This purchase order request is for the Annual Subscription renewal term for 07-01-19 to 06-30-20. This purchase allows us to use the LiveStream Platform for the Hardware and Software that we own to Stream Live and Recorded Programs. As explained in the Sole Source Letter the Hardware and Software for our streaming solution is proprietary and the Annual Subscription for us to continue to stream content with the software and hardware can not be purchased from any other vendor. Without this software ACTV can not live broadcast content such as school board, county commission meetings etc over the internet which would affect the bulk of our viewing audience.
