004):

Do **not** include any sales or use taxes in your price that BCSD may be required to pay.

#### 2.0.18 PROTESTS (JUNE 2006):

Any prospective Bidder, Offeror, Contractor, or Subcontractor who is aggrieved in connection with the solicitation of a contract shall protest within fifteen days of the date of issuance of the applicable solicitation document at issue. Any actual Bidder, Offeror, Contractor, or Subcontractor who is aggrieved in connection with the intended award or award of a contract shall protest within ten days of the date notification of award is posted in accordance with this code. A protest shall be in writing, shall set forth the grounds of the protest and the relief requested with enough particularity to give notice of the issues to be decided, and must be received by the appropriate chief procurement officer within the time provided.

#### 2.0.19 PROHIBITED COMMUNICATIONS AND DONATIONS (FEB 2015):

Violation of these restrictions may result in disqualification of your offer, suspension or debarment, and may constitute a violation of law.

- a) During the period between publication of the solicitation and final award, **you must not communicate, directly or indirectly, with the District or its employees, agents or officials regarding any aspect of this procurement activity**, unless otherwise approved in writing by the Procurement Officer. All communications must be solely with the procurement Officer.
- b) You are advised to familiarize yourself with Regulation 19-445.2165, which restricts donations to a governmental entity with whom you have or seek to have a contract. **You represent that your offer discloses any gifts made, directly or through an intermediary, by you or your named subcontractors to or for the benefit of the District during the period beginning eighteen months prior to the Opening Date.**

#### 2.0.20 PUBLIC OPENING (JAN 2004):

Offers will be publicly opened at the date/time and at the location identified on the cover page, or last Amendment, whichever is applicable.

#### 2.0.21 QUESTIONS FROM OFFERORS (FEB 2015):

- a) Any prospective Offeror desiring an explanation or interpretation of the solicitation, drawings, specifications, etc., must request it in writing. Questions regarding the original solicitation or any amendment must be received by the Procurement Officer no later than five (5) days prior to opening unless an earlier date is stated on the Cover Page. Label any communication regarding your questions with the name of the Procurement Officer, and the solicitation's title and number. Oral explanations or instructions will not be binding. Any information given a prospective Offeror concerning a solicitation will be furnished promptly to all other prospective Offerors as an Amendment to the solicitation, if that information is necessary for submitting offers or if the lack of it would be prejudicial to other prospective Offerors. See clause entitled "Duty to Inquire." **We will not identify you in our answer to your question.**
- b) The BCSD seeks to permit maximum practicable competition. Offerors are urged to advise the Procurement Officer – as soon as possible – regarding any aspect of this procurement, including any aspect of the Solicitation that unnecessarily or inappropriately limits full and open competition.

#### 2.0.22 REJECTION/CANCELLATION:

The BCSD may cancel this solicitation in whole or in part. The BCSD may reject any or all proposals in whole or in part. A minimum of three bids is desired. If less than three bids are received, BCSD will make a determination.

#### 2.0.23 RESPONSIVENESS / IMPROPER OFFERS (JUN 2015):

- a) Bid as Specified: Offers for supplies or services other than those specified will not be considered unless authorized by the Solicitation.
- b) Multiple Offers: Offerors may submit more than one Offer, provided that each Offer has significant differences other than price. Each separate Offer must satisfy all Solicitation requirements. If this solicitation is an Invitation for Bids, each separate Offer must be submitted as a separate document. If this solicitation is a Request for Proposals, multiple Offers may be submitted as one document, provided that you clearly differentiate between each Offer and you submit a separate cost proposal for each Offer, if applicable.

- c) Responsiveness: Any Offer that fails to conform to the material requirements of the Solicitation may be rejected as non-responsive. Offers which impose conditions that modify material requirements of the Solicitation may be rejected. If a fixed price is required, an Offer will be rejected if the total possible cost to the BCSD cannot be determined. Offerors will not be given an opportunity to correct any material nonconformity. Any deficiency resulting from a minor informality may be cured or waived at the sole discretion of the Procurement Officer. [R.19-445.2070 and Section 11-35-1520(13)]
- d) Price Reasonableness: Any Offer may be rejected if the Procurement Officer determines in writing that it is unreasonable as to price. [R. 19-445.2070].
- e) Unbalanced Bidding: The BCSD may reject an Offer as non-responsive if the prices bid are materially unbalanced between line items or subline items. A bid is materially unbalanced when it is based on prices significantly less than cost for some work and prices which are significantly overstated in relation to cost for other work, and if there is a reasonable doubt that the bid will result in the lowest overall cost to the BCSD even though it may be the low evaluated bid, or if it is so unbalanced as to be tantamount to allowing an advance payment.
- f) **Do not submit bid samples or descriptive literature unless expressly requested.** Unsolicited bid samples or descriptive literature will not be examined or tested, will not be used to determine responsiveness, and will not be deemed to vary any of the provision of the solicitation

#### 2.0.24 SIGNING YOUR OFFER:

Every Offer must be signed by an individual with actual authority to bind the Offeror.

- a) If the Offeror is an individual, the Offer must be signed by that individual. If the Offeror is an individual doing business as a firm the Offer must be submitted in the firm name, signed by the individual, and state that the individual is doing business as a firm.
- b) If the Offeror is a partnership, the Offer must be submitted in the partnership name followed by the words “by its Partner”, and signed by a general partner.
- c) If the Offeror is a corporation, the Offer must be submitted in the corporate name, followed by the signature and title of the person authorized to sign.
- d) An Offer may be submitted by a Joint Venture involving any combination of individuals, partnerships, or corporations. If the Offeror is a Joint Venture, the Offer must be submitted in the name of the Joint Venture and signed by every participant in

the Joint Venture in the manner prescribed in paragraphs a) through c) above for each type of participant.

- e) If an Offer is signed by an Agent, other than as stated in subparagraphs a) through d) above, the Offer must state that it has been signed by an Agent. Upon request, Offeror must provide proof of the Agent's authorization to bind the principal.

#### 2.0.25 BCSD OFFICE CLOSINGS:

If an emergency or unanticipated event interrupts normal government processes so that offers cannot be received at the BCSD office designated for receipt of bids by the exact time specified in the solicitation, the time specified for receipt of offers will be deemed to be extended to the same time of day specified in the solicitation on the first work day on which normal government processes resume. In lieu of an automatic extension, an Amendment may be issued to reschedule bid opening. If BCSD offices are closed at the time a pre-bid or pre-proposal conference is scheduled, an Amendment will be issued to reschedule the conference.

#### 2.0.26 SUBMITTING CONFIDENTIAL INFORMATION (FEB 2015): (An overview is available at [www.procurement.sc.gov](http://www.procurement.sc.gov)):

- a) For every document Offeror submits in response to or with regard to this solicitation or request, Offeror must separately mark with the word "CONFIDENTIAL" every page, or portion thereof, that Offeror contends contains information that is exempt from public disclosure because it is either
  - 1) a trade secret as defined in Section 30-4-40(a)(1) or
  - 2) privileged and confidential, as that phrase is used in Section 11-35-410.
- b) For every document Offeror submits in response to or with regard to this solicitation or request, Offeror must separately mark with the words "TRADE SECRET" every page, or portion thereof, that Offeror contends contains a trade secret as that term is defined by Section 39-8-20 of the Trade Secrets Act.
- c) For every document Offeror submits in response to or with regard to this solicitation or request, Offeror must separately mark with the word "PROTECTED" every page, or portion thereof, that Offeror contends is protected by Section 11-35-1810.
- d) All markings must be conspicuous; use color, bold, underlining, or some other method in order to conspicuously distinguish the mark from the other text. Do not mark your entire response (Bid, Proposal, Quote, etc.) as confidential, trade secret, or protected. If your response or any part thereof, is improperly marked as confidential or trade secret or protected, the BCSD may, in its sole discretion, determine it non-responsive. If only portions of a page are subject to some protection, do not mark the entire page.

- e) By submitting a response to this solicitation or request, Offeror:
  - 1) agrees to the public disclosure of every page of every document regarding this solicitation or request that was submitted at any time prior to entering into a contract (including, but not limited to, documents contained in a response, documents submitted to clarify a response, and documents submitted during negotiations), unless the page is conspicuously marked "TRADE SECRET" or "CONFIDENTIAL" or "PROTECTED",
  - 2) agrees that any information not marked, as required by these bidding instructions, as a "Trade Secret" is not a trade secret as defined by the Trade Secrets Act, and
  - 3) agrees that, notwithstanding any claims or markings otherwise, any prices, commissions, discounts, or other financial figures used to determine the award, as well as the final contract amount, are subject to public disclosure.
- f) In determining whether to release documents, the BCSD will detrimentally rely on Offeror's marking of documents, as required by these bidding instructions, as being either "confidential" or "trade secret" or "PROTECTED".
- g) By submitting a response, Offeror agrees to defend, indemnify and hold harmless the BCSD, its officers, and its employees, from every claim, demand, loss, expense, cost, damage or injury, including attorney's fees, arising out of or resulting from withholding information by the District, that Offeror marked as "confidential" or "trade secret" or "PROTECTED". (All references to S.C. Code of Laws.)

#### 2.0.27 SUBMITTING A PAPER OFFER OR MODIFICATION (MAR 2015):

Unless specifically instructed otherwise in the solicitation, you should submit your offer or modification in accordance with the following instructions:

- c) If you are responding to more than one solicitation, submit each offer in a separate envelope or package.
- d) Submit the number of copies indicated on the Cover Page.
- e) Facsimile or e-mail offers, modifications, or withdrawals, will not be considered unless authorized by the Solicitation.

### **3.0 SCOPE OF WORK/SPECIFICATIONS**

The purpose of this solicitation is to acquire services, supplies and/or equipment from qualified firms to provide Solid Waste Collection, Disposal, and Recycling Services, complying with the enclosed description and/or specifications and conditions for the Beaufort County School District.

The District is seeking a firm that will assist in its goal to eliminate, reduce, and recycle. This is being done to limit the total disposal of all wastes generated by the District.

BCSD recognizes that solid waste and recycling weight data play a crucial role in a resource management program. Weight information is critical in determining program effectiveness. For these reasons, all bidders should include a method of recording collection weights in their Services for Resource Management proposal. Weight data shall be submitted weekly for both recycling and regular solid waste.

This solicitation covers existing schools and schools now under construction or constructed during the term of this contract. For this proposal, BCSD will provide the current number of units at each school and weekly pulls per unit. The table of waste collection is found in the School Information section located at the end of the document in the Appendix.

#### **3.0.1 PERFORMANCE LOCATION:**

After award, all deliveries shall be provided to the locations specified by this Solicitation.

#### **3.0.2 SOLID WASTE COLLECTION AND DISPOSAL:**

3.0.2.1 These specifications are for the provision of solid waste collection and disposal services for Beaufort County School District.

3.0.2.2 Responsibility of Contractor: The Contractor shall furnish all labor, materials, supplies, equipment, and transportation necessary to provide the required level of services.

3.0.2.3 Description of Refuse: Refuse for collection described in these specifications shall include all types of solid waste common to normal daily school operations. To date, BCSD has not tracked the weight per student. A baseline will be created over the first six months of this contract. As information to potential bidders, estimated weights are provided with the school information section located at the end of this document.

3.0.2.4 Refuse Collection: The Contractor will be responsible for the removal and disposal of the contents from each container. Each container shall be emptied and returned to its original position. **Garbage and refuse spilled by collectors shall be swept up and removed during the current pickup.** At the time of collection, the Contractor shall be capable of collecting weight data and recording weight data for each collection point.

3.0.2.5 Refuse Containers: Solid Waste containers must be painted a different color from the Recycling Container or have stickers designation specific. The recycling containers shall be distinct and distinguishable from the solid waste containers. If stickers are used and the Owner collects information which indicates the public are using the containers incorrectly because they are not distinguishing a difference, the Owner may require the contractor to paint recycling containers a distinctly different color from the solid waste containers.

### 3.0.3 **RECYCLING COLLECTION AND PROCESSING:**

The Beaufort County School District has a strong commitment to waste reduction and recycling. The goal of this contract is to see the overall volume of recycling increase throughout the contract.

3.0.3.1 These specifications are for the providing of recycling and processing services for Beaufort County School District.

3.0.3.2 Responsibility of Contractor: The Contractor shall furnish all labor, materials, supplies, equipment, and transportation necessary to provide the required level of services.

3.0.3.3 Description of Recycling Items: The preferred method of recycling for collection described in these specifications must include the **single stream** sorting process common to normal daily school operations. Where costs for recycling stream separation are substantial, the Resource Management contractor can make suggestions on how to maximize profitability of the recycling materials being collected. Due to the current recycling market conditions, Beaufort County Schools is recommending clean paper and cardboard recycling only. When market conditions change to make single stream a viable option, Beaufort County, under consultation with this contractor, will move back to a single stream model.

Materials are to be collected in District Offices and Schools in receptacles (to be provided by the Contractor) lined with plastic bags. Materials are transported outside into collection carts.

3.0.3.4 Provide external collection containers as needed for recyclables at each location (i.e., Carts or Dumpsters; may differ by location according to space availability and contractor's collection method). Contractor may make recommendations on the size of collection containers and the number of times collected per week.

Minimum collection times shall be once per week. All collection containers shall be sized to fit in the available collection area at the school. If containers are exceeding existing collection area, owner can request contractor to change container size or configuration in order to better fit collection container location. **Collection containers must be painted a different color from the Solid Waste Containers or have stickers which are designation specific.**

3.0.3.5 Recycle Collection: The Contractor will be responsible for the removal and disposal of the contents from each container. Each container shall be emptied and returned to its original position. **Recyclables spilled by collectors shall be swept up and removed during the current pickup.** If the owner notices that the current numbers of containers are overflowing on a regular basis, owner may require contractor to provide additional containers.

At the time of collection, the contractor shall be capable of collecting weight data and recording weight data for each collection point.

3.0.3.6 Revenue Share Arrangement: The successful vendor and the District may, but need not, make arrangements during the performance of the contract for sharing resale proceeds from recyclables, with appropriate pricing adjustments. Resource Management Contractor may use revenue sharing to increase overall recycling collection at specific locations or District-wide.

The Contractor shall be responsible for all damages to persons or property that occurs as a result of his fault or negligence.
- 3.0.4.9 Performance: Submission of a bid shall be accepted as evidence that bidder has examined the specifications and is satisfied as to the nature and location of the work and all other matters which may in any way affect the work or cost thereof under this contract. Any failure of the bidder to acquaint himself with all available information, including a physical survey of the sites of the proposed work, will not relieve him from performing all the work required to be done for a complete, finished job.

The credit shall be in the amount of the charge per container and per cubic yard specified on the bid (Exhibit 1).**

Termination of the contract as herein provided shall not terminate, suspend, or affect the liability of the Contractor. Failure to comply with the terms of the contract by the Contractor because of major disaster, epidemic, or other great emergency within the District shall not constitute a breach of contract. Should there be significant excess cleanup required as the result of a disaster or act of God, the price of such excess pickup will be negotiated by the parties at a reasonable price. If the Contractor has not placed a date on the invoice, the due date shall be calculated from the date the designated billing office receives a proper invoice, provided the District annotates such invoice with the date of receipt at the time of receipt. For the purpose of computing the discount earned, payment shall be considered to have been made on the date that appears on the payment check or, for an electronic funds transfer, the specified payment date. #### 7.1.1 BANKRUPTCY – GOVERNMENT INFORMATION (FEB 2015):

- a) All government information (as defined in the clause herein entitled “Information Security – Definitions”) shall belong exclusively to the District and Contractor has no legal or equitable interest in, or claim to such information. - b) Contractor agrees to notify the District within forty-eight (48) hours of any determination that it makes to file for bankruptcy protection, and Contractor further agrees to turn over to the District, before such filing, all government information that is in Contractor's possession in a format that can be readily utilized by the District.

Any adjustment in contract price made pursuant to this clause shall be determined in accordance with the Price Adjustment Clause of this contract. Failure of the parties to agree to an adjustment shall not excuse the Contractor from proceeding with the Contract as changed, provided that the BCSD promptly and duly make such provisional adjustments in payment or time for performance as may be reasonable. By proceeding with the work, the Contractor shall not be deemed to have prejudiced any claim for additional compensation, or an extension of time for completion.
- c) **Time Period for Claim:** Within 30 days after receipt of a written contract modification under Paragraph a) of this clause, unless such period is extended by the Procurement Officer in writing, the Contractor shall file notice of intent to assert a claim for an adjustment. Later notification shall not bar the Contractor's claim unless the BCSD is prejudiced by the delay in notification.
- d) **Claim Barred After Final Payment:** No claim by the Contractor for an adjustment hereunder shall be allowed if notice is not given prior to final payment under this contract.

#### 7.1.3 COMPLIANCE WITH LAWS (JAN 2006):

- a) Without limiting any of the obligations or liabilities of Contractor, Contractor shall procure from a company or companies lawfully authorized to do business in South Carolina and with a current A.M. Best rating of no less than A: VII, and maintain for the duration of the contract, insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work and the results of that work by the contractor, his agents, representatives, employees or subcontractors.

If a general aggregate limit applies, the general aggregate limit shall be twice the required occurrence limit. This contract shall be considered to be an "insured contract" as defined in this policy.
  - 2) Auto Liability: ISO Form Number CA 00 01 covering any auto (Code 1), or if Contractor has no owned autos, hired, (Code 8) and non-owned autos (Code 9), with limits no less than \$1,000,000 per accident for bodily injury and property damage.

- d) For any claims related to this contract, the Contractor's insurance coverage shall be primary insurance as respects the District, every applicable Using Governmental Unit, and the officers, officials, employees and volunteers of any of them. Any insurance or self-insurance maintained by the District, every applicable Using Governmental Unit, or the officers, officials, employees and volunteers of any of them, shall be excess of the Contractor's insurance and shall not contribute with it.

- e) Prior to commencement of the work, the Contractor shall furnish the District with original certificates and amendatory endorsements or copies of the applicable policy language effecting coverage required by this section. All certificates are to be received and approved by the District before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive the Contractor's obligation to provide them. The District reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by this section, at any time.
- f) Should any of the above described policies be cancelled before the expiration date thereof; notice will be delivered in accordance with the policy provisions. In addition, the Contractor shall notify the District immediately upon receiving any information that any of the coverages required by this section are or will be changed, cancelled, or replaced.
- g) Contractor hereby grants to the District and every applicable Using Governmental Unit a waiver of any right to subrogation which any insurer of said Contractor may acquire against the District or applicable Using Government Unit by virtue of the payment of any loss under such insurance. Contractor agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the District or Using Governmental Unit has received a waiver of subrogation endorsement from the insurer.
- h) Any deductibles or self-insured retentions must be declared to and approved by the District. The District may require the Contractor to purchase coverage with a lower deductible or retention or provide proof of ability to pay losses and related investigations, claim administration, and defense expenses with the retention.
- i) The District reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insure, coverage, or other special circumstances.

#### 7.1.6 CONTRACTOR PERSONNEL (JAN 2006):

The Contractor shall enforce strict discipline and good order among the Contractor's employees and other persons carrying out the Contract. The Contractor shall not permit employment of unfit persons or persons not skilled in tasks assigned to them.

#### 7.1.7 CONTRACTOR'S OBLIGATION – GENERAL (JAN 2006):

The Contractor shall provide and pay for all materials, tools, equipment, labor and professional and non-professional services, and shall perform all other acts and supply all other things necessary, to fully and properly perform and complete the work. The contractor must act as the prime Contractor and assume full responsibility for any Subcontractor's performance. The Contractor will be considered the sole point of contact

with regard to all situations, including payment of all charges and the meeting of all other requirements.

#### 7.1.8 DEFAULT:

- a) 1) The District may, subject to paragraphs (c) and (d) of this clause, by written notice of default to the contractor, terminate this contract in whole or in part if the contractor fails to –
  - i) Deliver the supplies or to perform the services within the time specified in this contract or any extension;
  - ii) Make progress, so as to endanger performance of this contract (but see paragraph (a)(2) of this clause; or
  - iii) Perform any of the other material provisions of this contract (but see paragraph (a)(2) of this clause).
- 2) The District's right to terminate this contract under subdivisions (a)(1)(ii) and (1)(iii) of this clause, may be exercised if the contractor does not cure such failure within 19 days (or more if authorized in writing by the Procurement Officer) after receipt of the notice from the Procurement officer specifying the failure.
- b) If the District terminates this contract in whole or in part, it may acquire, under the terms and in the manner the Procurement Officer considers appropriate, supplies or services similar to those terminated, and the contractor will be liable to the District for any excess costs for those supplies or services. However, the contractor shall continue the work not terminated.
- c) Except for defaults of subcontractors at any tier, the contractor shall not be liable for any excess costs if the failure to perform the contract arises from causes beyond the control and without the fault or negligence of the contractor. Examples of such causes include (1) acts of God or of the public enemy, (2) acts of the District in either its sovereign or contractual capacity, (3) fires, (4) floods, (5) epidemics, (6) quarantine restrictions, (7) strikes, (8) freight embargoes, and (9) unusually severe weather. In each instance the failure to perform must be beyond the control and without the fault or negligence of the contractor.
- d) If the failure to perform is caused by the default of a subcontractor at any tier, and if the cause of the default is beyond the control of both the contractor and subcontractor, and without the fault or negligence of either, the contractor shall not be liable for any excess costs for failure to perform, unless the subcontracted supplies or services were obtainable from other sources in sufficient time for the contractor to meet the required delivery schedule.
- e) If this contract is terminated for default, the District may require the contractor to transfer title and deliver to the District, as directed by the Procurement Officer, any

- 1) completed supplies, and
  - 2) partially completed supplies and materials, parts, tools, dies, jigs, fixtures, plans, drawings, information, and contract rights (collectively referred to as “manufacturing materials” in this clause) that the contractor has specifically produced or acquired for the terminated portion of this contract. Upon direction of the Procurement Officer, the contractor shall also protect and preserve property in its possession in which the District has an interest.
- f) The District shall pay contract price for completed supplies delivered and accepted. The contractor and Procurement Officer shall agree on the amount of payment for manufacturing materials delivered and accepted and for the protection and preservation of the property; if the parties fail to agree, the Procurement Officer shall set an amount subject to the contractor’s rights under the Disputes clause. Failure to agree will be a dispute under the Disputes clause. The District may withhold from these amounts any sum the procurement officer determines to be necessary to protect the District against loss because of outstanding liens or claims of former lien holders.
  - g) If, after termination, it is determined that the contractor was not in default, or that the default was excusable, the rights and obligations of the parties shall, if the contract contains a clause providing for termination for convenience of the District, be the same as if the termination had been issued for the convenience of the District. If, in the foregoing circumstances, this contract does not contain a clause providing for termination for convenience of the District, the contract shall be adjusted to compensate for such termination and the contract modified accordingly subject to the contractor’s rights under the Disputes clause.
  - h) The rights and remedies of the District in this clause are in addition to any other rights and remedies provided by law or under this contract.

7.1.9 ESTIMATED QUANTITY - UNKNOWN (JAN 2006):

The total quantity of purchases of any individual item on the contract is not known. The District does not guarantee that the District will buy any specified item or total amount. The omission of an estimated purchase quantity does not indicate a lack of need but rather a lack of historical information.

7.1.10 ILLEGAL IMMIGRATION:

(An overview is available at [www.procurement.sc.gov](http://www.procurement.sc.gov)) By signing your offer, you certify that you will comply with the applicable requirements of Title 8, Chapter 14 of the South Carolina Code of Laws and agree to provide to the State upon request any documentation required to establish either: (a) that Title 8, Chapter 14 is inapplicable to you and your subcontractors or sub-subcontractors; or (b) that you and your subcontractors or sub-subcontractors are in compliance with Title 8, Chapter 14. Pursuant to Section 8-14-60, “A person who knowingly makes or files any false, fictitious, or fraudulent document,

statement, or report pursuant to this chapter is guilty of a felony and, upon conviction, must be fined within the discretion of the court or imprisoned for not more than five years, or both.” You agree to include in any contracts with your subcontractors language requiring your subcontractors to (a) comply with the applicable requirements of Title 8, Chapter 14, and (b) include in their contracts with the sub-subcontractors language requiring the sub-subcontractors to comply with the applicable requirements of Title 8, Chapter 14. [07-7B097-1]

#### 7.1.11 INDEMNIFICATION - THIRD PARTY CLAIMS - GENERAL (FEB 2015):

Notwithstanding any limitation in this agreement, and to the fullest extent permitted by law, Contractor shall defend and hold harmless Indemnitees for and against any and all suits or claims of any character (and all related damages, settlement payments, attorneys' fees, costs, expenses, losses or liabilities) by a third party which are attributable to bodily injury, sickness, disease or death, or to injury to or destruction of tangible property arising out of or in connection with the goods or services acquired hereunder or caused in whole or in part by any act or omission of contractor, its subcontractors, their employees, workmen, servants, agents, or anyone directly or indirectly employed by them or anyone for whose acts any of them may be liable, regardless of whether or not caused in part by an Indemnitee, and whether or not such claims are made by a third party of an Indemnitee; however, if an Indemnitee's negligent act or omission is subsequently determined to be the sole proximate cause of a suit or claim, the Indemnitee shall not be entitled to indemnification hereunder. Contractor shall be given timely written notice of any suit or claim. Contractor's obligations hereunder are in no way limited by any protection afforded under workers' compensation acts, disability benefits acts, or other employee benefit acts. This clause shall not negate, abridge, or reduce any other rights or obligations of indemnity which would otherwise exist. The obligations of this paragraph shall survive termination, cancelation, or expiration of the parties' agreement. This provision shall be construed fairly and reasonably, neither strongly for nor against either party, and without regard to any clause regarding insurance. As used in this clause, "Indemnitees" means the BCSD, its instrumentalities, agencies, departments, boards, political subdivisions and all their respective officers, agents and employees.

#### 7.1.12 INDEMNIFICATION - THIRD PARTY CLAIMS – DISCLOSURE OF INFORMATION (FEB 2015):

- a) Without limitation, Contractor shall defend and hold harmless Indemnitees from and against any and all suits, claims, investigations, or fines (hereinafter "action") of any character (and all related damages, settlement payments, attorneys' fees, costs, expenses, losses or liabilities) by a third party which arise out of or in connection with a disclosure of government information (as defined in the clause titled Information Security – Definitions) cause in whole or in part by any act or omission of contractor, its subcontractors at any tier, their employees, workmen, servants, agents, or anyone directly or indirectly employed by them or anyone for whose acts any of them may be liable, regardless of whether or not caused in part by an Indemnitee, and whether or not such action is brought by a third party or an Indemnitee, but only if the act or

omission constituted a failure to perform some obligation imposed by the contract or the law.

- b) Indemnitee must notify contractor in writing within a reasonable period of time after Indemnitee first receives written notice of any action. Indemnitee's failure to provide or delay in providing such notice will relieve contractor of its obligations under this clause only if and to the extent that such delay or failure materially prejudices contractor's ability to defend such action. Indemnitee must reasonably cooperate with contractor's defense of such actions (such cooperation does not require and is without waiver of an Indemnitee's attorney/client, work product, or other privilege\_ and, subject to Title 1, Chapter 7 of the South Carolina Code of Laws, allow contractor sole control of the defense, so long as the defense is diligently and capably prosecuted. Indemnitee may participate in contractor's defense of any action at its own expense. Contractor may not, without Indemnitee's prior written consent, settle, compromise, or consent to the entry of any judgment in any such commenced or threatened action unless such settlement, compromise or consent:
  - i. includes an unconditional release of Indemnitee from all liability related to such commenced or threatened action, and
  - ii. is solely monetary in nature and does not include a statement as to, or an admission of fault, culpability or failure to act by or on behalf of, an Indemnitee or otherwise adversely affect an Indemnitee. Indemnitee's consent is necessary for any settlement that requires Indemnitee to part with any right or make any payment or subjects Indemnitee to any injunction
- c) Notwithstanding any other provision, contractor's obligations pursuant to this clause are without any limitation whatsoever. Contractor's obligations under this clause shall survive the termination, cancellation, rejection, or expiration of the contract. This provision shall be construed fairly and reasonably, neither strongly for nor against either party, and without regard to any clause regarding insurance.
- d) "Indemnitee" means the State of South Carolina, its instrumentalities, agencies, departments, boards, political subdivisions and all their respective officers, agents and employees.

#### 7.1.13 INDEMNIFICATION - INTELLECTUAL PROPERTY (FEB 2015):

- a) Without limitation and notwithstanding any provision in this agreement, Contractor shall, upon receipt of notification, defend and indemnify the BCSD, its instrumentalities, agencies, departments, boards, political subdivisions and all their respective officers, agents and employees against all actions, proceedings or claims of any nature (and all damages, settlement payments, attorneys' fees (including inside counsel), costs, expenses, losses or liabilities attributable thereto) by any third party asserting or involving an IP right related to an acquired item. BCSD shall allow Contractor to defend such claim so long as the defense is diligently and capably prosecuted. BCSD shall allow Contractor to settle such claim so long as

- 1) all settlement payments are made by Contractor, and
  - 2) the settlement imposes no non-monetary obligation upon BCSD.  
BCSD shall reasonably cooperate with Contractor's defense of such claim.
- b) In the event an injunction or order shall be obtained against BCSD's use of any acquired item, or if in Contractor's opinion, the acquired item is likely to become the subject of a claim of infringement or violation of an IP right, Contractor shall, without in any way limiting the foregoing, and at its expense, either:
- 1) procure for BCSD the right to continue to use, or have used, the acquired item, or
  - 2) replace or modify the acquired item so that it becomes non-infringing but only if the modification or replacement does not adversely affect the specifications for the acquired item or its use by BCSD.
- If neither (1) nor (2), above, is practical, BCSD may require that Contractor remove the acquired item from BCSD, refund to BCSD any charges paid by BCSD therefore, and take all steps necessary to have BCSD released from any further liability.
- c) Contractors obligations under this paragraph do not apply to a claim to the extent
- 1) that the claim is caused by Contractor's compliance with specifications furnished by the BCSD unless Contractor knew its compliance with the BCSD's specifications would infringe an IP right, or
  - 2) that the claim is caused by Contractor's compliance with specifications furnished by the BCSD if the BCSD knowingly relied on a third party's IP right to develop the specifications provided to Contractor and failed to identify such product to Contractor.
- d) As used in this paragraph, these terms are defined as follows: "IP right(s)" means a patent, copyright, trademark, trade secret, or any other proprietary right. "Acquired item(s)" means the rights, goods, or services furnished under this agreement. "Specification(s)" means a detailed, exact statement of particulars such as a statement prescribing materials, dimensions, and quality of work.
- e) Contractor's obligations under this clause shall survive the termination, cancellation, rejection, or expiration of this Agreement.
