

**Bidder Instructions and Specifications:  
Police Department Vehicle Equipment  
Due: 10:00 a.m. July 10, 2015**

The City of Eagleville, Tennessee is seeking bids for Police Department equipment and services as specified below.

**General Purpose:**

The City of Eagleville intends to acquire certain equipment to outfit a 2015 Ford Interceptor SUV and have all such equipment appropriately installed, and to also install certain camera system equipment which the City already has on hand. Bidders should submit bids including unit process for each item specified, an installation charge inclusive of installation of all purchased equipment and equipment provided by the City of Eagleville, freight/shipping costs, shop supply charges, and any other necessary charges.

Work will also include the installation of certain cameras and related equipment that the City has on hand, including 1) a five (5) camera Digital Ally DVR 800 system with two (2) forward facing dash cameras, a driver facing mirror camera, a backseat facing camera, and a rear facing back-up camera; 2) a Stalker dual antenna radar; and 3) a Motorola in-car radio with speaker and antenna.

**Bidding Instructions:**

Potential bidders may request complete bid instructions, detailed specifications, and bid forms by contacting City Hall at 615-274-2922 and referencing "Police Department – Vehicle Equipment Bid Opportunity" or by visiting [www.EaglevilleTN.com](http://www.EaglevilleTN.com) and following the link to bid opportunities through the Vendor Registry link.

Bidders may price items by line item as necessary to clearly communicate price, but must clearly list

- 1) a lump sum including the purchase of all equipment, installation, freight, supplies, and other,
- 2) location where work will be performed,
- 3) whether bidder will pick up and drop off vehicle or if the City will transport the vehicle to and from the bidder (travel cost estimates borne by the City will be taken into consideration in examining bid cost),
- 4) estimated time required to fulfill contract.

Bidders may substitute components for equal or greater components if/when the substitute does not limit the capability or performance of the overall product in comparison with the specified component. Bidders must deliver bids no later than **10:00 a.m. July 10, 2015** in sealed envelope marked "**Police Department Vehicle Equipment Bids, July 10, 2015**" to the address below, or alternatively, may submit bid documents electronically via the Vendor Registry link found at [www.EaglevilleTN.com](http://www.EaglevilleTN.com).

City of Eagleville  
Attn: City Manager  
108 South Main Street  
Eagleville, TN 37060

Bids received after the deadline may be rejected, and the City is not responsible for bids mailed but not delivered prior to the deadline, regardless of the postmark date.

**Bid Form:**  
**Police Department Vehicle Equipment**  
**Due: 10:00 a.m. July 10, 2015**

Submittal of the bid form is required for consideration. However, bidders may also choose to attach additional information that may be helpful such as quotations on their own company form or brochures and other information clearly identifying the product(s) proposed and/or to identify certain items within the specification by unit cost. Unit cost information may be used by the City of Eagleville to optimize its purchase with the selected bidder.
