Selection Process

A selection committee will review all submitted proposals and make final selection to award the contract.

The bid must conform to the specifications set and the City of Goodlettsville may reject any bid that deviates from the specifications as non-responsive.

The Goodlettsville Police Department reserves the right not to award the contract if it finds the proposals do not meet the needs of the department; if it determines the City of Goodlettsville can provide the equipment and/or services more effectively or efficiently; or if the funding available is deemed by the Department to be inadequate to support the project as submitted.

Proposals will be evaluated on the basis of the response to all provisions of this bid request. The City of Goodlettsville may use some or all of the following criteria in its evaluation and comparison of proposals submitted. The criteria listed are not necessarily an all-inclusive list. The order in which they appear is not intended to indicate their relative importance:

- Product quality/performance
- Vendor's qualifications and experience
- Vendor's support/service
- Vendor's warranty/maintenance
- Total proposed price
- Compliance of the proposed items specifications to those requested by the City of Goodlettsville
- Ability of the vendor to provide all of the listed materials and services
- Ability to deliver the goods in a timely manner.

Prior to the delivery of the goods, the Goodlettsville Police Department, and the selected vendor will agree on contractual details. If an agreement is made, a purchase order will be issued to the selected vendor. The Goodlettsville Police Department is not responsible for any costs incurred by vendors in preparation of their proposal. Once submitted the proposal becomes property of the Goodlettsville Police Department. The Goodlettsville Police Department reserves the right to reject any and all proposals.
