Electronic copies of the bid documents will be provided free of charge. Paper copies of the bid documents are not available. Bidders using partial sets of Documents are fully responsible for any errors or omissions made due to not reviewing the entire set of Construction Documents.

Project Description: The project involves demolishing approximately 350 LF of NW Willow Terrace (from NW Palm Street to NW Ashley Street), removing trees and excavating the creek, stabilizing the creek (approximately 300 LF), replacing, reinforcing, and resizing drainage structures, and constructing a ¼ Acre Sediment Basin. Items of work include saw cutting and removing concrete roadway leaving a smooth uniform edge, excavation, bank and channel stabilization, dredging a portion of the lake to allow construction, and drainage work.
