1.7.10 MATERIAL PRICE ESCALATION / DE-ESCALATION CLAUSE FORM* –

Please submit on company letterhead any escalation clause that you require. See Section 5.4.5.

1.7.10.1 To calculate any increases or decreases in pricing over the term of the contract, include your proposed escalation clause the following:

- your formula;
- the nationally-recognized index used as the price change indicator;
- The specific commodities which this clause will apply to;
- The % increase which triggers the escalation clause;
- The frequency of how many times per year the clause will be reviewed for adjustment.

1.7.10.2 Change orders based on the triggering of an escalation clause will never include overhead or profit mark-ups on the increases from either the vendor or their subcontractors.

1.7.10.3 Since the vendor must consider some risk of the escalation, the first 10% of any increase be borne completely by the vendor. Any increase above that may be submitted by the vendor.

1.7.10.4 To be fair, if prices decrease more than 15% from what was in the vendor's original estimate, the City shall benefit from reduced pricing in the same way.

1.7.10.5 If bidder initiates this clause for future price increases, the City reserves the right to reject the higher pricing if it is in its best interest, and to obtain services from other companies.

* An escalation clause is a mechanism in a multi-year contract that allows for the price of the contract to be adjusted to the price of some future commodity or factor that neither buyer nor the seller can accurately predict during the contract phase. These clauses make an allowance for the most relevant commodities involved in the project such as concrete, steel or fuel, etc.

SECTION 2 - GENERAL CONDITIONS

2.1 EXECUTION OF BID: Bid must contain a manual signature of an authorized representative in the space provided. Florida law requires that when a municipality enters into a contractual agreement with a corporation licensed to do business in the State of Florida, such agreement shall be signed by two (2) Corporate Officials (i.e., President, Vice President, Secretary, Treasurer) with the corporate seal affixed. It also requires that such execution be acknowledged before a Notary Public with Notary Seal affixed. If neither the aforementioned corporate officers nor the corporate seal are readily available, a letter of authorization can be submitted in lieu of these requirements. Such letter of authorization must be on the corporate stationery, must clearly state that the person who signed the referenced agreement is duly authorized to enter into such agreement on behalf of the corporation and must be signed by the corporate officials designated above. Failure to submit letter of authorization within two (2) weeks after notification of award may result in award to the next apparent low bidder.

2.1.1 In the case of a partnership, the agreement must be signed by a general or managing partner and notarized as outlined above.

2.1.2 In the case of a sole proprietorship, the owner must sign the agreement and have such execution notarized.

If the unit price and the total amount named by a bidder for any item are not in agreement the unit price alone shall be considered as representing the bidder's intention, and the totals shall be corrected.

2.3 AMENDMENT OF THE INVITATION TO BID: It is the bidder's responsibility to contact the Purchasing Division prior to submitting a bid to ascertain if any addenda have been issued, to obtain all such addenda, and return executed addenda with the bid (or complete and sign addenda acknowledgement form.) The failure of a bidder to submit acknowledgment of any addenda that affects the bid price(s), is considered a major irregularity and will be cause for rejection of the bid.

2.4 BIDDER'S CERTIFICATION FORM: Each bidder shall complete the "bidder's certification" form included with this invitation to bid, and submit the form with the bid. The failure of a bidder to submit this document will be cause for rejection of the bid.

Bidder is requested to offer cash discount for prompt invoice payment. It is the policy of the City of Fort Walton Beach to make payments of invoices in time to earn any offered cash discounts.
