1. **PROHIBITIONS OF GRATUITIES:** It shall be unethical for any person to offer, or give, or agree to give any County employee or former County employee, or for any County employee or former County employee to solicit, demand, accept, or agree to accept from another person, a gratuity or an offer of employment in connection with any decision, approval, disapproval, recommendation, or preparation of any part of a program requirement or purchase request, influencing the content of any specification or procurement standard, rendering of advice, investigation, auditing, or in any other advisory capacity in any proceeding or application, request for ruling, determination, claim or controversy, or other particular matter pertaining to any program requirement or a contract or subcontract or to any solicitation or proposal therefore.

- 1.1 **Kickbacks:** It shall be unethical for any payment, gratuity, or offer of employment to be made by or on behalf of a subcontractor under a contract to the prime contractor, or higher tier subcontractor under a contract to the prime contractor, or higher tier subcontractor or any person associated therewith, as an inducement for the award of a subcontractor order.

2. **ORDER OF PRECEDENCE:** In the event of inconsistency between provisions of this solicitation, the inconsistency shall be resolved by giving precedence in the following order: (A) The Bidding Schedule, (B) General Provisions, (C) Instructions to Bidders, and Conditions, (D) Other Provisions of the Contract, whether incorporated by reference or otherwise, and (E) The Specifications.
3. **COMPETITION:** There are no Federal or State laws that prohibit bidders from submitting a bid lower than a price or bid given to the U.S. Government. Bidders may bid lower than U.S. Government Contract price without any liability, because the County is exempt from the provisions of the Robinson-Patman Act and other related laws.
4. **TERMINATION:** Subject to the Provisions below, the contract may be terminated by the Purchasing Department.

5. **EXCUSABLE DELAY:** The Contractor shall not be liable for any excess costs, if the failure to perform the contract arises out of causes beyond the control and without the fault or negligence of the Contractor. Such causes may include, but are not restricted to, acts of God or of the public enemy, acts of the Government in either its sovereign or contractual capacity, fires, floods, epidemics, quarantine, restrictions, strikes, freight, embargoes, and unusually severe weather; but in every case the failure to perform must be beyond the control and without the fault or negligence of the Contractor. If the failure to perform is caused by the default of a subcontractor, and is such default arises out of causes beyond the control of both the Contractor and subcontractor, and without the fault or negligence of either of them, the Contractor shall not be liable for any excess costs for failure to perform, unless the supplies or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required delivery schedule.
6. **BID SCHEDULE:** Enter the manufacturer, brand, and catalog number bid and prices quoted for each item in the spaces provided on the Bid Schedule sheet. Additional pages may be attached, when applicable, for quantity prices. Quote prices in units of standard pack, pricing each item separately, unless indicated otherwise in bid instructions.
7. **BIDDERS QUALIFICATION:** Bidders must, upon request of the County, furnish satisfactory evidence of their ability to furnish products or services in accordance with the terms and conditions of these specifications. The Purchasing Department reserves the right to make the final determination as to the bidder's ability to provide the products or services requested herein.

8. **BIDDERS RESPONSIBILITY**: Each bidder shall fully acquaint himself with conditions relating to the scope and restrictions attending the execution of the work under the conditions of this bid. It is expected that this will sometimes require on-site observation. The failure or omission of a bidder to acquaint himself with existing conditions shall in no way relieve him of any obligation with respect to this bid or to the contract.

9. **AWARD CRITERIA**: Award will be made to the responsible and responsive bidder(s) whose bid is the most economical for the purpose intended, according to the criteria designated in the Invitation for Bid.

9.1 In addition to price, the Bid Evaluation will include the following factors (as they apply):

9.1.3 The sufficiency of financial resources and its impact on ability of the bidder to perform the contract or provide the services.

9.1.4 The County reserves the right to conduct on-site inspections of any bidder's facilities prior to award. The results of said inspection will be considered by the County in determining bidder's capabilities of successfully administering to this contract.

9.1.6 The resale value, life cycle costing (which includes the cost of maintenance) and value analysis.

9.3 **Evaluation of Bids for Multiple Awards**: In addition to other factors, bids will be evaluated on the basis of advantages to the County that might result from making more than one award (multiple awards). For the purpose of making this evaluation, administrative costs to the County for issuing and administering each contract awarded under this invitation will be considered, and individual awards will be for the items and combinations of items which result in the lowest aggregate price to the County, including such administrative costs.

9.4 **Indefinite Delivery**: At the discretion of Dorchester County, the contract may be extended for a time period not to exceed 24 months.

10. **REJECTION**: This solicitation does not commit Dorchester County to award a contract, to pay any costs incurred in the preparation of a bid, or to procure or contract for the articles of goods or services. The County reserves the right to waive minor informalities and irregularities, to accept or reject any or all bids received as a result of this request, or to cancel in part in or its entirety this bid, if it is in the best interest of the County to do so. In addition, the County reserves the right to reject any bid that contains prices for individual items or

services that are inconsistent or unrealistic when compared to other prices in the same or other bids, if such action would be in the best interest of the County.

10.1 Rejection of Lowest Bid: Substantial negative findings from the Bid Evaluation as listed in paragraph 9, Award Criteria, and/or the factors as listed below, may result in the rejection of the lowest bid, if in the best interest of the County of Dorchester.

10.1.1 Additional purchase of repair/replacement parts for the low bid item, as opposed to an existing inventory of parts for a higher bid item.

10.1.2 Greater service costs for the low bid item.

10.1.3 Longer service time for the low bid item, which would cause longer down time of the item.

10.1.4 Proven reliability of the higher bid item.

10.1.5 Compatibility of the higher bid item with existing equipment.

11. ASSIGNMENT: The Contractor shall not sublet, assign, nor by means of a stock transfer or sale of its business, assign or transfer this contract without the written consent of the County Administrator.

12. CONTRACT ADMINISTRATION: Questions or problems arising after award of this contract shall be directed to the Purchasing Department.

13. AFFIRMATIVE ACTION/TITLE VI COMPLIANCE: The successful bidder will take affirmative action in complying with all Federal and State requirements concerning fair employment and employment of the handicapped, and concerning the treatment of all employees, without regard or discrimination by reason of race, religion, sex, age, national origin, or physical handicap. The contractor, subcontractor, or sub-recipient shall carry out applicable requirements of 49 CFR Part 26 in the award and administration of DOT-assisted contracts. Failure by the contractor to carry out these requirements is a material breach of this contract, which may result in the termination of this contract or such other remedy as the recipient deems appropriate.

14. WAIVER: The County reserves the right to reject any or all bids, to waive any General Provisions, Special Provisions, or minor specification deviation when considered to be in the best interest of this County.

15. RESTRICTIONS/LIMITATIONS: No purchases are to be made from this Contract of any item that is not listed, nor of any item that is currently authorized under any contract awarded prior to this Contract.

16. PURCHASES FROM OTHER SOURCES: The Purchasing Department reserves the right to bid separately any unusual requirements or large quantities of the items specified in this proposed contract.

17. QUALITY OF PRODUCT: Unless otherwise indicated in this bid, it is understood and agreed that any item offered or shipped on this bid shall be new, the latest model, and in first class condition, and when applicable all containers shall be new and suitable for storage or shipment, and that prices include standard commercial packaging.

Any deviations from the Specifications/Conditions listed herein must be clearly identified and explained with each bid.

18. ISSUANCE OF PURCHASE ORDERS: Dorchester County shall not be responsible for invoices that do not have a purchase order covering them.

19. ITEM SUBSTITUTIONS: No substitutes will be allowed on purchase orders received from agencies,

without permission from the Purchasing Department.

20. **DISCREPANCIES**: A bidder who discovers a discrepancy or omission in the specification, or is in doubt of the interpretation of any part of the Invitation for Bid or considers that the Specification or Invitation for Bid is restrictive or discriminatory shall notify the Purchasing Director, in writing not later than ten (10) days prior to the scheduled bid opening, or at a pre-bid conference should one be scheduled. Exceptions taken do not obligate Dorchester County to change or alter specifications. Nothing will change the Invitation for Bid, unless written amendment is provided by the Purchasing Director at least three (3) working days before the Bid Opening.

21. **BRAND NAMES**: The name of any manufacturer, trade name, or manufacturer's or vendor's catalog or model number set forth in the specification is for the purpose of describing the minimum standard of quality, type, or performance.
