**QSP NFS 19-177**

**All quotes due by May 9, 2019, 5:00 P.M., Local Time, Phoenix, Arizona.**

The City of Avondale (the "City") Neighborhood and Family Services Department is seeking a licensed and qualified Vendor to provide all material and labor required as described below for a period of one year, with four renewable one-year options, as set forth below.

**Section I – Project Information**

The City is seeking to purchase a radio frequency identification (RFID) pad with support and maintenance for its new mobile library trailer. The RFID pad must meet ISO 15693, ISO 18000-3-A (NXP SLI, SLIx, SLIx2) standards and connect via USB to a Windows 10 laptop. Further, the RFID pad software must interface with the library's hosted integrated library system (ILS), Polaris, communicating via the remote desktop protocol (RDP) connection to the ILS. The library uses Bibliotheca/3M RFID security tags for all materials and the reader must function properly to conduct check in and check out of library materials as well as locking and unlocking the security bit on the RFID tag. The pad must include maintenance and support for related hardware and software problems that may arise.

At the City's discretion, the Contract created by this request and the resulting quotation will automatically renew for up to four successive one-year terms (each, a "Renewal Term"), unless the Contractor notifies the City in writing of its desire to terminate the Contract. If extended, the then-current prices shall be applicable during the subsequent Renewal Term unless the Contractor notifies the City in writing of any rate increase and the City approves the increase with an authorized signature, prior to the end of the then-current term. By consenting to a Renewal Term, Contractor shall be deemed to affirmatively assert that (i) the City is not currently in default, nor has been in default at any time prior to the Renewal Term, under any of the terms or conditions of the Contract and (ii) any and all Contractor claims, known and unknown, relating to the Contract and existing on or before the commencement date of the Renewal Term are forever waived.

## Section II – Instructions and Conditions
