The County shall also be bound on the said terms and conditions to procure the services described and remit payment to the contractor when said services are completed. If the successful contractor does commence any work or deliver items prior to receiving official notification, he does so at his own risk.

**4.3 PERFORMANCE AND APPROVAL OF SUB-CONSULTANTS:**

**4.4 CHANGES:**

In the event a contract is awarded, the County may, with prior Board approval, make changes at any time during the contract period within the general scope of the contract and its technical provisions. If any such change causes any increase or decrease in the Vendor's cost of performing any part of the contract, an equitable adjustment shall be made in the contract prices, or in the time of performance, or in both. A written memorandum of such adjustment shall be made prior to any changes in contract pricing schedules.

**4.5 TERMINATION OF CONTRACT:**

Effingham County shall have the right to terminate any contract to be made hereunder for its convenience by giving the Proposer written notice 60 days in advance of its election to do so and by specifying the effective date of such termination. The Proposer shall be paid for services rendered and not in question or dispute through the effective date of such termination. Further, provided a contract is awarded, if a Proposer shall fail to fulfill any of its obligations hereunder, the County may, by giving written notice to the Proposer at issue, terminate the agreement with said Proposer for such default.
