

CITY OF KNOXVILLE  
INVITATION TO BID

Streetlight Poles

Sealed bids, invited by the City of Knoxville, for Streetlight Poles will be received by the Purchasing Division of the City of Knoxville, in Room 667-674, City County Building; 400 Main Street; Knoxville, Tennessee, until **11:00:00 a.m.** (Eastern Time) on **Tuesday, February 25, 2020** at which time they will be opened and publicly read aloud and a contract awarded as soon thereafter as practicable.

This Invitation to Bid is for a fixed price agreement on all streetlight poles that the City uses to be purchased on an as-needed basis. **The City will only purchase streetlight poles from contractors awarded under this contract during the contract term.** Contract will be for one (1) year with two (2) optional one-year renewals, for a total of three years at the same terms and conditions, subject to **agreement of both parties.**

**BIDDERS ARE NOT REQUIRED TO BID ALL LINE ITEMS TO BE ELIGIBLE FOR AWARD.**

**This will be a multiple award contract.** The City will accept all responsive bids submitted on or before the specified bid opening date and make an award to all responsive, responsible bidders able to supply the necessary streetlight poles within the acceptable lead time.

An award **does not** guarantee a vendor will receive an order during the term of this contract or that the awarded items will be requested by the department. The City may purchase all, some, or none of the items contained in this invitation to bid. **NO SPECIFIC QUANTITY IS GUARANTEED.**

Purchases will be made on a rotating basis; however, the City may make purchases outside of the normal rotation based on availability for quantity needed.

**ESTIMATED QUANTITIES**

For the purposes of pricing it is estimated that the City would have to purchase approximately fifty (50) poles during a one-year period. This is an estimated quantity only and **NO SPECIFIC QUANTITY IS GUARANTEED.**

**FIRM BID PRICE PERIOD**

Prices quoted shall be firm for the duration of the contract, except in the event an unexpected charge is imposed on the Contract holder by a federal, state, county or city government entity during the term of the contract. The vendor/contractor may invoice the City for the imposed charge amount as long as it provides proof (invoice or statement, etc.) of the imposed charge to the user agency. The City shall also be advised of and receive the benefit of any price decrease in excess of five (5) percent automatically. The vendor/contractor holder must provide written price reduction information within ten (10) days of its effective date.

## **DISCOUNTS FOR EARLY PAYMENT**

Bidders may offer discounts for prompt payment of invoices, however, such discounts will not be used in determining the final net prices offered. The City may take advantage of such discounts, if offered.

## **BILLING INSTRUCTIONS**

The vendor/contractor shall invoice the City only after product has been received. The contractor shall submit an invoice to the City agency billing address clearly and accurately detailing the following required information:

1. Invoice/reference number (assigned by the contractor)
2. Invoice date
3. Contract or Purchase Order number (assigned by the City)
4. Account/Customer Number (uniquely assigned by the contractor/vendor)
5. Contractor Name
6. Contractor Contact (name, phone, fax or email address for the person to contact with billing questions)
7. Contractor Remittance Address
8. Item Number, description, and number ordered
9. Per item price
10. Number of items shipped
11. Shipping charges
12. Total amount due for product(s)

## **PAYMENT**

By submitting a bid the Contractor agrees that timeframe for payment (and any discounts) begins when the City has received and accepted the materials, and is in receipt of a correct invoice meeting the minimum requirements above. **Standard payment term for the City of Knoxville is NET 30.** Contractor must be able to apply payment received, in the form of one check, to multiple invoices in an accurate matter. Failure on behalf of Bidder to maintain accurate records may be cause for cancellation of the contract.

## **BID REJECTION**

Bids may be rejected if the Bidder is unable to meet an acceptable lead time.

Bid prices which are, in the opinion of the Purchasing Agent, unbalanced may be rejected

CLARIFICATION: The term “unbalanced” shall be interpreted as meaning. Any unit price contained in the bid schedule which is obviously unbalanced either above or below reasonable cost analysis and or unreasonably disproportionate to current market prices as determined by the Purchasing Agent, or if such unbalanced prices are contrary to the interest of the City.

To be given consideration, such requests/questions must be received at least five (5) business days prior to the date fixed for the opening of bids. Any and all such interpretations and any supplemental instructions will be in the form of written addenda to the specifications which, if issued, will be posted to the City's website at [www.knoxvilletn.gov/bids](http://www.knoxvilletn.gov/bids). Submitting organizations are strongly encouraged to view this website often to see if addenda are posted. Failure of any bidder to receive such addendum or interpretation shall not relieve such Bidder from any obligation under his bid as submitted. All addenda so issued shall become part of the Contract Documents.

21. Attention of all bidders is directed to the set off provision contained in Article II, Section 24-33, entitled, "Debts owed by persons receiving payments other than salary", and Section 2-1049 entitled "Receipt of benefits from City contracts by council members, employees, and officers of the City" of the Code of the City of Knoxville.
22. Before a Purchase Order is issued, the submitting entity, if selected, **must** provide the City Purchasing Division with a copy of its valid business license **or** with an affidavit explaining why it is exempt from the business licensure requirements of the city or county in which it is headquartered. If a contract is signed, the contractor's business license shall be kept current throughout the duration of the contract, and the contractor shall inform the City of changes in its business name or location. Any Agreement to purchase resulting from this Invitation to Bid shall be governed by and construed in accordance with the substantive laws of the State of Tennessee and its conflict of laws provisions. Venue for any action arising between the City and the Vendor from the Agreement shall lie in Knox County, Tennessee.
23. In compliance with Tennessee state law, bids must be accompanied by a certification attesting that, to the best of the bidder's knowledge, the bidder does not engage in investment activities in Iran. The Iran Divestment Act of 2014 Certification of Noninclusion form may be found in this solicitation document.
24. By acceptance and delivery of the Purchase Order resulting from the award of this Invitation to Bid, the Vendor agrees to the following:

Contractor shall defend, indemnify and hold harmless the City, its officers, employees and agents from any and all liabilities which may accrue against the City, its officers, employees and agents or any third party for any and all lawsuits, claims, demands, losses or damages alleged to have arisen from an act or omission of Contractor in performance of this Agreement or from Contractor's failure to perform this Agreement using ordinary care and skill, except where such injury, damage, or loss was caused by the sole negligence of the City, its agents or employees.

Contractor shall save, indemnify and hold the City harmless from the cost of the defense of any claim, demand, suit or cause of action made or brought against the City alleging liability referenced above, including, but not limited to, costs, fees, attorney fees, and other expenses of any kind whatsoever arising in connection with the defense of the City; and Contractor shall assume and take over the defense of the City in any such claim, demand,

suit, or cause of action upon written notice and demand for same by the City. Contractor will have the right to defend the City with counsel of its choice that is satisfactory to the City, and the City will provide reasonable cooperation in the defense as Contractor may request. Contractor will not consent to the entry of any judgment or enter into any settlement with respect to an indemnified claim without the prior written consent of the City, such consent not to be unreasonably withheld or delayed. The City shall have the right to participate in the defense against the indemnified claims with counsel of its choice at its own expense.

Contractor shall save, indemnify and hold City harmless and pay judgments that shall be rendered in any such actions, suits, claims or demands against City alleging liability referenced above.

The indemnification and hold harmless provisions of this Agreement shall survive termination of the Agreement.

**25. Price Adjustments:** After the completion of the first base year term and any renewal terms thereof, the bidder may adjust the unit prices in accordance with the increase or decrease, if any, in the Producer Price Index (PPI), using as a basis of such adjustment the “Alumina Refining and Primary Aluminum Production – PCU331313331313” and “Wood Poles, Piles, and Posts Owned and Treated by the Same Establishment – PCU3211143211141” and “Steel Product Mfg from Purchased Steel – PCU3312 - - 3312 - -” (“Index”) not seasonally adjusted for the month prior to the term expiration, published by the Bureau of Labor Statistics of the United States Department of Labor, excepting that the maximum annual increase shall not exceed 3.5%. The new rate for each year will be calculated as per the following example:

PPI for current period (Current January Index):	134.0
-PPI for previous period (Prior January Index):	129.9
= Index point change	4.1

Index point change (4.1) ÷ Prior 6-month Index (129.9) = 0.032 x 100 = 3.2% index change  
3.2% index change x current Unit Price = Price Increase + Current Unit Price = New Unit Price

The City also may adjust the contract downward if the PPI index decreases by (10%) or more from the date of the last increase in the unit price. The increase in the unit prices may occur after Contractor has given the City written notice of such change and the City’s Contract Manager approves the calculation.

# DIVERSITY BUSINESS ENTERPRISE (DBE) PROGRAM

The City of Knoxville strongly encourages prime contractors to employ diverse businesses in the fulfillment of contracts/projects for the City of Knoxville.

The City of Knoxville's Fiscal Year 2020 goal is to conduct 4.82% of its business with minority-owned businesses, 10.73% of its business with woman-owned businesses, and 33.94% with small businesses.

While the City cannot engage (pursuant to state law) in preferential bidding practices, the City does **strongly encourage** prime contractors to seek out and hire diverse businesses in order to help the City meet its goals as stated above. As such, the City encourages prime contractors to seek out and consider competitive sub-bids and quotations from diverse businesses.

For DBE tracking purposes, the City requests that prime contractors who are bidding, proposing, or submitting statements of qualifications record whether or not they plan to employ DBE's as sub-contractors or consultants.
