**NOTICE OF REQUIREMENT FOR

MINORITY, WOMEN- AND VETERAN-OWNED BUSINESS (MWVBE)
CONTRACT PARTICIPATION**

The mission of the Fayette County Public Schools (FCPS) is to create a collaborative community that ensures all students achieve at high levels and graduate prepared to excel in a global society. FCPS values diversity, inclusion and equity. As one of the largest employers in Fayette County, we know the impact of how we spend the money entrusted to us by taxpayers has a far-reaching effect in the greater economic development of the entire community. As a result, the Fayette County School Board (Board) has set a goal that not less than twelve percent (12%) of the total value of this contract be subcontracted to minority, women and veteran-owned businesses (MWVBES). The goal for the utilization of certified MWVBES as subcontractors are recommended goals. All bids and requests for proposals will be reviewed in detail by the Office of Economic Development and Supplier Diversity prior to awards being submitted to the Board for approval. Bidders who fail to meet such goals will be expected to provide written explanations to the Manager of Economic Development and Supplier Diversity of efforts they have made to accomplish the recommended goals. The extent to which they are successful in accomplishing the recommended goals will be a consideration in the procurement selection process.

FCPS reserves the right to work with the most responsible and responsive bidder. That means that the district may need to move to the next lowest bidder in the event that the proposed winning bidder is unwilling and unable to demonstrate documented good faith efforts to comply with these requirements.

For assistance in locating capable MWVBE subcontractors, contact Sarah Gaines, Manager of Economic Development and Supplier Diversity:

In the event that the lowest price or best evaluated bid is not responsible and responsive because the contractor does not agree to be contractually obligated to use good faith efforts as set forth herein, then that bid will be considered non-responsive and FCPS may re-bid that contract or select the next lowest responsive price or best evaluated bid, if permitted by applicable law.

FCPS Manager of Economic Development and Supplier Diversity will be made aware of participation goals of the lowest bidder on all projects. The Manager of Economic Development and Supplier Diversity will review any and all bids and requests for proposals to examine whether they are responsible and responsive with regard to good faith efforts as set forth herein. However, there shall be no obligation on FCPS to delay the project pending such review, and if any contractor that becomes contractually obligated to use good faith efforts as provided herein is ultimately determined to have not used such good faith efforts, the remedies of FCPS are set out above.
