#### 2.0.12 DISCLOSURE OF CONFLICTS OF INTEREST OR UNFAIR COMPETITIVE ADVANTAGE (FEB 2015):

You warrant and represent that your offer identifies and explains any unfair competitive advantage you may have in competing for the proposed contract and any actual or potential conflicts of interest that may arise from your participation in this competition or your receipt of an award. The two underlying principles are:

- a) Preventing the existence of conflicting roles that might bias a contractor's judgment, and
- b) Preventing an unfair competitive advantage. If you have an unfair competitive advantage or a conflict of interest, the District may withhold award. Before withholding award on these grounds, an offeror will be notified of the concerns and provided a reasonable opportunity to respond. Efforts to avoid or mitigate such concerns, including restrictions on future activities, may be considered. Without limiting the foregoing, you represent that your offer identifies any services that relate to either this solicitation or the work and that has already been performed by you, a proposed subcontractor, or an affiliated business of either.

#### 2.0.13 DEADLINE FOR SUBMISSION:

Any offer received after the Procurement Officer of the governmental body or his designee has declared that the time set for opening has arrived, shall be rejected unless the offer has been delivered to the designated procurement mail room at 2900 Mink Point Blvd, which services that purchasing office prior to the bid opening (R.19-445.2070(H)).

Offeror, by submitting an Offer, represents that it has read and understands the Solicitation and that its Offer is made in compliance with the Solicitation. Offerors are expected to examine the Solicitation thoroughly and should request an explanation of any ambiguities, discrepancies, errors, omissions, or conflicting statements in the Solicitation. Failure to do so will be at the Offeror's risk. All ambiguities, discrepancies, errors, omissions, or conflicting statements in the Solicitation shall be interpreted to require the better quality or greater quantity of work and/or materials, unless otherwise directed by amendment. Offeror assumes responsibility for any patent ambiguity in the Solicitation that Offeror does not bring to BCSD's attention.

#### 2.0.16 ETHICS CERTIFICATE (MAY 2008):

By submitting an Offer, the offeror certifies that the offeror has and will comply with, and has not, and will not, induce a person to violate Title 8, Chapter 13 of the South Carolina Code of Laws, as amended (ethics act). The following statutes require special attention:

- a) Section 8-13-700, regarding use of official position for financial gain;
- b) Section 8-13-705, regarding gifts to influence action of public official;
- c) Section 8-13-720, regarding offering money for advice or assistance of public official;

The District may rescind any contract and recover all amounts expended as a result of any action taken in violation of this provision. If contractor participates, directly or indirectly, in the evaluation or award of public contracts, including without limitation, change orders or task orders regarding a public contract, contractor shall, if required by law to file such a

statement, provide the statement required by Section 8-13-1150 to the procurement officer at the same time the law requires the statement to be filed.

2.0.17 OMIT TAXES FROM PRICE (JAN 2004):

Do **not** include any sales or use taxes in Your price that BCSD may be required to pay.

2.0.18 PROTESTS (JAN 2006):

Any prospective Bidder, Offeror, Contractor, or Subcontractor who is aggrieved in connection with the solicitation of a contract shall protest within fifteen days of the date of issuance of the applicable solicitation document at issue. Any actual Bidder, Offeror, Contractor, or Subcontractor who is aggrieved in connection with the intended award or award of a contract shall protest within ten days of the date notification of award is posted in accordance with this code. A protest shall be in writing, shall set forth the grounds of the protest and the relief requested with enough particularity to give notice of the issues to be decided, and must be received by the appropriate chief procurement officer within the time provided.

2.0.19 PROHIBITED COMMUNICATIONS AND DONATIONS (FEB 2015):

Violation of these restrictions may result in disqualification of your offer, suspension or debarment, and may constitute a violation of law.

- a) During the period between publication of the solicitation and final award, **you must not communicate, directly or indirectly, with the District or its employees, agents or officials regarding any aspect of this procurement activity**, unless otherwise approved in writing by the Procurement Officer. All communications must be solely with the procurement Officer.
- b) You are advised to familiarize yourself with Regulation 19-445.2165, which restricts donations to a governmental entity with whom you have or seek to have a contract. **You represent that your offer discloses any gifts made, directly or through an intermediary, by you or your named subcontractors to or for the benefit of the District during the period beginning eighteen months prior to the Opening Date.**

2.0.20 PUBLIC OPENING (JAN 2004):

Offers will be publicly opened at the date/time and at the location identified on the cover page, or last Amendment, whichever is applicable.

2.0.21 QUESTIONS FROM OFFERORS (FEB 2015):

- a) Any prospective Offeror desiring an explanation or interpretation of the solicitation, drawings, specifications, etc., must request it in writing. Questions regarding the original solicitation or any amendment must be received by the Procurement Officer

no later than five (5) days prior to opening unless an earlier date is stated on the Cover Page. Label any communication regarding your questions with the name of the Procurement Officer, and the solicitation's title and number. Oral explanations or instructions will not be binding. Any information given a prospective Offeror concerning a solicitation will be furnished promptly to all other prospective Offerors as an Amendment to the solicitation, if that information is necessary for submitting offers or if the lack of it would be prejudicial to other prospective Offerors. See clause entitled "Duty to Inquire." **We will not identify you in our answer to your question.**

- b) The BCSD seeks to permit maximum practicable competition. Offerors are urged to advise the Procurement Officer – as soon as possible – regarding any aspect of this procurement, including any aspect of the Solicitation that unnecessarily or inappropriately limits full and open competition.

#### 2.0.22 REJECTION/CANCELLATION:

The BCSD may cancel this solicitation in whole or in part. The BCSD may reject any or all proposals in whole or in part. A minimum of three bids is desired. If less than three bids are received, BCSD will make a determination.

#### 2.0.23 RESPONSIVENESS / IMPROPER OFFERS (JUN 2015):

- a) Bid as Specified: Offers for supplies or services other than those specified will not be considered unless authorized by the Solicitation.
- b) Multiple Offers: Offerors may submit more than one Offer, provided that each Offer has significant differences other than price. Each separate Offer must satisfy all Solicitation requirements. If this solicitation is an Invitation for Bids, each separate Offer must be submitted as a separate document. If this solicitation is a Request for Proposals, multiple Offers may be submitted as one document, provided that you clearly differentiate between each Offer and you submit a separate cost proposal for each Offer, if applicable.
- c) Responsiveness: Any Offer that fails to conform to the material requirements of the Solicitation may be rejected as non-responsive. Offers which impose conditions that modify material requirements of the Solicitation may be rejected. If a fixed price is required, an Offer will be rejected if the total possible cost to the BCSD cannot be determined. Offerors will not be given an opportunity to correct any material nonconformity. Any deficiency resulting from a minor informality may be cured or waived at the sole discretion of the Procurement Officer. [R.19-445.2070 and Section 11-35-1520(13)]
- d) Price Reasonableness: Any Offer may be rejected if the Procurement Officer determines in writing that it is unreasonable as to price. [R. 19-445.2070].

- e) **Unbalanced Bidding:** The BCSD may reject an Offer as non-responsive if the bid prices are materially unbalanced between line items or subline items. A bid is considered materially unbalanced when it is based on prices significantly less than cost for some work and prices which are significantly overstated in relation to cost for other work, and if there is a reasonable doubt that the bid will result in the lowest overall cost to the BCSD even though it may be the low evaluated bid, or if it is so unbalanced as to be tantamount to allowing an advance payment.
- f) **Do not submit bid samples or descriptive literature unless expressly requested.** Unsolicited bid samples or descriptive literature will not be examined or tested, will not be used to determine responsiveness, and will not be deemed to vary any of the provision of the solicitation

#### 2.0.24 SIGNING YOUR OFFER (JAN 2004):

Every Offer must be signed by an individual with actual authority to bind the Offeror.

- a) If the Offeror is an individual, the Offer must be signed by that individual. If the Offeror is an individual doing business as a firm the Offer must be submitted in the firm name, signed by the individual, and state that the individual is doing business as a firm
- b) If the Offeror is a partnership, the Offer must be submitted in the partnership name followed by the words “by its Partner”, and signed by a general partner.
- c) If the Offeror is a corporation, the Offer must be submitted in the corporate name, followed by the signature and title of the person authorized to sign.
- d) An Offer may be submitted by a Joint Venturer involving any combination of individuals, partnerships, or corporations. If the Offeror is a Joint Venture, the Offer must be submitted in the name of the Joint Venture and signed by every participant in the Joint Venture in the manner prescribed in paragraphs a) through c) above for each type of participant.
- e) If an Offer is signed by an Agent, other than as stated in subparagraphs a) through d) above, the Offer must state that it has been signed by an Agent. Upon request, Offeror must provide proof of the Agent’s authorization to bind the principal.

#### 2.0.25 BCSD OFFICE CLOSINGS:

If an emergency or unanticipated event interrupts normal government processes so that offers cannot be received at the BCSD office designated for receipt of bids by the exact time specified in the solicitation, the time specified for receipt of offers will be deemed to be extended to the same time of day specified in the solicitation on the first work day on which normal government processes resume. In lieu of an automatic extension, an Amendment may be issued to reschedule bid opening. If BCSD offices are closed at the

time a pre-bid or pre-proposal conference is scheduled, an Amendment will be issued to reschedule the conference.

2.0.26 SUBMITTING CONFIDENTIAL INFORMATION (FEB 2015): (An overview is available at [www.procurement.sc.gov](http://www.procurement.sc.gov)):

- a) For every document Offeror submits in response to or with regard to this solicitation or request, Offeror must separately mark with the word "CONFIDENTIAL" every page, or portion thereof, that Offeror contends contains information that is exempt from public disclosure because it is either
  - 1) a trade secret as defined in Section 30-4-40(a)(1) or
  - 2) privileged and confidential, as that phrase is used in Section 11-35-410.
- b) For every document Offeror submits in response to or with regard to this solicitation or request, Offeror must separately mark with the words "TRADE SECRET" every page, or portion thereof, that Offeror contends contains a trade secret as that term is defined by Section 39-8-20 of the Trade Secrets Act.

- d) All markings must be conspicuous; use color, bold, underlining, or some other method in order to conspicuously distinguish the mark from the other text. Do not mark your entire response (Bid, Proposal, Quote, etc.) as confidential, trade secret, or protected. If your response or any part thereof, is improperly marked as confidential or trade secret or protected, the BCSD may, in its sole discretion, determine it non-responsive. If only portions of a page are subject to some protection, do not mark the entire page.
- e) By submitting a response to this solicitation or request, Offeror
  - 1) agrees to the public disclosure of every page of every document regarding this solicitation or request that was submitted at any time prior to entering into a contract (including, but not limited to, documents contained in a response, documents submitted to clarify a response, and documents submitted during negotiations), unless the page is conspicuously marked "TRADE SECRET" or "CONFIDENTIAL" or "PROTECTED",
  - 2) agrees that any information not marked, as required by these bidding instructions, as a "Trade Secret" is not a trade secret as defined by the Trade Secrets Act, and

- 3) agrees that, notwithstanding any claims or markings otherwise, any prices, commissions, discounts, or other financial figures used to determine the award, as well as the final contract amount, are subject to public disclosure.
- f) In determining whether to release documents, the BCSD will detrimentally rely on Offeror's marking of documents, as required by these bidding instructions, as being either "confidential" or "trade secret" or "PROTECTED".
- g) By submitting a response, Offeror agrees to defend, indemnify and hold harmless the BCSD, its officers, and its employees, from every claim, demand, loss, expense, cost, damage or injury, including attorney's fees, arising out of or resulting from withholding information by the District, that Offeror marked as "confidential" or "trade secret" or "PROTECTED". (All references to S.C. Code of Laws.)

The contract will be considered the sole point of contact with regard to all situations, including payment of all charges and the meeting of all other requirements.

7.1.8 DEFAULT:

- a) 1) The District may, subject to paragraphs (c) and (d) of this clause, by written notice of default to the contractor, terminate this contract in whole or in part if the contractor fails to –
  - i) Deliver the supplies or to perform the services within the time specified in this contract or any extension;
  - ii) Make progress, so as to endanger performance of this contract (but see paragraph (a)(2) of this clause; or
  - iii) Perform any of the other material provisions of this contract (but see paragraph (a)(2) of this clause).
- 2) The District's right to terminate this contract under subdivisions (a)(1)(ii) and (1)(iii) of this clause, may be exercised if the contractor does not cure such failure within 19 days (or more if authorized in writing by the Procurement Officer) after receipt of the notice from the Procurement officer specifying the failure.
- b) If the District terminates this contract in whole or in part, it may acquire, under the terms and in the manner the Procurement Officer considers appropriate, supplies or services similar to those terminated, and the contractor will be liable to the District for any excess costs for those supplies or services. However, the contractor shall continue the work not terminated.
- c) Except for defaults of subcontractors at any tier, the contractor shall not be liable for any excess costs if the failure to perform the contract arises from causes beyond the

control and without the fault or negligence of the contractor. Examples of such causes include (1) acts of God or of the public enemy, (2) acts of the District in either its sovereign or contractual capacity, (3) fires, (4) floods, (5) epidemics, (6) quarantine restrictions, (7) strikes, (8) freight embargoes, and (9) unusually severe weather. In each instance the failure to perform must be beyond the control and without the fault or negligence of the contractor.

- d) If the failure to perform is caused by the default of a subcontractor at any tier, and if the cause of the default is beyond the control of both the contractor and subcontractor, and without the fault or negligence of either, the contractor shall not be liable for any excess costs for failure to perform, unless the subcontracted supplies or services were obtainable from other sources in sufficient time for the contractor to meet the required delivery schedule.
- e) If this contract is terminated for default, the District may require the contractor to transfer title and deliver to the District, as directed by the Procurement Officer, any
  - 1) completed supplies, and
  - 2) partially completed supplies and materials, parts, tools, dies, jigs, fixtures, plans, drawings, information, and contract rights (collectively referred to as “manufacturing materials” in this clause) that the contractor has specifically produced or acquired for the terminated portion of this contract. Upon direction of the Procurement Officer, the contractor shall also protect and preserve property in its possession in which the District has an interest.
- f) The District shall pay contract price for completed supplies delivered and accepted. The contractor and Procurement Officer shall agree on the amount of payment for manufacturing materials delivered and accepted and for the protection and preservation of the property; if the parties fail to agree, the Procurement Officer shall set an amount subject to the contractor’s rights under the Disputes clause. Failure to agree will be a dispute under the Disputes clause. The District may withhold from these amounts any sum the procurement officer determines to be necessary to protect the District against loss because of outstanding liens or claims of former lien holders.
- g) If, after termination, it is determined that the contractor was not in default, or that the default was excusable, the rights and obligations of the parties shall, if the contract contains a clause providing for termination for convenience of the District, be the same as if the termination had been issued for the convenience of the District. If, in the foregoing circumstances, this contract does not contain a clause providing for termination for convenience of the District, the contract shall be adjusted to compensate for such termination and the contract modified accordingly subject to the contractor’s rights under the Disputes clause.
- h) The rights and remedies of the District in this clause are in addition to any other rights and remedies provided by law or under this contract.

#### 7.1.9 ESTIMATED QUANTITY - UNKNOWN (JAN 2006):

The total quantity of purchases of any individual item on the contract is not known. The District does not guarantee that the District will buy any specified item or total amount. The omission of an estimated purchase quantity does not indicate a lack of need but rather a lack of historical information.

#### 7.1.10 ILLEGAL IMMIGRATION:

(An overview is available at [www.procurement.sc.gov](http://www.procurement.sc.gov)) By signing your offer, you certify that you will comply with the applicable requirements of Title 8, Chapter 14 of the South Carolina Code of Laws and agree to provide to the State upon request any documentation required to establish either: (a) that Title 8, Chapter 14 is inapplicable to you and your subcontractors or sub-subcontractors; or (b) that you and your subcontractors or sub-subcontractors are in compliance with Title 8, Chapter 14. Pursuant to Section 8-14-60, “A person who knowingly makes or files any false, fictitious, or fraudulent document, statement, or report pursuant to this chapter is guilty of a felony and, upon conviction, must be fined within the discretion of the court or imprisoned for not more than five years, or both.” You agree to include in any contracts with your subcontractors language requiring your subcontractors to (a) comply with the applicable requirements of Title 8, Chapter 14, and (b) include in their contracts with the sub-subcontractors language requiring the sub-subcontractors to comply with the applicable requirements of Title 8, Chapter 14. [07-7B097-1]

#### 7.1.11 INDEMNIFICATION - THIRD PARTY CLAIMS - GENERAL (FEB 2015):

Notwithstanding any limitation in this agreement, and to the fullest extent permitted by law, Contractor shall defend and hold harmless Indemnitees for and against any and all suits or claims of any character (and all related damages, settlement payments, attorneys' fees, costs, expenses, losses or liabilities) by a third party which are attributable to bodily injury, sickness, disease or death, or to injury to or destruction of tangible property arising out of or in connection with the goods or services acquired hereunder or caused in whole or in part by any act or omission of contractor, its subcontractors, their employees, workmen, servants, agents, or anyone directly or indirectly employed by them or anyone for whose acts any of them may be liable, regardless of whether or not caused in part by an Indemnitee, and whether or not such claims are made by a third party of an Indemnitee; however, if an Indemnitee's negligent act or omission is subsequently determined to be the sole proximate cause of a suit or claim, the Indemnitee shall not be entitled to indemnification hereunder. Contractor shall be given timely written notice of any suit or claim. Contractor's obligations hereunder are in no way limited by any protection afforded under workers' compensation acts, disability benefits acts, or other employee benefit acts. This clause shall not negate, abridge, or reduce any other rights or obligations of indemnity which would otherwise exist. The obligations of this paragraph shall survive termination, cancelation, or expiration of the parties' agreement. This provision shall be construed fairly and reasonably, neither strongly for nor against either party, and without regard to any clause regarding insurance. As used in this clause,

“Indemnitees” means the BCSD, its instrumentalities, agencies, departments, boards, political subdivisions and all their respective officers, agents and employees.

7.1.12 INDEMNIFICATION - THIRD PARTY CLAIMS – DISCLOSURE OF INFORMATION (FEB 2015):

- a) Without limitation, Contractor shall defend and hold harmless Indemnitees from and against any and all suits, claims, investigations, or fines (hereinafter “action”) of any character (and all related damages, settlement payments, attorneys’ fees, costs, expenses, losses or liabilities) by a third party which arise out of or in connection with a disclosure of government information (as defined in the clause titled Information Security – Definitions) cause in whole or in part by any act or omission of contractor, its subcontractors at any tier, their employees, workmen, servants, agents, or anyone directly or indirectly employed by them or anyone for whose acts any of them may be liable, regardless of whether or not caused in part by an Indemnitee, and whether or not such action is brought by a third party or an Indemnitee, but only if the act or omission constituted a failure to perform some obligation imposed by the contract or the law.
- b) Indemnitee must notify contractor in writing within a reasonable period of time after Indemnitee first receives written notice of any action. Indemnitee’s failure to provide or delay in providing such notice will relieve contractor of its obligations under this clause only if and to the extent that such delay or failure materially prejudices contractors ability to defend such action. Indemnitee must reasonably cooperate with contractor’s defense of such actions (such cooperation does not require and is without waiver of an Indemnitees attorney/client, work product, or other privilege\_ and, subject to Title 1, Chapter 7 of the South Carolina Code of Laws, allow contractor sole control of the defense, so long as the defense is diligently and capably prosecuted. Indemnitee may participate in contractor’s defense of any action at its own expense. Contractor may not, without Indemnitee’s prior written consent, settle, compromise, or consent to the entry of any judgment in any such commenced or threatened action unless such settlement, compromise or consent:
  - i. includes an unconditional release of Indemnitee from all liability related to such commenced or threatened action, and
  - ii. is solely monetary in nature and does not include a statement as to, or an admission of fault, culpability or failure to act by or on behalf of, an Indemnitee or otherwise adversely affect an Indemnitee. Indemnitee’s consent is necessary for any settlement that requires Indemnitee to part with any right or make any payment or subjects Indemnitee to any injunction
- c) Notwithstanding any other provision, contractor’s obligations pursuant to this clause are without any limitation whatsoever. Contractor’s obligations under this clause shall survive the termination, cancellation, rejection, or expiration of the contract. This provision shall be construed fairly and reasonably, neither strongly for nor against either party, and without regard to any clause regarding insurance.\

- d) "Indemnitee" means the State of South Carolina, its instrumentalities, agencies, departments, boards, political subdivisions and all their respective officers, agents and employees.

7.1.13 INDEMNIFICATION - INTELLECTUAL PROPERTY (FEB 2015):

- a) Without limitation and notwithstanding any provision in this agreement, Contractor shall, upon receipt of notification, defend and indemnify the BCSD, its instrumentalities, agencies, departments, boards, political subdivisions and all their respective officers, agents and employees against all actions, proceedings or claims of any nature (and all damages, settlement payments, attorneys' fees (including inside counsel), costs, expenses, losses or liabilities attributable thereto) by any third party asserting or involving an IP right related to an acquired item. BCSD shall allow Contractor to defend such claim so long as the defense is diligently and capably prosecuted. BCSD shall allow Contractor to settle such claim so long as

- 1) all settlement payments are made by Contractor, and
- 2) the settlement imposes no non-monetary obligation upon BCSD.  
BCSD shall reasonably cooperate with Contractor's defense of such claim.

- b) In the event an injunction or order shall be obtained against BCSD's use of any acquired item, or if in Contractor's opinion, the acquired item is likely to become the subject of a claim of infringement or violation of an IP right, Contractor shall, without in any way limiting the foregoing, and at its expense, either:

- 1) procure for BCSD the right to continue to use, or have used, the acquired item, or
- 2) replace or modify the acquired item so that it becomes non-infringing but only if the modification or replacement does not adversely affect the specifications for the acquired item or its use by BCSD.

If neither (1) nor (2), above, is practical, BCSD may require that Contractor remove the acquired item from BCSD, refund to BCSD any charges paid by BCSD therefore, and take all steps necessary to have BCSD released from any further liability.

- c) Contractors obligations under this paragraph do not apply to a claim to the extent
  - 1) that the claim is caused by Contractor's compliance with specifications furnished by the BCSD unless Contractor knew its compliance with the BCSD's specifications would infringe an IP right, or
  - 2) that the claim is caused by Contractor's compliance with specifications furnished by the BCSD if the BCSD knowingly relied on a third party's IP right to develop the specifications provided to Contractor and failed to identify such product to Contractor.

- d) As used in this paragraph, these terms are defined as follows: "IP right(s)" means a patent, copyright, trademark, trade secret, or any other proprietary right. "Acquired item(s)" means the rights, goods, or services furnished under this agreement. "Specification(s)" means a detailed, exact statement of particulars such as a statement prescribing materials, dimensions, and quality of work.
- e) Contractor's obligations under this clause shall survive the termination, cancellation, rejection, or expiration of this Agreement.
