Qualifications submittals should include proof of registration in SAM.gov, or proof of pending registration.

2. Provide notice that the use of federal funds requires that the contracts between the City and the selected firms are consistent with 2 CFR Part 200, Appendix II. The attached contract clauses must be a part of the contract between the City and each selected firm.

1. **Termination of Contract for Cause.** If, through any cause, the Contractor shall fail to fulfill in a timely and proper manner his obligations under this Contract, or if the Contractor shall violate any of the covenants, agreements, or stipulations of this Contract, the Public Body shall thereupon have the right to terminate this Contract by giving written notice to the Contractor of such termination and specifying the effective date thereof, at least five days before the effective date of such termination. In such event, all finished or unfinished documents, data, studies, surveys, drawings, maps, models, photographs and reports prepared by the Contractor under this Contract shall, at the option of the Public Body, become its property and the Contractor shall be entitled to receive just and equitable compensation for any work satisfactorily completed hereunder.

Notwithstanding the above, the Contractor shall not be relieved of liability to the Public Body for damages sustained by the Public Body by virtue of any breach of the Contract by the Contractor, and the Public Body may withhold any payments to the Contractor for the purpose of set-off until such time as the exact amount of damages due the Public Body from the Contractor is determined.

2. **Termination for Convenience of the Public Body.** The Public Body may terminate this Contract at any time by giving at least ten (10) days notice in writing to the Contractor. If the Contract is terminated by the Public Body as provided herein, the Contractor will be paid for the time provided and expenses incurred up to the termination date. If this Contract is terminated due to the fault of the Contractor, Paragraph 1 hereof relative to termination shall apply.
