Overview

The City of Canton is seeking Statements of Qualifications from firms interested in contracting for architectural, engineering, surveying, and other related services during the 2022 calendar year for the types of projects listed below. These Statements of Qualifications may be used by any City department for the selection of vendors for any applicable project when in the City's best judgment. The cost of the architectural, engineering, surveying, or related contract is estimated to be less than \$50,000.00.

Professional Services Needed

Specific projects will be identified throughout the 2022 calendar year. Below are the types of projects the City anticipates that it may be undertaking.

- Roadway, signal, traffic studies and design
- Storm water management studies and design, including storm water conveyance, flood control, and water quality treatment
- Stream restoration design
- Sanitary sewer studies and design
- Bridge studies, design, and condition inspection
- Water line replacement/installation studies and design
- Reservoir maintenance studies and design
- Water treatment plant studies and design
- Water treatment studies
- Water distribution master planning and related studies and design
- Feasibility Studies
- Hydraulic modeling
- Environmental site assessments
- Geotechnical studies and design
- General architectural and/or engineering planning and design
- Soil borings
- Surveying and GIS work
- Regulatory approval assistance
- Water and sewer rate studies
- Safety studies
- All building maintenance studies and design, including potential roof work
- Plan reviews

- Site plan preparation
- Bid specification/construction plan drafting and award assistance
- Cost estimate development
- Construction engineering and/or oversight
- General architectural and/or engineering planning and design for building demolitions
- Environmental site assessments for building demolitions (including asbestos testing)
- Plan reviews for demolitions
- Bid specification/plan drafting and award assistance for demolitions
- Demolition monitoring and/or oversight
- Funding Research and/or Applications Assistance
- Miscellaneous architectural and/or engineering services related to the completion of the above services

Locations

Specific project locations will be identified throughout the 2022 calendar year.

Questions

Please direct all questions regarding this request for qualifications in writing by **Friday, December 3, 2021 at 4:00 PM** to:

Katie Wise, Assistant Director of Purchasing
kathryn.wise@cantonohio.gov

Statement of Qualifications Requirements

- The submission must not exceed thirty (30) single-sided, numbered pages that are double-spaced with a 12-point font, including attachments. The cover page will not count towards the total number of pages, but all others will.
- Firms must indicate which of the above services they provide and for which they would like to be considered.
- Firms must indicate all applicable ODOT pre-qualifications.
- The qualification package must provide adequate information needed to rank the capability of a firm on each of the categories indicated.
- Please submit your statement of qualifications electronically via the City's sourcing tool, Vendor Registry. Vendor Registry is free for your use with City sourcing events. Go to <https://www.cantonohio.gov/448/Purchasing-Procurement>, then click on Open Solicitations and post your submission.

Items Used for Ranking of Firms

Firm's Background

- Information regarding the firm's history
- Types of services offered by the firm
- Information regarding the firm's available equipment and facilities

Similar Project Experience

- The firm's experience with similar projects, including at least three (3) examples of completed projects of a similar nature and scope

Past Project Performance

- Previous work performed for the City of Canton,
- Past project performance with regard to quality of work, experience with regulatory procedures and policies
- References

Project Team

- Education and experience of owners and key technical personnel who will be assigned this project. Project teams shall identify the proposed project manager, individuals anticipated to perform the work, and other in-house capabilities appropriate for this kind of work. Identification of possible outside sub-consultants shall be included.
- The technical expertise of the firm's current staff
- Current projects underway and availability of staff

Submittal Presentation

- Overall appearance and quality of the submittal.

Deadline and Submission Procedures

Firms interested in being considered for this contract must provide a statement of qualifications by **4:00 P.M. on Friday, December 10, 2021**. Statements of Qualifications received after this deadline will not be considered. Please submit your statement of qualifications electronically via the City's sourcing tool, Vendor Registry. Vendor Registry is free for your use with City sourcing events. Go to <https://www.cantonohio.gov/448/Purchasing-Procurement>, then click on Open Solicitations and post your submission.

Evaluation and Next Steps

- Responding firms will be evaluated and ranked pursuant to Ohio Revised Code Sections 153.65-153.73 based on the above criteria as projects are identified.
- The City may short list firms based on any combination of categories noted above on a departmental and project by project basis.

- The City reserves the right to require additional information and/or oral technical presentations to aid in the ranking process. This may vary from department to department and from project to project.
- Upon the completion of this evaluation process, the City of Canton will enter into contract negotiations with the firm(s) receiving the highest ranking for each project. At this time, the City will commence fee and contract negotiations with the selected firm most qualified to perform the services as needed. The final scope(s) of engineering services will also be established during these negotiations.

The City of Canton reserves the right to reject any and all proposals and to accept the proposal(s) deemed most beneficial to the City of Canton.

**By order of the Director of Public Service and Director of Public Safety
John M. Highman, Jr. and Andrea M. Perry Respectfully**

**Published in The Repository
November 17, 2021 and November 24, 2021**
