1.3 ALTERNATIVE BIDS: PBA will not accept alternate bids (those not equal to specifications) unless authorized by the Invitation for Bids (IFB).

1.4 AWARD: Award will be made to the most responsive, responsible supplier(s) meeting specifications, who presents the product(s) and/or service(s) that is in the best interest of PBA. A responsible supplier is one with the capability in all respects (e.g., experience, personnel, equipment, and finances) to fully perform the contract requirements and the integrity and reliability that will assure good faith performance.

PBA intends to award this solicitation to all responsive and responsible bidders; however, PBA reserves the right to award this IFB on an item-by-item basis, a schedule basis, an all or none basis, or by multiple award, whichever is in the best interest of PBA. PBA reserves the right to not award this solicitation. Award will be made in accordance with the evaluation criteria specified herein.

1.5 BID DELIVERY: PBA requires suppliers, when hand delivering bids, to time and date stamp the envelope before submitting their response to the Procurement Office representative. The time clock in the Procurement Office will become the official record of time. Electronic submissions are recorded electronically. PBA will not be responsible for technical difficulties experienced by suppliers trying to register or submit their response electronically less than twenty-four (24) hours prior to the bid opening time. See Section 1.16 for information regarding required supplier registration.

Solicitations must be in a sealed envelope/box prior to entering the Procurement Office. Procurement Office personnel are not allowed to see the submittal nor assist in placing documents in an envelope/box. Additionally, the Procurement Office is not responsible for providing materials (e.g.: envelopes, boxes, tape) for submittals.

1.6 BID FORMAT: This solicitation is in the IFB format. At the specified date and time, each supplier's name and pricing will be publicly read aloud. Evaluation of the bids will proceed as expeditiously as possible and successful, as well as unsuccessful, notification will be given.

1.7 CLOSURES: During periods of closure due to unforeseen circumstances in Knox County or closures at the direction of PBA's Administrator/CEO, the Procurement Office will enact the following procedures regarding solicitations and closures:

- If the Administrator/CEO closes the administrative offices prior to the time set for a solicitation opening/closing on any business day, all solicitations due that same day will be moved to the next operational business day.
- Other unforeseen circumstances will be at the sole discretion of the PBA Director of Finance.
- PBA will not be liable for any commercial carrier's decision regarding deliveries during any unforeseen circumstances.

- 1.8 CONFLICTS OF INTEREST:** PBA has adopted a resolution regarding conflicts of interest for employees and contractors. When submitting a response to the IFB, each supplier must certify that the submission is not the result of, or affected by, any unlawful act of collusion with any other person or company engaged in the same line of business or commerce or any other fraudulent act punishable under the laws the United States of America or the State of Tennessee. Please see Attachments A, B, and C.
- 1.9 CONTRACTOR DEFAULT:** PBA reserves the right, in case of contractor default, to procure the articles or services from other sources and hold the defaulting contractor responsible for any excess costs occasioned thereby. Should contractor default be due to a failure to perform or because of a request for a price increase, PBA reserves the right to remove the contractor from PBA's bidders' list for twenty-four (24) months.
- 1.10 COOPERATIVE PURCHASING:** Suppliers must indicate whether it is permissible for other governments in Tennessee to purchase these items or services at the same price. Freight charges can be adjusted to reflect differences in delivery costs.
- 1.11 COPIES:** PBA **requires** that bids being submitted by hand be submitted with one (1) marked original and one (1) exact copy. PBA requests that bids be concise with no duplication of answers. If submitting electronically using PBA's online portal, no additional copies are needed.
- 1.12 DECLARATIVE STATEMENTS:** Any statement or words (e.g.: must, will, shall) are declarative statements and the supplier must comply with the condition. Failure to comply with any such condition may result in their bid being deemed non-responsive and disqualified.
- 1.13 ELECTRONIC TRANSMISSION OF BIDS:** PBA's Procurement Office **will** accept electronically transmitted bids through PBA's On-Line Procurement System. PBA prefers that all documents for an electronic submittal be merged into a single .pdf document prior to uploading them in Vendor Registry. Facsimile and email submissions are strictly prohibited.
- 1.14 ENTRANCE TO PBA SITES:** Only PBA badged employees of the successful contractor(s) are allowed on the premises of PBA buildings and projects. Contractor employees/subcontractors are NOT to be accompanied in their work area by acquaintances, family members, assistants, or any unauthorized persons. Only the contractor's personnel, having passed the security background check and issued a PBA badge, are authorized to be onsite. All authorized personnel are required to wear and display their PBA issued badge at all times while in a PBA facility.
- 1.15 EVALUATION OF TIE SOLICITATIONS:** A tie exists when two or more suppliers offer goods and/or services that meet all specifications, terms, and conditions at identical prices, including cash discount offered and any other value-based factors. A tie for quotes or bids will be broken by the following methods, in descending order of preference:
- 1.15.1** Life Cycle Costing techniques would be utilized to determine the lifetime cost of the item from each supplier. If either item was more expensive over its lifetime, it would not be considered.
 - 1.15.2** Delivery factors such as lead times, schedules and cost could be considered.
 - 1.15.3** Locality would be a factor of the decision. If either supplier was local or if one supplier was in the state of Tennessee and the other one was not, the award can be made to the supplier having local ties.
 - 1.15.4** If no other method of breaking the tie is useful, a publicly witnessed drawing of lots or coin toss can be utilized.
 - 1.15.5** The responses could be rejected, and the item re-solicited.
- In the event that a proposal evaluation process results in two or more proposals receiving evaluation scores that tie for the rank of highest score, PBA will request best and final cost proposals from only those suppliers with scores that tie. PBA will then evaluate the best/final proposals from the tied suppliers to make a selection.
- 1.16 HOW TO DO BUSINESS:** PBA utilizes a web-based procurement software system, Vendor Registry. The system provides our clients with a more enhanced and end-user friendly means of accessing our services. The system allows for online supplier registration and maintenance as well as online retrieval and submittal of quotes, bids, and proposals for our supplier clients.

Prior to the opening of this IFB, *ALL PARTICIPATING SUPPLIERS* must be registered with the PBA Procurement Office. Registration may be completed online at <https://www.ktnpba.org>, Select the Register as a Vendor link to complete the registration process. There is a link for a "How To" guide on the website for your reference. If you have any questions, please contact the Procurement Office Representative listed in Section 1.1 of this document.

1.17 INCURRED COSTS: PBA will not be responsible for any costs incurred by the supplier in the preparation of their bid.

1.18 MINORITY-OWNED, WOMEN-OWNED & DISADVANTAGED BUSINESSES: PBA encourages the meaningful participation of minority-owned businesses. It is the intent of PBA to maintain a minimum procurement goal of 10% participation from minority-owned, women-owned, small businesses, and/or disadvantaged businesses.

1.19 MULTIPLE BIDS: PBA will consider multiple bids that meet specifications.

1.20 NO CONTACT POLICY: After the date and time that the supplier receives this solicitation, any contact initiated by any supplier with any PBA representative concerning this IFB, other than the Procurement Office representative listed herein, is strictly prohibited. Any such unauthorized contact may cause the disqualification of the supplier from this procurement transaction.

1.21 PAYMENT METHOD: PBA utilizes two (2) methods of placing orders for products. The first is the use of Purchase Orders (P.O.). P.O.s will be issued from the PBA Procurement Office via email. The P.O. will detail the quantity, specific item(s), and the contracted price for each item. Orders placed using a P.O. will be paid by Electronic Funds Transfer (EFT). Successful contractor(s) will be asked to submit a new/updated EFT Authorization Form to confirm that PBA has the correct banking information on file prior to the contract being fully executed.

The second method is the use of the PBA purchase card (P-Card), MasterCard. Orders placed on the credit card will list the same information as the P.O. Contractors will be given the card information and approval to process the transaction for the requesting department. Suppliers must indicate in their bid if they will accept the PBA P-Card as a form of payment. Contractors are prohibited from charging PBA any type of merchant fee from their financial institution to accept this type of payment.

1.22 POSSESSION OF WEAPONS: All contractors and their employees and their agents are prohibited from possessing any weapons on PBA property without prior written consent from PBA. In the case of a contractor whose contract requires possession of firearms or other weapons to successfully complete their contract, contractor must provide personnel who are bonded to bear said weaponry.

1.23 PROCESSING TIME FOR PAYMENT: Contractors are advised that a minimum of thirty (30) days is required to process invoices for payment when the invoicing instructions herein are followed.

1.24 PROOF OF FINANCIAL AND BUSINESS CAPABILITY: Contractors must, upon request, furnish satisfactory evidence of their ability to furnish products and/or services in accordance with the terms and conditions of these specifications. PBA will make the final determination as to the contractor's ability.

1.25 RECYCLING: PBA, in its continuing efforts to lessen the amount of landfill waste and to further recycling efforts, requests that bids be submitted electronically using PBA's online portal. Bids being submitted on paper must:

1.25.1 Be submitted on recycled paper;

1.25.2 Not include pages of unnecessary advertising.

1.26 RESTRICTIVE OR AMBIGUOUS SPECIFICATIONS: It is the responsibility of the prospective supplier to review the entire IFB packet and to notify the Procurement Office if the specifications are formulated in a manner that would unnecessarily restrict competition.

Any such protest or question regarding the specifications or solicitation procedures must be received by the Procurement Office no later than **4:30 p.m. Eastern Time on March 20, 2024**. These requirements also apply to specifications that are ambiguous.

1.27 SIGNING OF BIDS: In order to be considered, all submittals must be signed. **The original must be signed by a representative of the company authorized to contractually bind the company.** By signing the bid document, the supplier acknowledges and accepts the terms and conditions stated in the document and will legally bind the supplier to PBA's request for goods and/or services.

- 1.28 SMOKING/TOBACCO POLICY:** Smoking, smokeless tobacco products, and electronic-cigarette use is prohibited in PBA managed buildings, including at any of the entrances or exits or within fifty feet of any doorway, as is currently designated and determined by federal regulations, which may change from time-to-time. Smoking is only permitted at the designated smoking areas beyond the 50-foot restriction. This policy applies to all contractors' employees and subcontractors. Smoking means inhaling, exhaling, burning, or carrying any lighted or heated cigar, cigarette, pipe, or any other lighted or heated tobacco or plant product intended for inhalation, in any manner or in any form. This policy also applies to electronic cigarette devices in all forms.
- 1.29 TAXES:** PBA direct purchases are not subject to taxation. Tax exemption certificates will be provided upon request.
- 1.30 TERM CONTRACTS:** If this solicitation results in a term contract, PBA must receive all general price decreases that other similar customers receive.
- 1.31 TITLE VI:** It is the policy of PBA that all its services and activities be administered in conformance with the requirements of Title VI. Contractors must comply with the President's Executive Order Nos. 11246 and 11375 which prohibit discrimination in employment regarding race, color, religion, sex, or national origin. Contractors must not maintain or provide for their employees any facilities that are segregated on the basis of race, color, religion, or national origin. Contractors must also comply with Title VI of the Civil Rights Act of 1964, Copeland Anti-kickback Act, the Contract Work Hours and Safety Standard Act, Section 402 of the Vietnam Veterans Adjustment Act of 1974 and Section 503 of the Rehabilitation Act of 1973, all of which are incorporated by reference.
- All contractors must comply with Title VI of the Civil Rights Act of 1964 as codified in 42 U.S.C. 2000d. The successful contractor(s) must follow Title VI guidelines in all areas including, but not limited to, hiring practices, open facilities, insurance, and wages. PBA reserves the right to review all compliance records to be completed by a contract compliance officer designated by PBA.
- 1.32 USE OF BID FORMS:** Suppliers must complete the bid forms contained in the solicitation package. Failure to complete the bid forms may result in rejection of their bid.
- 1.33 WAIVING OF INFORMALITIES:** PBA reserves the right to waive minor informalities or technicalities when it is in the best interest of PBA.

SECTION II OBLIGATIONS, RIGHTS AND REMEDIES

These terms and conditions shall be part of the contract. PBA reserves the right to negotiate other terms and conditions it deems appropriate and necessary under the circumstances to protect the public's trust.

- 2.1 ALTERATIONS OR AMENDMENTS:** No alterations, amendments, changes, modifications, or additions to this contract shall be binding on PBA without the prior written approval of PBA.
- 2.2 APPROPRIATION:** In the event no funds are appropriated by PBA for the goods and/or services in any fiscal year or insufficient funds exist to purchase the goods and/or services, then the contract shall expire upon the expenditure of previously appropriated funds or the end of the current fiscal year, whichever occurs first, with no further obligations owed to or by either party.
- 2.3 ASSIGNMENT:** Contractor shall not assign or sub-contract this agreement, its obligations, or rights hereunder to any party, company, partnership, incorporation, or person without the prior written specific consent of PBA.
- 2.4 AWARD PROTEST PROCEDURES:** Occasionally there may be complaints from suppliers asserting the award process for a solicitation has been unfair in some manner. Any supplier who claims to be aggrieved in connection with a specific solicitation may pursue the following process for resolution. Suppliers who believe there has been a problem with the process or decisions should contact the buyer listed in Section 1.1 of the solicitation in question. Typically, the buyer will be able to explain PBA's rationale for the decision and the supplier will be satisfied. However, if the supplier is still not satisfied, the following steps may be taken.

The supplier may notify the Director of Finance, in writing, within seven calendar days after the notice of the award or Intent to Award the contract is issued, whichever is earlier. **PBA will not consider complaints filed electronically.** Complaints received more than seven calendar days after the notification of the award decision has been made will not be considered for review. The envelope in which the protest is mailed should be clearly marked "Protest of Award Decision." The written protest should include:

- 2.4.1 The name, address, and phone number of the protestor and the name of the supplier represented;
- 2.4.2 The solicitation name, solicitation number, solicitation due date, and any other pertinent information;
- 2.4.3 A statement of reason for the protest and the resolution requested;
- 2.4.4 Any supporting documents, exhibits, or evidence to substantiate the protest; and
- 2.4.5 The original signature of the protestor.

The Director of Finance will review the protest and announce a decision in writing. Recognizing that delaying the procurement process any longer than necessary is detrimental to the interests of PBA, the Director of Finance will announce their decision as soon as possible. The decision will be made, and the protestor will be notified within five business days of the receipt of the protest.

If the protestor still is not satisfied, there is a final appeal process. The concerned protestor may file an appeal with the Administrator/CEO of PBA. This appeal must be filed within three business days from the issuance of the Director of Finance's decision. The Administrator/CEO will again review the information and the previous decisions. A decision will be made and issued within five business days.

In those cases where delaying the procurement process would endanger the health of the public served, cause additional and/or extensive damage to PBA or would adversely affect PBA programs, PBA will not stop the process. All documentation regarding the protest shall become part of the solicitation file.

- 2.5 **BACKGROUND CHECKS:** Any and all employees of the successful contractor's staff and their subcontractors' staff providing on-site services to PBA or assigned a project by PBA may be required to undergo a background check. The successful contractor(s) should allow up to five business days for an employee to be approved or denied for unescorted access within any PBA managed facility. Under no circumstances shall a contractor's or subcontractor's employee begin work on a PBA property or project prior to receiving authorization by PBA and obtaining a badge.

All costs associated with background checks will be the responsibility of the contractor. The costs for the background check and a badge, if required, will be charged at the current established rates listed in the PBA Background Check and Badge Procedure. Additional charges may apply. Firms may review and retrieve copies of the PBA Background Check and Badge Policy and the PBA Background Check and Badge Procedure documents on our website at www.ktnpba.org. Select the link for Doing Business with PBA; the documents are available under the Resources section.

PBA reserves the right to enforce different security requirements for different locations as required by law or by our client. If applicable, for projects occurring at school facilities or other locations where children may be present, the contractor must comply with the criminal background check requirements of T.C.A. § 49-5-413 and the contractor must submit all required information to PBA prior to commencing work on a project.

- 2.6 **BOOKS AND RECORDS:** Contractor shall maintain all books, documents, accounting records, and/or other evidence pertaining to the goods and/or services provided under this Contract and make such materials available at its offices at all reasonable times during the contract period and for three (3) years from the date of the final payment under this agreement for inspection by PBA or by any other governmental entity or agency participating in the funding of this agreement, or any authorized agents thereof; copies of said records to be furnished if requested. Such records shall include those books, documents, and accounting records that represent the contractor's costs of manufacturing, acquiring, or delivering the products and/or services governed by this agreement.

- 2.7 **CHILD LABOR:** Contractor agrees that no products or services will be provided or performed under this contract which have been manufactured or assembled by child labor.

- 2.8 **COMPLIANCE WITH ALL LAWS:** Contractor is assumed to be familiar with and agrees to observe and comply with all federal, state, and local laws, statutes, ordinances, and regulations in any manner affecting the provision of goods and/or services, and all instructions and prohibitive orders issued regarding this work and shall obtain all necessary permits. All contractors must be properly licensed by the State of Tennessee and all other authorities having jurisdiction. A copy of each current license or permit must be submitted with the response. Failure to submit copies of these documents may lead to rejection of the bid.

- 2.9 CONFLICTING PROVISIONS:** In the event of inconsistent or conflicting provisions of the contract and any documents related thereto (including but not limited to the IFB, the bid, the award, the special terms and conditions, the general terms and conditions, any subsequent project-specific contracts, the specifications, and the drawings) the provision that grants PBA the greater rights and/or imposes the greater obligations on the contractor shall prevail.
- 2.10 DEFAULT:** If contractor fails to perform or comply with any provision of this contract or the terms or conditions of any documents referenced and made a part hereof, PBA may terminate this contract, in whole or in part, and may consider such failure or noncompliance a breach of contract. PBA expressly retains all its rights and remedies provided by law in case of such breach, and no action by PBA shall constitute a waiver of any such rights or remedies. In the event of termination for default, PBA reserves the right to purchase its requirements elsewhere, with or without competitive solicitation.
- 2.11 GOVERNING LAW:** The resulting contract from this solicitation shall be governed by the laws of the State of Tennessee, and all obligations of the parties are performable in Knox County, Tennessee. The Chancery Court and/or the Circuit Court of Knox County, Tennessee, shall have exclusive and concurrent jurisdiction of any disputes which arise hereunder.
- 2.12 INCORPORATION:** All specifications, drawings, technical information, IFB, bid, award, and similar items referred to or attached or which are the basis for this contract are deemed incorporated by reference as if set out fully herein.
- 2.13 INDEMNIFICATION/HOLD HARMLESS:** Contractor shall indemnify, defend, save, and hold harmless PBA, its officers, agents, and employees from all suits, claims, actions, or damages of any nature brought because of, arising out of, or due to breach of the agreement by contractor, its subcontractors, suppliers, agents, or employees or due to any negligent act or occurrence or any omission or commission of contractor, its subcontractors, suppliers, agents, or employees.
- 2.14 INDEPENDENT CONTRACTOR:** Contractor shall acknowledge that it and its employees serve as independent contractors and that PBA shall not be responsible for any payment, insurance, or incurred liability.
- 2.15 INSPECTION AND ACCEPTANCE:** Warranty periods shall not commence until PBA inspects and formally accepts the goods and/or services. The terms, conditions, and timing of acceptance shall be determined by PBA. PBA reserves the right to reject any or all items or services not in conformance with applicable specifications, and contractor assumes the costs associated with such nonconformance. Acceptance of goods or services does not constitute a waiver of latent or hidden defects or defects not readily detectable by a reasonable person under the circumstances.
- 2.16 IRAN DIVESTMENT ACT:** By submission of this bid, each supplier and each person signing on behalf of any supplier certifies, and in the case of a joint bid each party thereto certifies as to its own organization, under penalty of perjury, that to the best of its knowledge and belief that each supplier is not on the list created pursuant to Tennessee Code Annotated (T.C.A.) § 12-12-106.
- 2.17 LIMITATIONS OF LIABILITY:** In no event shall PBA be liable for any indirect, incidental, consequential, special, or exemplary damages, or lost profits, even if PBA has been advised of the possibility of such damages.
- 2.18 NON-BOYCOTT OF ISRAEL ACT:** By submission of their bid, each supplier and each person signing on behalf of any supplier certifies, and in the case of a joint bid each party thereto certifies as to its own organization, under penalty of perjury, that to the best of its knowledge and belief that each supplier is not currently engaged in, and will not for the duration of the contract engage in, a boycott of Israel as defined by Tennessee Code Annotated § 12-4-119. Each supplier and each person signing on behalf of any supplier further certifies that each supplier is not on the list created pursuant to T.C.A. § 12-4-119. This provision shall not apply to contracts with a total value of less than Two Hundred Fifty Thousand dollars (\$250,000) or to contractors with less than ten (10) employees.

- 2.19 NON-DISCRIMINATION AND NON-CONFLICT STATEMENT:** Contractor agrees that no person on the grounds of handicap, age, race, color, religion, sex, or national origin shall be excluded from participation in, or be denied benefits of, or be otherwise subjected to discrimination in the performance of this agreement or in the employment practices of contractor. Contractor shall upon request show proof of such non-discrimination and shall post in conspicuous places available to all employees and applicants notices of non-discrimination. Contractor covenants that it complies with the Fair Wage and Hour Laws, the National Labor Relations Act, and other federal and state employment laws as applicable. Contractor covenants that it does not engage in any illegal employment practices. Contractor covenants that it has no public or private interest and shall not acquire directly or indirectly any interest, which would conflict in any manner with the provision of its goods or performance of its services. Contractor warrants that no part of the total contract amount provided herein shall be paid directly or indirectly to any officer or employee of PBA as wages, compensation, or gifts in exchange for acting as officer, agent, employee, subcontractor, or consultant to contractor in connection with any goods provided or work contemplated or performed relative to the agreement.
- 2.20 PUBLIC RECORDS ACT:** PBA is subject to the Tennessee Public Records Act T.C.A. § 10-7-503 et seq. Suppliers are cautioned that all documents submitted on behalf of this IFB will be open to the public for viewing and inspection, and PBA will comply with all legitimate requests.

- 2.22 RIGHT TO INSPECT:** PBA reserves the right to make periodic inspections of the manner and means the service is performed or the goods are supplied.
- 2.23 SEVERABILITY:** If any provision of this contract is declared illegal, void, or unenforceable, the remaining provisions shall not be affected but shall remain in force and in effect.
- 2.24 TAX COMPLIANCE:** Contractor hereby acknowledges, by submission of its bid and signature, that it is current in its respective federal, state, county, and city taxes of whatever kind or nature and is not delinquent in any way. Delinquent status must be disclosed or risk debarment by the PBA Procurement Office.
- 2.25 TERMINATION:** PBA may terminate this agreement with or without cause at any time, by written notice of termination to the contractor. If the PBA terminates this Agreement, and such termination is not a result of a default by the contractor, the contractor shall be entitled to receive as its sole and exclusive remedy the following amounts from the PBA, and the PBA shall have no further or other obligations to the contractor:
- a. the amount due to the contractor for work executed through the date of termination, not including any future fees, profits, or other compensation or payments which the contractor would have been entitled to receive if the project had not been terminated; and
 - b. the direct out-of-pocket costs incurred by the contractor for demobilization of any then current project following receipt of the notice of termination, not to exceed the amount reasonably and actually required to demobilize the project.

Contractor shall provide copies of warranties to PBA. Return of merchandise not meeting warranties shall be at contractor's expense.

Award will be based on Best Value. Best Value means more than low cost. It includes initial cost, service quality, and other factors detailed herein.

- 3.2 ACCEPTANCE:** Contractors are advised that the payment of an invoice does not necessarily constitute an acceptance of services that are provided. Acceptance requires a specific written action by PBA so stating.
- 3.3 ACCOUNT SET-UP:** The successful contractor(s) **will be required** to set up separate accounts for each PBA department that may use this term contract. Upon award of a contract, a list of all departments will be provided to the successful contractor(s). PBA reserves the right to purchase these goods and/or services from other sources if the need arises.
- PBA reserves the right to revoke the award if a pattern of unavailability or other service issues arise with the contractor(s). Should PBA desire not to renew, no reason needs to be given.
- 3.6 BID EVALUATION:** In evaluating the bids, PBA reserves the right to use any or all of the ideas from the bids submitted without limitation and to accept any part or all of the successful bid(s) in selecting an operation which is judged to be in the best interest of PBA. Should additional costs arise, PBA reserves the right to consider accepting these charges provided the contractor(s) can document the increased costs. PBA also reserves the right to accept proposed service changes from the contractor(s) if they will lower the cost to PBA and/or provide improved service.

The PBA Procurement Office **will not** accept any contractor's contract. If these types of Master Agreements, Service Agreements, Terms of Agreements, or other contract agreements are submitted, they **will** be rejected. Contractors are hereby cautioned that no contract will be binding on PBA unless signed by the PBA Administrator/CEO, as appropriate.
- 3.11 CONTRACTOR CONTACTS:** It will be essential to the success of this contract to develop a good working relationship with the contractor(s). It is imperative that the PBA account be handled efficiently and professionally. In the event one (1) or both contacts leave the PBA account, the contractor will formally introduce the new contacts to PBA personnel. These contacts must be knowledgeable of PBA's account to avoid any interruption of service.
- 3.12 DESTINATION AND DELIVERY:** Suppliers must include all destination and delivery charges in their prices. **There will be no extra hidden charges.** Delivery will be FOB Destination.

Firm's Pricing and/or Discounts	100 Points
---------------------------------	------------

PBA reserves the right to ascertain whether or not the prices submitted are realistic and within the competitive range for these products and this type of service. PBA will consider past experiences and/or concerns with companies during the evaluation stage.

When an evaluation committee is used, the total of all scores received for each category will be averaged for a total amount not to exceed the maximum total score assigned for each category of each criterion.

The award will not be based solely on the lowest price or the highest evaluation score on the above-stated criteria. The award will be based on Best Value, which will be determined by PBA based on not only the price, the evaluation scores, but also all other factors stated in this IFB and each supplier's responses thereto.

3.15 EVALUATION PROCEDURES: PBA will incorporate the following review procedures in the evaluation of the submitted bids.

- 3.15.1** PBA reserves the right to eliminate bids that are clearly non-responsive to the stated requirements.
- 3.15.2** Each bid received will be evaluated to determine if the supplier meets the minimum criteria and the degree to which the bid is responsive to the requirements of this document. Therefore, suppliers must exercise particular care in reviewing the supplier's checklist stating the required documents for this IFB.
- 3.15.3** The detailed evaluation that follows the initial examination may result in more than one finalist. At that point, PBA may request additional information or presentations by suppliers and/or carry out contract negotiations for the purpose of obtaining best and final offers.
- 3.15.4** PBA reserves the right to visit the office(s) and or site(s) of the supplier(s) in order to inspect the facilities and meet key personnel.
- 3.15.5** PBA reserves the right to withdraw this IFB at any time and for any reason and to issue such clarifications, modifications, and/or addenda as it may deem appropriate.
- 3.15.6** Receipt of a bid by PBA or a submission of a bid to PBA offers no rights upon the supplier nor obligates PBA in any manner.
- 3.15.7** PBA reserves the right to waive minor informalities in bids, provided that such action is in the best interest of PBA. Any such waiver will not modify any remaining requirements of the IFB or excuse the supplier from full compliance with the IFB's specifications and other contract requirements if the supplier is awarded the contract.

3.16 EVALUATION REVIEW: PBA reserves the right to use all pertinent information that might affect PBA's judgment as to the appropriateness of an award to the best evaluated supplier(s). This information may be appended to the bid evaluation process results. Information on a service provider from reliable sources, and not within the service provider's submittal, may also be noted and made part of the evaluation file. PBA will have sole responsibility for determining a reliable source. PBA reserves the right to conduct written and/or oral discussions/interviews after the bid opening. The purpose of such discussions/interviews is to provide clarification and/or additional information to make an award that is in the best interest of PBA.

3.17 EXCEPTIONS TO SPECIFICATIONS: Each proposal submitted in response to this solicitation shall list any deviation(s), exception(s), or variation(s) to or from: the terms and conditions of this solicitation, any attachment(s) to this solicitation, the contents of any addendum to this solicitation, and/or any section(s) of this solicitation. An exception is defined as the proposer's inability or unwillingness to meet a term(s), condition(s), specification(s), or requirement(s) in the manner specified in this solicitation, including all attachments and addendum to this solicitation. Any and all exception(s), deviation(s), or variation(s) must be included in Tab IX of the submittal. Do not strike through or in any other way alter the RFP. Exception(s), deviation(s), and variation(s) listed within other sections of the submittal will not be reviewed or considered. Any deviation(s), exception(s), and/or variation(s) must be specific and reference the relevant section(s) of this solicitation. Failure to indicate any exception(s), note a deviation(s), and/or list a variation(s) will be interpreted as the supplier's intent to fully comply with the specifications and the terms as written. Exception(s), deviation(s), and variation(s) listed in Tab IX will be considered during the evaluation process. Submittals listed exception(s), deviation(s), and/or variance(s) are considered conditional or qualified offered and are subject to rejection in whole or in part.

3.18 FEDERAL TRANSPORTATION ADMINISTRATION PROCUREMENTS: The successful contractor(s) must understand that any/all procurements made for and paid with Federal Transportation Administration (FTA) grant funding must comply with certain additional FTA Clauses. The contractor(s) will be notified prior to quoting a project if the procurement must meet additional FTA Terms and Conditions. PBA will compile the appropriate document containing the FTA Terms and Conditions for contractor compliance authorization. Attached as Attachment I is a list of possible FTA Terms and Conditions and where the explanations of each can be found within the FTA Purchasing Code.

3.19 FORCE MAJEURE: The successful contractor(s) will not be held responsible for acts beyond the control of the parties to which a contract is awarded. PBA recognizes that national and/or international occurrences, unforeseen and beyond the control of the contractor, may impact distribution costs. The pricing offered as a result of this IFB is to be based upon known and calculated expenses; therefore, should unexpected occurrences (e.g.: natural disasters, drought, war) happen as stated above, the contractor(s) may request relief only for the duration of said occurrence.

3.20 GRATUITIES AND KICKBACKS: It will be a breach of ethical standards for any person or supplier to offer, give, or agree to give any employee or former employee, or for any employee or former employee to solicit, demand, accept, or agree to accept from another person, a gratuity or an offer of employment in connection with any decision, approval, disapproval, recommendation, preparation of any part of a program requirement or a purchase request, influencing the content of any specification or procurement standard, rendering of advice, investigation, auditing or in any other advisory capacity in any proceeding or application, request for ruling, determination, claim, or controversy or other particular matter, pertaining to any program requirement of a contract or sub-contract or to any solicitation or submittal therefore.

It will be a breach of ethical standards for any payment, gratuity or offer of employment to be made by or on behalf of a subcontractor under a contract to the prime contractor or higher tier subcontractor or a person associated therewith, as an inducement for the award of a subcontract or order. Breach of the provisions of this paragraph is, in addition to a breach of this contract, a breach of ethical standards which may result in civil or criminal sanction and/or debarment or suspension from being a contractor or subcontractor under PBA contracts.

3.21 INSURANCE: The successful contractor(s) must carry the insurance as indicated on the Insurance Attachment hereto. As proof of the contractor's willingness to obtain and maintain the insurance, the supplier must complete, sign, have their insurance agent sign, and submit the attachment with their bid.

Upon the Notification of Intent to Award and prior to the contract being fully executed, the successful contractor(s) will be required to submit a Certificate of Insurance (COI) with the specified coverage and listing The Public Building Authority of the County of Knox and the City of Knoxville, Tennessee as additional insured; Endorsement Page(s) must be included. It will be the successful contractor's responsibility to keep a current COI and Endorsement Page(s) on file with PBA Procurement as long as the contract is in effect.

3.22 INTERPRETATION: No oral interpretation will be made to any supplier regarding the meaning of specifications. All questions regarding this IFB are to be submitted in writing or electronically (i.e. email) and will be answered in the form of an Addendum to the solicitation by the PBA Procurement Office.

3.23 INVOICE DETAIL: Until a P.O. is in place, a contract is fully executed, or a Notice to Proceed (NTP) is issued, work is not to be performed nor are goods to be delivered. P.O.s, contracts, and NTPs authorize work and obligate payment. PBA does not have a legal obligation to pay for work performed or products provided without one of these documents in place.

PBA requires invoices show the following detail to help expedite review and payment. The contractor(s) may be required to modify invoicing procedures to show the detail. All potential contractors are hereby cautioned that PBA will only pay from original invoices and not facsimiles or copies.

PBA prefers invoices be sent electronically; electronic invoices should be emailed to invoices@ktnpba.org. Alternatively, invoices may be mailed to: Public Building Authority, ATTN: PBA Finance Department, PO Box 2505, Knoxville, TN 37901. Only one invoice method should be used. Invoices sent to an email address or mailing address other than those listed above may not be accepted. Invoices sent by facsimile **will not** be accepted. Invoices which do not adhere to these details may be returned to the contractor for correction. Invoices must meet all other criteria listed herein.

3.23.1 The invoice must show the amount due to the contractor by the PBA division or department.

3.23.2 Invoices for purchases must be submitted monthly.

3.23.3 The invoice must show the P.O. number, if applicable. If a P.O. was not issued, the contract number should be listed.

3.23.4 The invoice must show an itemized detailed material count, including: the date(s) of delivery, the delivery or project location(s), the supplier's cost or MSRP for the item(s), the percentage over cost or off MSRP for the item(s) as stated in the contract, the net cost to PBA for the items(s), and the quantity, if applicable.

3.23.5 Invoices are to be original and uniquely pre-numbered.

3.23.6 Invoices that do not show this information are subject to rejection.

3.23.7 Invoices are to be submitted within 60 days of the date the goods or services were delivered to PBA. PBA may deny invoices submitted after the 60-day threshold.

3.23.8 Separate invoicing procedures between the successful contractor(s) and other government agencies or departments must be arranged if using as a cooperative contract. Invoice/payment obligations are between the entity receiving goods or services and the successful contractor(s).

3.24 INVOICE REVIEW: PBA will review all invoices for adherence to the terms and conditions of the contract. Variations from the contract and contract pricing are strictly prohibited. Any variations found on the invoice will result in the rejection of those invoices. Rejected invoices will be returned to the contractor(s) for correction. If a discount for prompt payment is offered, the timeline does not commence until PBA receives a correct invoice.

3.25 INVOICING PROCEDURES: PBA requests that invoices be easy to read and understand. Each participating agency to this contract may require different invoicing information and procedures. This information and procedures will be provided to the successful contractor(s) prior to contract execution. There will be no additional charges for this information and procedures to be included. Suppliers must submit a sample copy of their invoice along with their bid; account information may be deleted.

Submission of an invoice and payment thereof shall not preclude PBA from requesting reimbursement or demanding a price adjustment in any case where the service rendered or product(s) supplied is found to deviate from the terms and conditions of the contract or where the billing was inaccurate. Contractor(s) shall provide, upon request from PBA, any and all information necessary to verify the accuracy of the billings. Such information will be provided in a commercially reasonable manner as requested by PBA.

Each department or division of PBA is responsible for its own budget. Departments cannot charge or pay bills for another department. Therefore, it is critical that your business invoices specify the department that desires to purchase from you. Do not credit payments to any other department's account. There will be no component billing. P.O.s are encumbered by the total sum on the P.O. and cannot be split for partial payment. Only under extenuating conditions and approval by the PBA Director of Finance will partial payments be considered. No guarantee is offered for partial payments. If a complete invoice, submitted in accordance with the guidelines stipulated herein, remains unpaid after thirty (30) days, please contact the PBA Finance Department at 865.215.4630 to determine its status. NOTE: The thirty (30) days does not start until PBA Finance has received an approved invoice for payment from the requesting department.

- 3.26 NEGOTIATION:** PBA may select a successful supplier on the basis of initial offers received without discussions. Therefore, each bid must contain the supplier's best terms from a cost or price and service standpoint. PBA reserves the right to enter into contract negotiations including, but not limited to, rates and term with the highest-rated supplier. If PBA and the selected supplier cannot negotiate a successful agreement, PBA may terminate said negotiations and begin negotiations with the next highest-rated supplier. PBA retains the right to negotiate with multiple suppliers simultaneously. This process will continue until an agreement has been reached or all suppliers have been rejected. No supplier will have any rights against PBA arising from such negotiations.
- 3.27 NEW MATERIAL:** Unless specified otherwise in the bid package, the supplier must provide new supplies. New, as used in this clause, means previously unused materials. Material includes, but is not limited to, raw materials, parts, items, components, and end products. Supplier submission of other than new materials may be cause for the rejection of their bid.
- 3.28 NEWS RELEASES BY CONTRACTORS:** As a matter of policy, PBA does not endorse the services of a contractor. A contractor will not make news releases concerning any resultant contract from this solicitation without the prior written approval of PBA.
- 3.29 OFFER WITHDRAWAL:** No bid can be withdrawn after it is filed unless the supplier makes a request in writing to the PBA Procurement Office **prior** to the time set for the opening of the IFB or unless PBA fails to accept within ninety (90) days after the date fixed for opening the IFB.
- 3.30 PATENTS AND COPYRIGHTS:** The successful contractor(s) shall pay all royalties and assume all costs arising from the use of any invention, design, process, materials, equipment, product, or device in performance of the work, which is the subject of patent rights or copyrights. Contractor(s) shall, at their own expense, hold harmless and defend PBA against any claim, suit or proceeding brought against PBA which is based upon a claim, whether rightful or otherwise, that the work, or any part thereof, furnished under this Agreement, constitutes an infringement of any patent or copyright of the United States. The contractor(s) shall pay all damages and costs awarded against PBA.
- 3.31 PERSONAL PROPERTY:** The successful contractor(s) will be fully responsible for all personal property located within the area where deliveries are made, if applicable. This will include, but not be limited to: parking lot surfaces, sidewalks, benches, tables, fences and/or fence posts, vehicles, mailboxes, driveway culverts, flower gardens, poles, etc. The successful contractor(s) must make immediate notification to the appropriate PBA designee if damage occurs.

The property owner, if applicable, must also be notified immediately and a course of corrective action discussed and agreed upon at the earliest possible time; in no event will the contractor(s) exceed 48 hours to notify the property owner of damage to their personal property.

- 3.32 PRICING:** Contractor warrants that the unit price stated for all items will remain firm for a period of twelve (12) months from the first day of the contract period. If the contractor's price is increased after the initial year, PBA must be given a written notice to consider. Written notice must be received a minimum of ninety days prior to the contract renewal date. Such request must include at a minimum, (1) the cause for the adjustment; and (2) the amount of the change requested with documentation to support the requested adjustment. Price increases will only be considered at the renewal period(s). If the price increase is rejected, the contractor may:
- a. Continue with existing prices;
 - b. Submit a lower request for price increase;
 - c. Not accept the renewal offer.

If a price increase is approved by PBA, the approval notification will be done in writing and the contractor will be notified of the new price schedule and the effective date of the increase. This documentation will become part of the contract file. No approvals will be authorized verbally. Failure to make a written request within the deadline can result in rejection of the request by PBA. PBA will receive all price decreases that are passed on to the contractor during the contract period.

- 3.33 SUBMITTAL CONTENT:** The supplier's response must contain a thorough description of the background of the supplier and sufficient evidence showing that the supplier is capable of providing the goods and/or services. The supplier's response must thoroughly expound on the supplier's understanding of how the proposed services will meet PBA's needs. The bid must also contain an explanation of the supplier's ongoing commitment to service.

- 3.34 QUALIFICATION OF SUPPLIERS:** Each supplier may be required, before the award of any contract, to show to the complete satisfaction of the Director of Finance that it has the necessary facilities, ability, and financial resources to furnish the goods and/or services specified herein in a satisfactory manner, and the supplier may also be required to show past history and references which will enable the Director of Finance to be satisfied as to the supplier's qualifications. Failure to qualify according to the foregoing requirements will justify rejection.
- 3.35 QUANTITIES:** PBA does not guarantee any quantities of services or materials to be purchased from this term contract.
- 3.36 REJECTION OF BIDS:** PBA reserves the right to reject any and all bids received as a result of this request and to waive any informality, technical defect, or clerical error in any submittal, as the interests of PBA may require. Non-acceptance of any bid will be devoid of any criticism of the bid and of any implication that the bid is deficient in any manner. Non-acceptance of any bid will be construed as meaning simply that PBA does not deem the bid to be acceptable or that another bid was deemed to be more advantageous to PBA for the particular goods and/or services proposed.
- 3.37 REMOVAL OF CONTRACTOR'S EMPLOYEES:** The successful contractor(s) agrees to utilize only experienced licensed, responsible, and capable people in the performance of the work. PBA may require that the successful contractor(s) remove from the job covered by this contract, employees who endanger persons or property or whose continued employment under this contract is inconsistent with the interest of PBA.
- 3.38 REPORTS:** Successful contractor(s) may be asked to generate needed reports or historical records. Examples include, but are not limited to: past purchases, and/or products used. PBA will expect to receive prompt and legible reports. There will be no additional costs for these reports if requested.
- 3.39 SAFETY:** Contractor(s) will ensure that its employees observe and exercise all necessary caution and discretion so as to avoid injury to person or damage to property of any and all kinds. All buildings, appurtenances, and furnishings must be protected by the contractor from damage, which might be done or caused by work performed under this contract. Such damage to the foregoing must be repaired and/or replaced by approved methods so as to restore the damaged areas to their original condition at the expense of the contractor.
- The safety of the public is of primary concern to PBA. The flow of vehicular traffic shall not be impeded at any time during a delivery.
- 3.40 SAFETY EFFORTS:** The contractor must exercise caution at all times for the protection of persons and property. The safety provisions of applicable laws, buildings, and construction codes must be observed. The contractor(s) must also comply with the requirements of the Occupational Safety and Health Act of 1970 and the revisions thereto.
- Contractor(s) will be required to furnish their employees with the proper personal protective clothing and equipment. Contractor(s) will also be required to dispose of this clothing and equipment in compliance with all regulatory requirements.
- 3.41 SAFETY TRAINING:** The contractor is responsible for training their employees in safety and health regulations for the job, assuring compliance with the Occupational Safety and Health Act (OSHA), the Environmental Protection Agency (EPA), and any other Regulatory Agency. Suppliers, by submission of their bid, also affirm that their employees working under this contract have been properly trained in the safe operation of any and all equipment to be used under this contract.
- 3.42 SUBMIT QUESTIONS:** Prospective contractors may submit questions concerning this solicitation until **4:30 p.m. Eastern Time on March 20, 2024**. Submit questions as noted in Section 1.1.
- 3.43 SUPPLIER INTERVIEWS:** PBA requests that suppliers demonstrate their capabilities as well as a thorough knowledge of the intent of this IFB. PBA reserves the right to request interviews to gain additional insight into the capabilities and features of the proposed goods or services and to ask questions regarding any portion of the same.
- 3.44 SUPPLIER OBLIGATION:** Each supplier must become fully acquainted with conditions relating to the scope and restrictions attending the execution of the work under this IFB. The failure or omission of a supplier to become acquainted with existing conditions will in no way relieve the supplier of any obligations with respect to this IFB or to the contract.

- 3.45 USE OF TRASH CONTAINERS:** Suppliers are advised that PBA policy does not allow contractor(s) to utilize on-site trash bins paid for by PBA. The contractor(s) will be responsible for removing and disposing of all debris associated with the work to be performed.

Comparable products of other manufacturers will be considered if proof of comparability is contained in the bid. It shall be the responsibility of the bidders, including bidders whose product is referenced, to furnish with the bid such specifications, catalog pages, brochures, or other data as will provide an adequate basis for determining the quality and functional capabilities of the product offered. Failure to provide this data may be considered a valid justification for rejection of a bid.

- 4.3 SUPPLIER’S RESPONSIBILITIES:** All work performed under this contract must be performed in accordance with all provisions of these specifications or plans and must be approved in writing by PBA. By submitting a bid, the owner or their representative acknowledges and accepts this clause. The supplier(s) will be presumed to have made a reasonable review of the scope of services prior to the time of bidding and will be held responsible for all information available through the solicitation documentation, quote documentation, and/or inspection. The supplier(s) must immediately upon discovery, bring to the attention of PBA any conflicts that may occur among the various provisions of the specifications. PUBLIC BUILDING AUTHORITY CODE OF ETHICS**

WHEREAS, the Public Building Authority of the County of Knox and the City of Knoxville, Tennessee (“PBA”) adopted on January 5, 1996 a conflicts of interest policy applicable to persons who submit bids or proposals or negotiate with respect to contracts to supply goods or services, and

WHEREAS, such conflicts of interest policy needs to be updated to correlate with PBA’s current Code of Ethics, which was adopted on January 28, 2008;

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF PBA AS FOLLOWS:

General Statement

PBA is a public entity established by the County and the City. It is charged with the responsibility of acting in the best interests of the City and County and their citizens. Accordingly, PBA’s directors, officers and employees are held to the highest ethical standards and should:

- (i) conduct PBA’s affairs honestly, fairly, impartially and in good faith;
- (ii) avoid all situations that might lead to a real or apparent, material conflict between self-interest and the duties and responsibilities as an employee, officer or director;
- (iii) exercise good judgment to act within the spirit, as well as the letter, of this Code of Ethics, and seek guidance from appropriate persons, when necessary to follow an appropriate course of conduct; and
- (iv) take care to avoid any appearance of impropriety, and any circumstances that may raise questions about PBA’s honesty, impartiality, or reputation or otherwise cause embarrassment to PBA.

Section 1. Definitions

- 1.1 “PBA” means the entity which currently develops, constructs, owns, and/or maintains certain facilities on behalf of the City of Knoxville and Knox County pursuant to operating contracts with those entities.
- 1.2 “Covered Persons” means PBA personnel consisting of all full-time and part-time appointed officials and employees (whether compensated or not), including PBA’s directors and officers and the members of any separate board, commission, committee, authority, corporation, or other instrumentality appointed or created by PBA.
- 1.3 “Personal interest” means, for the purpose of disclosure of personal interests in accordance with this Code of Ethics:
 - (a) Any financial, ownership, or employment interest in the subject of a vote by PBA not otherwise regulated by state statutes on conflicts of interests; or
 - (b) Any financial, ownership, or employment interest in a matter to be regulated, supervised, or otherwise acted on in an official capacity; or
 - (c) Any such financial, ownership, or employment interest of the Covered Person’s spouse, parent(s), stepparent(s), grandparent(s), sibling(s), child(ren), stepchild(ren), nieces, nephews, and those related to a Covered Person by marriage.
 - (d) The words “employment interest” include a situation in which a Covered Person or a designated family member is negotiating possible employment with a person or organization that is the subject of the vote or that is to be regulated or supervised.
 - (e) In any situation in which a personal interest is also a conflict of interest under state law, the provisions of the state law take precedence over the provisions of this section.

- 1.3 "Ethics Officer" means PBA's ethics officer, who will be appointed to a four-year term by the Board of Directors of PBA. If the Ethics Officer's term of office, as a Director, is less than four years, the term of his or her appointment as Ethics Officer will be the balance of his or her term as a Director.

Section 2. Disclosure of Personal Interest in Voting Matters.

- 2.1 A Covered Person with the responsibility to vote on a measure shall disclose during the meeting at which the vote takes place, before the vote and to be included in the minutes, any personal interest that affects or that would lead a reasonable person to infer that it affects the official's or employee's vote on the measure.
- 2.2 In addition, the Covered Person shall recuse himself or herself from voting on the measure unless, in the judgment of the Ethics Officer, such personal interest is deemed to be de minimis, in which case recusal from voting on the measure is permissive rather than mandatory. In all other instances of a personal interest, following the disclosure thereof, the Covered Person shall recuse himself or herself from voting on the measure.

Section 3. Disclosure of Personal Interest in Nonvoting Matters.

- 3.1 A Covered Person who must exercise discretion relative to any matter other than casting a vote, and who has a personal interest in the matter that affects, or that would lead a reasonable person to infer that it affects, the exercise of the discretion, shall disclose, before the exercise of the discretion when possible, the interest. In addition, the Covered Person shall recuse himself or herself from the exercise of discretion in the matter. The Covered Person shall disclose the personal interest to the Ethics Officer, unless the Covered Person is an employee, in which case the employee shall disclose the interest in accordance with PBA's human resources policies and the reporting structure then in effect.
- 3.2 A Covered Person who has a personal interest or potential personal interest in a project with which PBA is involved, whether or not PBA may or may not be directly involved in any direct transaction with the Covered Person, should disclose that interest as required by Section 3.1 as soon as he/she is aware of the circumstances. The Ethics Officer, or PBA's management, as the case may be, may then recommend to the Board or Administrator that PBA withdraw from involvement in the project or may simply disclose the interest or potential interest to the Board of Directors for its consideration.

Section 4. Acceptance of Money, Gifts and Gratuities.

- 4.1 Neither a Covered Person, nor any other person described in Section 1.3(c), may accept, directly or indirectly, any money, gift, gratuity, or other consideration or favor of any kind from anyone:

 - (b) That a reasonable person would understand was intended to influence the vote, official action, or judgment of the Covered Person in executing the business of PBA; provided, however, that the following shall not be interpreted as an attempt to influence the action of a Covered Person: (i) a gift or gratuity that is not cash or a cash equivalent (such as a check or gift card), and which has a value of twenty-five dollars (\$25.00) or less, and (ii) gifts and gratuities from any single person or entity that comply with subsection (i) and do not exceed in the aggregate \$100.00 during any calendar year.
- 4.2 PBA's Administrator may direct that no PBA employee may accept a gift or gratuity, even though it may have a value of twenty-five dollars (\$25.00) or less.

Section 5. Use of Information.

- 5.1 A Covered Person may not disclose any information obtained in his or her official capacity or position of employment that is made confidential under state or federal law except as authorized by law.
- 5.2 A Covered Person may not use or disclose information obtained in his or her official capacity or position of employment with the intent to result in financial gain for himself or herself or any other person or entity.

Section 6. Use of Time, Facilities, and Other Assets.

- 6.1 A Covered Person may not use or authorize the use of PBA time, facilities, equipment, or supplies for private gain or advantage to himself or herself.
- 6.2 A Covered Person may not use or authorize the use of PBA time, facilities, equipment, or supplies for private gain or advantage to any private person or entity, except as authorized by legitimate contract or lease approved in accordance with the provisions of this Code.

Section 7. Use of Position or Authority.

- 7.1 A Covered Person may not make or attempt to make private purchases, for cash or otherwise, in the name of PBA.
- 7.2 A Covered Person may not use or attempt to use his or her position to secure any privilege or exemption for himself or herself or others that is not authorized by the charter, general law, or ordinance or policy of the County or City or the charter, bylaws or policies of PBA.

Section 8. Outside Employment.

A Covered Person, may not accept or continue any outside employment if the work unreasonably inhibits the performance of any affirmative duty of a PBA Covered Person or conflicts with any provision of PBA's charter or any ordinance or policy. This policy is in addition to, and not a substitute for, any personnel or human resources policies adopted by PBA from time to time. This Section 8 does not apply to PBA's Directors.

Section 9. Ethics Complaints.

- 9.1 Questions and complaints regarding violations of this Code of Ethics or of any violation of state law governing ethical conduct should be directed to the Ethics Officer, who is designated and appointed by PBA's Board of Directors. If the Ethics Officer is the subject of an alleged violation, the question or complaint shall be directed to the Chair of the Board of Directors, who may exercise any of the authority and powers vested in the Ethics Officer under this Section.
- 9.2 Except as otherwise provided in this Section 9, the Ethics Officer shall hear, review, and investigate any credible complaint against an appointed official or employee charging any violation of this Code, or may undertake an investigation on his or her own initiative when he or she acquires information indicating a possible violation. The Ethics Officer may render an oral or written advisory ethics opinion based upon this Code and other applicable law, and may make recommendations for action to end or seek retribution for any activity that, in the Ethics Officer's judgment, constitutes a violation of this Code of Ethics.
- 9.3 The Ethics Officer may request that the Board of Directors establish a separate Ethics Committee to aid in the hearing, review, and investigation of, as well as the formation of a final opinion on, any credible complaint. In all phases of investigation and review, the Ethics Officer is encouraged to consult PBA's General Counsel regarding the final opinion rendered and any further action to be taken.
- 9.4 The Ethics Officer may recommend that PBA's General Counsel hire another attorney, individual, or entity to act as ethics officer when he or she has or will have a conflict of interest in a particular matter. The Ethics Officer may also proceed with review of the matter, and make an advisory report and recommendation to the full Board of Directors. The Ethics Officer may additionally request that the General Counsel participate in this meeting, and the Counsel may render opinions on the alleged conflict of interest.
- 9.5 The interpretation that a reasonable person in the circumstances would apply shall be used in interpreting and enforcing this Code of Ethics.
- 9.6 When a violation of this Code of Ethics also constitutes a violation of a personnel policy, rule, or regulation, or a civil service policy, rule, or regulation, the violation shall be dealt with as a violation of the personnel or civil service provisions rather than as a violation of this Code of Ethics.

Covered Persons should familiarize themselves with the state laws applicable to their office or position and the performance of their duties. To the extent that an issue is addressed by state law (law of general application, public law of local application, local option law, or private act), the provisions of that state law, to the extent they are more restrictive, shall control.

- 12.2 Upon receipt of such information provided pursuant to Section 12.1(a)-(b), the Ethics Officer shall review such information using the same procedures as provided in Section 9.
- 12.3 All Bidders are to understand that PBA may refuse to award a contract where, in the sole discretion of the Ethics Officer or the Board of Directors, a conflict of interest or ethical consideration is of such substance and nature as will diminish the public's confidence in the openness, fairness and honesty of actions of PBA or otherwise will violate the General Statement or any other provision contained herein.
- 12.4 A failure to disclose or otherwise comply in accordance with these standards shall be subject to any available remedy at law and shall further be subject to such sanctions as the Board of Directors may determine including but not limited to discharge or termination of contract and/or disgorgement of benefits.

TENNESSEE CODE ANNOTATED TITLE 50 EMPLOYER AND EMPLOYEE
CHAPTER 9 DRUG-FREE WORKPLACE PROGRAMS
Current through the 2021 First Extraordinary and the 2021 Regular Sessions

§ 50-9-101

(a) It is the intent of the general assembly to promote drug-free workplaces in order that employers in this state be afforded the opportunity to maximize their levels of productivity, enhance their competitive positions in the marketplace and reach their desired levels of success without experiencing the costs, delays and tragedies associated with work-related accidents resulting from drug or alcohol abuse by employees. It is also the intent of the general assembly that employers obtaining certification as a drug-free workplace under rules promulgated by the bureau should be able to renew that certification on an annual basis without requiring repeated annual training of existing employees; provided, however, the employer certifies on a form prescribed by the bureau that all existing employees have undergone training at least once and have acknowledged annually in writing the existence of the employer's drug-free workplace policy. It is further the intent of the general assembly that drug and alcohol abuse be discouraged and that employees who choose to engage in drug or alcohol abuse face the risk of unemployment and the forfeiture of workers' compensation benefits.

(b) If an employer implements a drug-free workplace program in accordance with this chapter, which includes notice, education and procedural requirements for testing for drugs and alcohol pursuant to rules developed by the division, the covered employer may require the employee to submit to a test for the presence of drugs or alcohol and, if a drug or alcohol is found to be present in the employee's system at a level prescribed by statute or by rule adopted pursuant to this chapter, the employee may be terminated and forfeits eligibility for workers' compensation medical and indemnity benefits. However, a drug-free workplace program must require the covered employer to notify all employees that it is a condition of employment for an employee to refrain from reporting to work or working with the presence of drugs or alcohol in the employee's body and, if an injured employee refuses to submit to a test for drugs or alcohol, the employee forfeits eligibility for workers' compensation medical and indemnity benefits.

§ 50-9-113 State and local government construction contracts

(a) Each employer with five (5) or more employees receiving pay who contracts with the state or any local government to provide construction services or who is awarded a contract to provide construction services or who provides construction services to the state or local government shall submit an affidavit stating that the employer has a drug-free workplace program that complies with this chapter, in effect at the time of the submission of a bid at least to the extent required of governmental entities. Any private employer that certifies compliance with the drug-free workplace program, only to the extent required by this section, shall not receive any reduction in workers' compensation premiums and shall not be entitled to any other benefit provided by compliance with the drug-free workplace program set forth in this chapter. Nothing in this section shall be construed to reduce or diminish the rights or privileges of any private employer who has a drug-free workplace program that fully complies with this chapter. For purposes of compliance with this section, any private employer shall obtain a certificate of compliance with the applicable portions of the Drug-free Workplace Act from the department of labor and workforce development. No local government or state governmental entity shall enter into any contract or award a contract for construction services with an employer who does not comply with this section.

(b) If it is determined that an employer subject to this section has entered into a contract with a local government or state agency and the employer does not have a drug-free workplace pursuant to this section, the employer shall be prohibited from entering into another contract with any local government or state agency until the employer can prove compliance with the drug-free workplace program pursuant to this section. The Public Building Authority and Contractor acknowledge and agree that, notwithstanding any concurrence by the Federal Government in or approval of the solicitation or award of the underlying contract, absent the express written consent by the Federal Government, the Federal Government is not a party to this contract and shall not be subject to any obligations or liabilities to the Public Building Authority, Contractor, or any other party (whether or not a party to that contract) pertaining to any matter resulting from the underlying contract.
- ii. The Contractor agrees to include the above clause in each subcontract financed in whole or in part with Federal assistance provided by FTA. It is further agreed that the clause shall not be modified, except to identify the subcontractor who will be subject to its provisions.

c. **Program Fraud and False or Fraudulent Statements and Related Acts.**

- i. The Contractor acknowledges that the provisions of the Program Fraud Civil Remedies Act of 1986, as amended, 31 U.S.C. § 3801 *et seq.* and U.S. DOT regulations, "Program Fraud Civil Remedies," 49 C.F.R. Upon execution of the underlying contract, the Contractor certifies or affirms the truthfulness and accuracy of any statement it has made, it makes, it may make, or causes to be made, pertaining to the underlying contract or the FTA assisted project for which this contract work is being performed. In addition to other penalties that may be applicable, the Contractor further acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification, the Federal Government reserves the right to impose the penalties of the Program Fraud Civil Remedies Act of 1986 on the Contractor to the extent the Federal Government deems appropriate.
- ii. The Contractor also acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification to the Federal Government under a contract connected with a project that is financed in whole or in part with Federal assistance originally awarded by FTA under the authority of 49 U.S.C. § 5307, the Government reserves the right to impose the penalties of 18 U.S.C. § 1001 and 49 U.S.C. § 5307(n)(1) on the Contractor, to the extent the Federal Government deems appropriate.

If the Public Building Authority terminates this Agreement, and such termination is not a result of a default by the Contractor, the Contractor shall be entitled to receive as its sole and exclusive remedy the following amounts from the Public Building Authority, and the Public Building Authority shall have no further or other obligations to the Contractor: (a) The amount due to the Contractor for work executed through the date of termination, not including any future fees, profits, or other compensation or payments which the Contractor would have been entitled to receive if the Project had not been terminated; and (b) the direct out-of-pocket costs incurred by the Contractor for demobilization of the Project following receipt of the notice of termination, not to exceed the amount reasonably and actually required to demobilize the Project.
- ii. The Public Building Authority may, by written notice of default to the Contractor, terminate the whole or any part of this contract if the Contractor fails to make delivery of the supplies or to perform any of the other material provisions of the contract as determined by the Public Building Authority, or so fails to make progress as to endanger performance of this contract in accordance with its terms, and in either of these two circumstances does not cure such failure within a period of 10 days (or such longer period as the Purchasing Agent may authorize in writing) after receipt of notice from the Purchasing Agent specifying such failure. - iii. If, after notice of termination of this contract under the provisions of this clause, it is determined for any reason that the Contractor was not in default under the provisions of this clause, or that the default was excusable under the provisions of this clause, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to termination for convenience of the Public Building Authority.
- iv. The rights and remedies of the Public Building Authority provided in this clause shall not be exclusive and are in addition to any other right and remedies provided by law or under this contract.
