**NEW MEXICO BUSINESS PREFERENCE**

Points will be awarded based on Proposers/Proposers ability to provide a copy of a current Resident Business Certificate or Resident Veterans Certificate.

In addition, the attached certification form must accompany any RFP and any business wishing to receive a resident veteran's preference must complete and sign the form.

RFP's are to be evaluated on preference as follows:

In addition, to the total points on an RFP, 10% must be added for preference award. For example; an RFP has a total value of 1000 points. Five proposals are received; one from a resident business, one from a resident veteran's business with an 8% preference and three non-resident businesses.

The two preference businesses would receive 50 points and 80 points to their already evaluated score, making it possible for the highest score total 1080.
