

Bid Specs for Police Package Vehicles

Manchester Police Department

2019 / 2020

The Manchester Police Department is requesting sealed bids on 2019 or 2020 police pursuit rated vehicles. These vehicles must be factory police package vehicles, both sedan and/or SUV. We will compare sedans, V6 engines and V8 engines separately and SUV's V6 and V8 engines separately if necessary.

Police Patrol Package Option

Engine: will compare both V6 and V8 models separately

Engine Cooling: Largest available with police package.

Drivetrain: All-wheel drive (if available in each particular model), will compare 2WD also.

Transmission: Automatic, heavy duty with cooler

Suspension: Performance-tuned suspension, heavy police rated suspension

Brakes: Heavy duty disc with ABS

Alternator: 220 amp minimum, heavy duty

Battery: 12 volt, highest available amperage, heavy duty

Wheels: 5 each, full size rims, black

Wheel Covers: Mfg. standard, factory covers

Power Door Locks & Windows: Driver controlled, rear windows must be able to be inoperable from rear seat.
