

Public Notice
INVITATION TO BID
Bid Number 995

The City of Springfield, Tennessee, will be accepting sealed bids for the purchase of a Sprinter van that will be used as a vehicle for the sewer camera work of the Springfield Water and Wastewater Department. Potential bidders can either pick up bid specifications at the Springfield Water and Wastewater Department (SWWD) office at 924 Central Avenue or can call the SWWD office at 615-382-1600 to have bid specifications mailed out. Bid specifications can also be downloaded at www.springfield-tn.org. Sealed bids must be received in the Office of the City Recorder at City Hall, 405 N. Main Street, Springfield, Tennessee 37172, no later than 2:00 p.m. Wednesday, December 7, 2016, at which time bids will be opened and read aloud. Any bids received after 2:00 p.m. will not be opened and will be rejected. The outside of the sealed envelope shall include the BID NUMBER 995 and that the sealed envelope contains a bid for a SPRINTER VAN. Any questions can be directed to Terry Cadwell, Inventory Specialist for the Springfield Water and Wastewater Department, or to Roger Lemasters, Director of the Springfield Water and Wastewater Department, both of whom can be reached at 615-382-1600. The city reserves the right to reject any and all bids.

Lisa Crockett
City Recorder

CODE # W73: Rear Door Step Bumper

CODE # XB5: GVWR 11,030 LBS

Tow hooks if available.

(Must Equal or Exceed Specifications; State any Deviations.)

MANUFACTURE'S WARRANTY:

The manufacturer warrants the truck to be good material and workmanship and agrees to promptly replace any parts which fail due to defective material or workmanship, when the vehicle is returned to the place where purchased for a period of 36 months or 50,000 miles, which ever come first, from the date vehicle is put in service by the City of Springfield. Replacement shall be free of charge excluding any deductibles standard to such warranties. If such failure renders the vehicle incapable of being driven, the vendor will be responsible for having the vehicle transported to his place of business. If such failure takes place outside the dealer's service area, the dealer will be responsible for reimbursing the nearest authorized dealer for services rendered under this Warranty. Tires are exempted from this warranty, but must be covered by the tire manufacturer's standard warranty and serviced by the local authorized dealer of the tire manufacturer.

PARTS:

The City of Springfield shall expect the manufacturer to have adequate stocks of replacement parts available to service City vehicles and to make delivery within a reasonable time of all normal replacement parts to their dealers who may service City vehicles. The City further expects that warranty service repairs will be handled without prejudice by local dealerships.

Decals:

No decals or markings of any type pertaining to advertisement shall be placed on vehicles delivered to the City, except trademarks or model designation that are normally installed by the manufacturer of the vehicle.

INSPECTIONS AND TEST:

Unless otherwise specified in the contract or purchase order, the supplier shall be responsible for the performance of all inspection and test requirements necessary to insure compliance with requirements of this specification. This action does not preclude subsequent inspection and testing by the City to further determine conformance with specification requirements of quality standards of workmanship, materials and construction techniques.

PREPARATION FOR DELIVERY:

PRE-DELIVERY SERVICING AND ADJUSTMENTS

Prior to acceptance by the City, the dealer shall service and adjust each vehicle for operational use to include as a minimum the following:

1. Aiming headlights
2. Tuning engine
3. Adjustment of accessories
4. Checking of electrical, braking and suspension systems
5. Charging of batteries
6. Alignment of front end
7. Inflation of tires
8. Balancing of all wheels, including spare
9. Complete lubrication of engine, chassis and operating mechanisms with recommended grades of lubricants for the ambient air temperature at the point of delivery
10. Servicing of cooling system with permanent type antifreeze and summer coolant for -20°F
11. Warranty and owner's manual in glove compartment

DELIVERY:

The vehicle is to be delivered to:

Springfield Water and Wastewater Department
924 Central Avenue
Springfield, TN 37172

Any questions should be directed to Terry L. Cadwell at 615-382-1600

BID FORM:

Note: Use separate bid specifications package if submitting more than one bid.

Bidder will state approximate delivery time (days) _____

Bidder's Statement: (equipment proposed complies to all specifications?): Yes _____
No _____ (If "No", provide an explanation below, using extra pages, if necessary)

NOTE: The City of Springfield will choose the option that is considered in its best interests. The City reserves the right to reject any and all bids.

IRAN DIVESTMENT ACT

NOTICE

Tenn. Code Ann. § 12-12-106 requires the chief procurement officer to publish, using credible information freely available to the public, a list of persons it determines engage in investment activities in Iran, as described in § 12-12-105.

For these purposes, the State intends to use the attached list of “Entities Ineligible to Contract with the State of South Carolina or any Political Subdivision of the State per the Iran Divestment Act of 2014, S.C. Code Ann §§ 11-57-10, et. Seq.”

While inclusion on the list would make a person ineligible to contract with the state of Tennessee, if a person ceases its engagement in investment activities in Iran, it may be removed from the list.

If you feel as though you have been erroneously included on this list, please contact the Central Procurement Office at CPO.Website@tn.gov.
