1. **BACKGROUND AND INTENT**

- a. Knoxville's Community Development Corporation (KCDC) is the public housing and redevelopment agency for the City of Knoxville and for the County of Knox in Tennessee. KCDC's public housing property portfolio includes 20 sites with approximately 3,547 dwelling units. KCDC also administers approximately 3,958 vouchers and 82 moderate rehabilitation units through our Section 8 department.
- b. KCDC issued this solicitation on behalf of the Tennessee Association Housing & Redevelopment Authorities (TAHRA). Hereafter the terms "KCDC" and "TAHRA" are used interchangeably.
- c. The various public housing authorities (PHAs) in the State of Tennessee often purchase common items while furnishing their units. The common items include water heaters of various sizes. Realizing that there are often discounts for quantity purchases, TAHRA agreed to coordinate one solicitation that any or all housing agencies (plus any other governmental entity that so desires) in the state may use.
- d. Once the award is made, the successful supplier will honor orders, at the specified prices, from any TAHRA member agency, city, county or state agency, or any other municipality or political subdivision choosing to participate.
- e. However, no agency or governmental entity is required to participate and may conduct separate procurements for items contained in this solicitation. Additionally, TAHRA does not guarantee any orders will be placed and assures no responsibility, financial or otherwise, for purchases made under this contract.
- f. This solicitation is to provide thirty (30) gallon, thirty-eight (38), forty (40) gallon and fifty (50) gallon Energy Star-rated (as applicable) water heaters for use by Public Housing Authorities across the State of Tennessee.
- g. Upon award, the successful suppliers will need to market the program to the TAHRA membership. For such purposes, TAHRA will work with the suppliers to communicate award notice and materials.
- h. Successful suppliers are strongly encouraged to consider active participation in TAHRA including attendance at its spring and fall meetings. Additionally, the supplier may want to consider becoming an affiliate member of TAHRA. Details are on TAHRA's webpage at <http://tahrnet.org/>.

2. **CHANGES AFTER AWARD**

It is possible that after award the KCDC may need to revise the service needs or requirements specified in this document. KCDC reserves the right to make such changes after consultation with the supplier(s). Should additional costs arise, KCDC reserves the right to consider accepting these charges provided the supplier(s) can document the increased costs. KCDC reserves the right to make such changes after consultation with the supplier(s).

KCDC also reserves the right to accept proposed service changes from the supplier if they will lower the cost to KCDC and/or provide improved service.

3. **EVALUATION**

KCDC will arrive at the “lowest and best” solution for the final award; this may not entail simply awarding to the supplier quoting the lowest cost. All responses are subject to a determination of “responsive” and “responsible” prior to award. KCDC is the sole judge as to supplier “responsiveness” and “responsibility.” KCDC reserves the right to request additional information to assist in the evaluation process.

4. **GENERAL INSTRUCTIONS**

KCDC does not insert “General Instructions to Vendors” in the solicitation document. These instructions are at www.kcdc.org. Click on “Procurement” and follow the link. By submitting a response to this solicitation, the supplier accepts the responsibility for downloading, reading and abiding by the terms and conditions set forth in KCDC’s “General Instructions to Vendors.” Suppliers may wish to review certain applicable HUD instructions on KCDC’s webpage.

5. **INVOICING/ORDERING**

This section is germane to KCDC only.

- a. Until a purchase order is in place, work is not to be performed nor are goods to be delivered. As purchase orders authorize work and obligate payment, if suppliers provide goods and services without a purchase order in place, KCDC does not have a legal obligation to pay for said goods and services.
- b. Invoices must:
 - 1. Be numbered.
 - 2. Have a date on them that is after the work is completed or goods delivered.
 - 3. Show the purchase order number.
 - 4. Breakdown pricing according to the bid structure. For instance, if the agreed to pricing is by the hour, then the invoice needs to show the hours and rates. This is important so that KCDC can quickly compare the rates charged with the approved rates.
 - 5. Be suitable for scanning since KCDC does not maintain paper records.
- c. Suppliers are required to submit invoices within ninety (90) days after the delivery of the goods or services. KCDC may deny invoices submitted after the ninety (90) day threshold.

d. KCDC is exempt from all taxes levied by the State of Tennessee, its cities and counties, as well as most federally imposed taxes. Upon the placement of a purchase order KCDC will provide a State of Tennessee Sales Tax Exemption form to the supplier. KCDC will not pay taxes on invoices.

e. KCDC pays by electronic transfer (ACH) only. KCDC does not issue checks.

6. **LENGTH OF AWARD**

The initial award is for twelve (12) months. The award has four (4) - one (1) year optional renewals that KCDC may choose to exercise.

7. **PRICE STRUCTURE**

a. At the end of each award year, the successful supplier may request a price increase. Proof of increased cost to the successful supplier must accompany price increase requests. KCDC may, at its option:

1. Accept the proposed price increase.
2. Reject the proposed price increase.
3. Suggest an alternative price increase.

b. If KCDC rejects a proposed price, the successful supplier may:

1. Continue with the existing pricing.
2. Suggest an alternative price increase.
3. End the award.

c. While the supplier may offer other goods, only those specifically awarded are “on contract.” Other goods offered are not covered by the award and can only be procured through specific purchase orders identifying the special goods to be offered and the price for them. KCDC’s and other entities normal procurement thresholds will apply.

d. If one supplier elects to not renew or KCDC/TAHRA elects to not renew with a supplier, the remaining suppliers may continue with the entire award or the solicitation may be re-issued.

e. If Energy Star requirements change during this award or contract, KCDC/TAHRA reserve the right to renegotiate the award or contract with the successful supplier(s) to meet the new standards without going out for new bids, if so desired.

8. **QUANTITIES**

While this is an “As Needed” solicitation and no specific quantities are guaranteed and while this solicitation is intended for all members of TAHRA (see Appendix I for a listing), the following quantities are known to have been purchased in 2016 by KCDC, Metropolitan Development and Housing Authority (MDHA) and the Chattanooga Housing Authority (CHA).

Item	Total Units Purchased
30 gallon water heaters	197
38 gallon water heaters	6
40 gallon water heaters	220
50 gallon water heaters	24

9. **QUESTIONS**

Direct questions pertaining to this document to purchasinginfo@KCDC.org with “Water Heaters” in the subject line, at least five days prior to the due date.

10. **USE OF SOLICITATION FORMS**

Suppliers are to complete the solicitation forms contained in the solicitation package. Failure to complete these forms may result in rejection of your response. Do not alter the solicitation forms without KCDC’s approval. Vendors are asked to use the MS Office version of the pricing pages to eliminate difficulties in reading handwritten text.

Specifications

11. **GENERAL REQUIREMENTS**

The supplier shall furnish all equipment and material, and it shall be commercial quality from a regular product line. This request for bid is not intentionally written around any one manufacturer and is to indicate the general size, type and description of equipment needed.

12. **ENERGY STAR**

KCDC/TAHRA is very interested in energy efficiency. Energy Star certified water heaters **are required** unless there are no such models currently so certified.

13. **DELIVERY:**

- a. Delivery shall be F.O.B. Destination, freight paid by the supplier, to the ordering entity. Delivery charges are included in the per unit cost. The driver will, at the minimum, assist PHA staff with unloading appliances to the tailgate of the delivery truck.
- b. Agencies shall have the right to mix sizes and types of products to obtain quantity pricing. Prices given are for delivery F.O.B. to any point within Tennessee for purchases made by any participating entity. Should a governmental entity outside of Tennessee desire to use this award/contract, the supplier and the entity will negotiate shipping charges.

- c. KCDC's delivery needs have changed and now deliveries are directly to KCDC sites. While some sites can easily accommodate large trucks, many cannot accept trucks longer than fourteen (14) feet. Most KCDC sites do not have docks and the supplier will have to arrange lift gate delivery.
14. **MODEL AND PRICE CHANGE NOTIFICATION**
After award, if models change and/or prices increase (see above concerning price increases), the supplier(s) must notify KCDC. Upon approval, notification will be sent to other TAHRA members.
15. **PACKING AND MARKING**
Packaging, packing and marking shall be in accordance with standard commercial practices and be specified in the contract or order. KCDC encourages environmentally friendly packaging and the general reduction of packaging materials.
